25. The Statutory Auditors vide their Independent Auditors Report dated May 21, 2018 issued the qualified opinion on the Consolidated Audited Financial results for the year ended March 31, 2018 and basis for qualified opinion thereto are as disclosed:-

- Basis for Qualifications pertaining to the Company and management response thereto, Refer Note no 20 above.

ii. Basis for qualified opinion by the independent auditors of NSEL vide their audit report on the consolidated financial statements (CFS) of NSEL, are given as under, stating that as stated in the notes of consolidated financial statements of NSEL:

- a) NSEL has been served with notices /letters /summons from various statutory authorities /regulators /government departments and some purported aggrieved parties, pertaining to the period prior to suspension of the exchange related operations from 31st July 2013. There are some writ petitions, public interest litigations, civil suits including in representative capacity filed by and against the Company. Such matters against the Company are either in progress or sub-judice before different forums. The Company may have civil/criminal liability arising out of one or more of the proceedings initiated against the Company. We are unable to comment on the consequential impact, if any, in respect of the same in the Financial Statement.

NSEL Management Response:

Investigating agencies are investigating genuineness of the warehouse receipts issued by the Exchange as well as the frauds apparently perpetrated by the then senior officials of the Exchange. The Government of India by the Gazette Notification SO 2529(E) dated September 19, 2014 has withdrawn its earlier Gazette Notification SO 906(E) dated June 05, 2007 (by which the Company was granted exemption under Section 27 of the FCR Act, 1952 for trading of forward contracts of one day duration) with immediate effect and consequently the notification SO 228(E) dated February 06, 2012 and notification SO 2406(E) dated August 06, 2013 ceased to be in force w.e.f. September 19, 2014, as informed to the Company by the FMC vide letter dated November 05, 2014. As the reply to the said SCN has been given and actions, if any, required due to SCN have been taken, including withdrawal of the exemption itself, the Company does not foresee any further consequences on the SCN. Further, neither FMC nor MCRA has held the Company guilty of having violated any of the conditions of the exemption notification dated June 05, 2007 - which was the subject matter of the SCN. The company maintains that all contracts traded on the Exchange platform were proper and in conformity with applicable laws and exemption notifications. As per the records there were no violations in this regard. The Company had obtained a legal opinion on the legality of the contracts traded by the members on the exchange platform. The Company is taking all steps to defend its position, however since all matters are sub-judice, the Company is unable to quantify the impact, if any, of such legal proceedings on the financial statements of the Company.

- b) The trade receivables, other receivables, loans and advances and deposits are subject to confirmation and reconciliation. The management, however, does not expect any material changes on account of such reconciliation/ confirmation from parties. However the balance between NSEL & IBMA in respect of exchange operation are subject to reconciliation. In many cases legal notices have been sent to the parties; however we are unable to form any opinion on the recoverability of the outstanding balances of such parties.

NSEL Management Response:

Majority in value of the trade and other receivables, loans and advances etc. are confirmed and such confirmations are available on record. Some confirmations were received from debtors, which were not in agreement with the balances shown in the books of accounts. Reconciliation process has been undertaken for such accounts and completed. The differences between account balances were communicated to debtors but the disagreement remains. The company has decided to litigate for recovering money where amounts are above ₹ 5 Lakhs. Management is still contemplating legal action for the cases where amounts are below ₹ 5 Lakhs.

- c) In earlier financial years, IBMA had rendered services to one M/s SNP Designs Pvt. Ltd (SNP) relating to trade in future commodity contracts. At the end of the year a sum of ₹ 7,747.18 lakhs was due and receivable from SNP. The managing director and majority shareholder of SNP is Mrs.

Shalini Sinha, wife of Mr. Anjani Sinha (Director and KMP at IBMA). Such relationship was not informed by Mr. Anjani Sinha. No money has been received from SNP despite of substantial amounts due and outstanding. SNP denied having any liability to pay to the IBMA and the matter is under dispute. It has been informed by management of NSEL, that such transactions were carried out on the instruction issued by erstwhile- director of IBMA Mr. Anjani Sinha who was managing the affairs of NSEL.

NSEL Management Response:

As per records, the Board came to know about the relationship between Mr. Anjani Sinha and MD of M/s SNP Design Pvt. Ltd (SNP) as his wife only after the forensic audit was completed by Grant Thornton India LLP. IBMA has already initiated suitable legal action towards recovery. Although a provision of 75% of the outstanding amount is made in the previous years, the management is hopeful of recovery and no further provision is made in the current financial year.

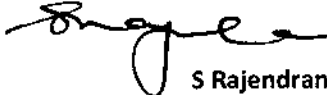

- d) IBMA has made provision for bad and doubtful debts for ₹ 45.96 lakhs in case of receivables for sale and services entered by the IBMA. As per opinion formed by IBMA's Auditor, IBMA should have provided 100% of all its bad and doubtful debts and other receivables. In opinion formed by IBMA's Auditor, the unrealized outstanding debtors and receivables should also have been provided fully in the books of accounts. Accordingly, had this provided for entire amount as provision for bad and doubtful debts (including other receivables) the amount of provisions should have been higher by ₹ 2,008.79 lacs.

