2. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. We have not performed an audit and accordingly, we do not express an audit opinion.

Emphasis of Matter

5. We draw attention to Note 10 to the Statement, which describes the passing of the final order of amalgamation of National Spot Exchange Limited with the Company, by Ministry of Corporate Affairs, Government of India. The Honourable Bombay High Court in due course has dismissed the Writ Petition challenging the said order filed by the Company. The Company has filed a Special Leave Petition against the said order of Honourable Bombay High Court before the Honourable Supreme Court of India and the matter is sub-judice. In future, any unfavorable outcome may impact company's ability to function as a going concern.
6. We draw attention to Note 11 to the Statement. Government of India has filed the Company Petition before the Principal Bench of the Company Law Board, under the Companies Act, 1956, seeking inter alia removal and supersession of the Board of Directors of the Company. The matter is pending before National Company Law Appellate Tribunal ("NCLAT") and is currently sub-judice.
7. We draw attention to Note 18 to the Statement, regarding utilisation of unexpired MAT credit entitlement by the Company. The Company has a total MAT credit entitlement of Rs.9,116 Lakhs as at 30 June 2018. Based on the projections made by the Company's management regarding income-tax liability of the Company, Management is of the view that the Company will be able to utilise the unexpired MAT credit entitlement in eligible projected years.

Our conclusion is not qualified in respect of these matters of emphasis.

Other matters

8. The Statement includes results for the quarter ended 31 March 2018, being the balancing figure between audited figures in respect of the full financial year and the published year to date figures up to nine months ended 31 December 2017 which was subjected to limited review by us.