NSEL Management Response:

The Subsidiary Company [IBMA] has taken steps towards recovery of the unrealised outstanding debtors and receivables. During current financial year 2016-17, IBMA has made the provision for doubtful debts (Excluding Other Receivable) of ₹ 45.96 lakhs of debtors other than SNP and Harley Carmbel Pvt. Ltd. (Harley). With regard to the SNP, Company has initiated legal action as stated in note no (iii). For Harley, IBMA has initiated arbitration process towards recovery and the matter is currently sub-judice. Further, Management is hopeful of recovering the amounts due from SNP and Harley, hence, in the current year no provision in respect of amount due from them is made.

9. We reproduce hereunder the 'Emphasis of Matter' paragraphs issued by the independent auditors of a subsidiary viz. NSEL vide their audit report on the consolidated Ind AS financial statements of NSEL, to the extent the same are found significant as per the Guidance issued by the Institute of Chartered Accountants of India, from time to time and which also forms the 'Emphasis of Matter' paragraphs in our audit report on the accompanying Statement of the Group:

a) "As stated in Note No. 68 (f) (ii), The Company had received draft order of amalgamation from Government of India, Ministry of Corporate Affairs dated October 21, 2014 for amalgamation of the Company with its holding Company, 63 Moons Technologies Limited (63MTL) under Section 396 of the Companies Act, 1956 63MTL, shareholders of 63MTL and various other interested parties had challenged the said order by filing writ petitions before the High Court of Bombay. The Hon'ble Division Bench of the High Court of Bombay by its order dated December 4, 2017 has dismissed the writ petitions of 63MTL and all the other parties. While dismissing the above writ petitions the Hon'ble Court extended the interim protection for 12 weeks from the date of order

Subsequently, 63MTL and NSEL have challenged the above said order of the Hon'ble High Court of Bombay by filing Special Leave Petition (Civil) No. 4210/2018 and 4816/2018 respectively before the Hon'ble Supreme Court of India. The Hon'ble Supreme Court on February 16, 2018 continued the interim protection granted by the Hon'ble High Court of Bombay until further orders from the Court. The SLPs are pending for hearing."

b) "As stated in note no. 68 of the Financial Statements, there are some writ petitions, public interest litigations, civil suits including in representative capacity filed by and against the Company. In the light of some of the litigations made against the Company by seller members, trading and clearing members as also defaulter members, holding the Company responsible as third party/central party counter guarantor, for ensuring payments towards pending settlements on Spot Exchange, which have arisen during financial year. In this regard, the management and those charged with the governance, have represented to us that there are no claims/litigations/potential settlements involving the Company directly or indirectly, which may require adjustments in the Financial Statements. In this regards the management believes that as per legal advice received from an expert, no such third party/central party counter guarantee was ever provided by the Company, and hence there shall not be any liability arising there from against the Company."

c) "We draw attention to Note no 56 and 57 of the financial statements which describes the uncertainty related to the outcome of the proposed litigation against Karvy Comtrade Ltd by the company."

d) "The Subsidiary Company viz IBMA, FAIDA and WAGCL has recorded a losses over the years and the net worth of the companies has been eroded and is negative as at 31st March, 2018. There has been discontinuation of most of the activities carried out by the Company after 31st July 2013. There have been on going litigations and civil proceedings initiated against the Company. The Company had defaulted in payments of dues to various tax authorities /affiliated member's constituents etc., as at 31st March 2018 due to lower cash inflows from existing receivable and virtual stoppage of major sources of income after 31st July 2013. The management of the holding Company has agreed to provide all the required financial help to both subject to compliance of Court/regulatory requirements. Necessary adjustment may have to be made to the value of assets and liabilities in case the going concern concept is vitiated. This indicates that existence of a material uncertainty of that may cast significant doubt about the company's ability to continue as going concern. However the financial statement of the company has been prepared on going concern basis. Our opinion is not modified in respect of this materiality. The accompanying Financial Statements have been prepared based on cumulative impact of following mitigating factors to consider the Company as a going concern despite the accumulated losses."

2	<p>We reproduce hereunder the 'Basis for Qualified Opinion' issued by the independent auditor(s) of a subsidiary viz. National Spot Exchange Limited ('NSEL') vide their audit report on the consolidated Ind AS financial statement of NSEL, to the extent the same are found significant as per the Guidance issued by the Institute of Chartered Accountants of India, from time to time and which also forms the basis for qualified opinion in our audit report on the accompanying Statement of the Group:</p>
	<p>a. "As stated in note nos. 68 to the Financial Statement, the Company has been served with notices /letters /summons from various statutory authorities /regulators /government departments and some purported aggrieved parties, pertaining to the period prior to suspension of the exchange related operations from 31st July 2013. There are some writ petitions, public interest litigations, civil suits including in representative capacity filed by and against the Company. Such matters against the Company are either in progress or sub-judice before different forums. The Company may have civil/criminal liability arising out of one or more of the proceedings initiated against the Company. We are unable to comment on the consequential impact, if any, in respect of the same in the Financial Statement."</p> <p>b. "The trade receivables, other receivables, loans and advances and deposits are subject to confirmation and reconciliation. The management, however, does not expect any material changes on account of such reconciliation/ confirmation from parties. However the balance between NSEL & IBMA in respect of exchange operation are subject to reconciliation. In many cases legal notices have been sent to the parties; however we are unable to form any opinion on the recoverability of the outstanding balances of such parties."</p>

	<p>c. "As stated in note no. 46 of Notes to Accounts, the Company had rendered services to one M/s SNP Designs Pvt. Ltd (SNP) relating to trade in future commodity contracts in earlier financial years. At the end of the year a sum of Rs.77,47,18,046/- was due and receivable from SNP. The managing director and majority shareholder of SNP is Mrs. Shalini Sinha, wife of Mr. Anjani Sinha (Director and KMP at IBMA). Such relationship was not informed by Mr. Anjani Sinha to the company. No money has been received from SNP despite of substantial amounts due and outstanding. SNP denied having any liability to pay to the Company and the matter is under dispute. It has been informed by management that such transactions were carried out on the instruction issued by erstwhile- director of the Company Mr. Anjani Sinha who was managing the affairs of the Company."</p> <p>d. "As stated in note no. 47 of Notes to Accounts the company has made provision for bad and doubtful debts, in case of receivables for sale and services entered by the company to the extent of Rs.45,95,775/-. In our opinion the Company should have provided 100% of all its bad and doubtful debts and other receivables. In our view including the above other receivables and debtors as stated in paragraph 4(b) and 4(c) above, the unrealized outstanding debtors and receivables should also have been provided fully in the books of accounts. Accordingly, had the Company provided for the entire amount as provision for Bad and Doubtful Debts (including other receivables) the amount of provision should have been higher by Rs.20,08,79,071/-.</p> <p>The matters stated above could also have a consequential impact on the measurement and disclosure of information provided under, but not limited to statement of profit and loss, provision for tax, cash flow statement and earnings per share for the year ended 31st March, 2018 in these Financial Statements."</p>

In the light of the above ongoing investigations and matters, the outcome of which is not known and is uncertain at this stage, we are unable to quantify the impact.

2. a) For qualification referred in Sr. No. A 2(a) above,

Investigating agencies are investigating genuineness of the warehouse receipts issued by the Exchange as well as the frauds apparently perpetrated by the then senior officials of the Exchange. The Government of India by the Gazette Notification SO

2529(E) dated September 19, 2014 has withdrawn its earlier Gazette Notification SO 906(E) dated June 05, 2007 (by which the Company was granted exemption under Section 27 of the FCR Act, 1952 for trading of forward contracts of one day duration) with immediate effect and consequently the notification SO 228(E) dated February 06, 2012 and notification SO 2406(E) dated August 06, 2013 ceased to be in force w.e.f. September 19, 2014, as informed to the Company by the FMC vide letter dated November 05, 2014.

As the reply to the said SCN has been given and actions, if any, required due to SCN have been taken, including withdrawal of the exemption itself, the Company does not foresee any further consequences on the SCN. Further, neither FMC nor MCrA has held the Company guilty of having violated any of the conditions of the exemption notification dated June 05, 2007 - which was the subject matter of the SCN. The company maintains that all contracts traded on the Exchange platform were proper and in conformity with applicable laws and exemption notifications. As per the records there were no violations in this regard. The Company had obtained a legal opinion on the legality of the contracts traded by the members on the exchange platform. The Company is taking all steps to defend its position, however since all matters are sub-judice, the Company is unable to quantify the impact, if any, of such legal proceedings on the financial statements of the Company.

b) For qualification referred in Sr. No. A 2 (b) above:

Majority in value of the trade and other receivables, loans and advances etc. are confirmed and such confirmations are available on record. Some confirmations were received from debtors, which were not in agreement with the balances shown in the books of accounts. Reconciliation process has been undertaken for such accounts and completed. The differences between account balances were communicated to debtors but the disagreement remains. The company has decided to litigate for recovering money where amounts are above ₹ 5 Lacs. Management is still contemplating legal action for the cases where amounts are below ₹ 5 Lacs.

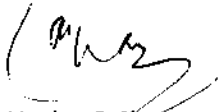

c) For qualification referred in Sr. No. A 2 (c) above:

As per records, the Board came to know about the relationship between Mr. Anjani Sinha and MD of M/s SNP Design Pvt. Ltd (SNP) as his wife only after the forensic audit was completed by Grant Thornton India LLP. IBMA has already initiated suitable legal action towards recovery. Although a provision of 75% of the outstanding amount is made in the previous years, the management is hopeful of recovery and no further provision is made in the current financial year.
