27. The Statutory Auditors vide their Independent Auditors Report dated May 26, 2017 issued the qualified opinion on the Consolidated Audited Financial results for the year ended March 31, 2017 and basis for qualified opinion thereto are as disclosed:-

- Basis for Qualifications pertaining to the Company and management response thereto, Refer Note no 22 above.
- Basis for qualified opinion by the independent auditors of NSEL vide their audit report on the consolidated financial statements (CFS) of NSEL, are given as under, stating that as stated in the notes of consolidated financial statements of NSEL:
 - NSEL has been served with notices /letters /summons from various statutory authorities /regulators /government departments and some purported aggrieved parties, pertaining to the period prior to suspension of the exchange related operations from 31st July 2013. There are some writ petitions, public interest litigations, civil suits including in representative capacity filed by and against NSEL. Such matters against NSEL are either in progress or sub-judice before different forums. NSEL may have civil/criminal

liability arising out of one or more of the proceedings initiated against NSEL. We are unable to comment on the consequential impact, if any, in respect of the same in Financial Statement.

NSEL Management Response:

Investigating agencies are investigating genuineness of the warehouse receipts issued by the Exchange as well as the frauds perpetrated by the erstwhile senior officials of the Exchange. The Government by Gazette Notification SO 2529(E) dated 19 September, 2014 has withdrawn the Gazette Notification SO 906(E) dated 5 June, 2007 (by which NSEL was granted exemption u/s. 27 of the FCR Act, 1952 for trading of forward contracts of one day duration) with immediate effect and consequently the notification SO 228(E) dated 6 February, 2012 and notification SO 2406(E) dated 6 August, 2013 ceased to be in force w.e.f. 19 Sep, 2014, as informed to the Company by the FMC vide letter dated 5 November, 2014. As the reply to the said SCN has been given and actions, if any, required due to SCN has been taken, including withdrawal of the exemption itself, company do not foresee any further consequences on the SCN. Further, neither FMC nor MCrA has held NSEL guilty of having violated any of the conditions of the exemption notification dated 5 June, 2007, which was the subject matter of the SCN. All contracts traded on the Exchange platform were proper and in consonance with applicable laws, exemption notifications and there were no violations in this regard. NSEL had obtained a legal opinion on the legality of the contracts traded by the members on the Exchange platform. The Company is taking all steps to defend its position, however since all matters are sub judice, the Company is unable to quantify the impact, if any, of such legal proceedings on the financial statement of the Company.

- b) The trade receivables, other receivables, loans and advances and deposits are subject to confirmation and reconciliation. The management of NSEL, however, does not expect any material changes on account of such reconciliation/ confirmation from parties. In many cases legal notices have been sent to the parties; however we are unable to form any opinion on the recoverability of the outstanding balances of such parties.

NSEL Management Response:

Majority in value of the trade and other receivables, loans and advances etc. are confirmed and such confirmations are available on record. Some confirmations were received from debtors, which were not in agreement with the balances shown in the books of accounts. Reconciliation process has been undertaken for such accounts and completed. The differences between account balances were communicated to debtors but they have not agreed with the reconciliation hence the company has initiated process for legal cases for recovery of the amount where amount recoverable is above ₹ 5.00 lacs. Management is still contemplating for legal action for the matter (case wise) below ₹ 5.00 lacs.

- c) In earlier financial years, IBMA had rendered services to one M/s SNP Designs Pvt. Ltd (SNP) relating to trade in future commodity contracts. At the end of the year a sum of ₹ 7,747.18 lacs was due and receivable from SNP. The managing director and majority shareholder of SNP is Mrs. Shalini Sinha, wife of Mr. Anjani Sinha (Director and KMP at IBMA). Such relationship was not informed by Mr. Anjani Sinha. No

money has been received from SNP despite of substantial amounts due and outstanding. SNP denied having any liability to pay to the IBMA and the matter is under dispute. It has been informed by management of NSEL, that such transactions were carried out on the instruction issued by erstwhile-director of IBMA Mr. Anjani Sinha who was managing the affairs of NSEL.

NSEL Management Response:

The Board came to know about the relationship between Mr. Anjani Sinha and MD of M/s SNP Design Pvt. Ltd (SNP) as his wife only after the forensic audit completed by Grant Thornton India LLP. IBMA has initiated legal action towards recovery of amount in the current financial year. Although a provision of 75% of the outstanding amount is made in the previous years, however since the management is hopeful of recovery, no further provision is made in the current financial year.

- d) IBMA has made provision for bad and doubtful debts for ₹ 45.96 lacs in case of receivables for sale and services entered by the IBMA. As per opinion formed by IBMA's Auditor, IBMA should have provided 100% of all its bad and doubtful debts and other receivables. In opinion formed by IBMA's Auditor, the unrealized outstanding debtors and receivables should also have been provided fully in the books of accounts. Accordingly, had this provided for entire amount as provision for bad and doubtful debts (including other receivables) the amount of provisions should have been higher by ₹ 2,008.79 lacs.

NSEL Management Response:

IBMA has taken steps towards recovery of the unrealised outstanding debtors and receivables. During current financial year 2016-17 IBMA has made the provision for doubtful debts (Excluding Other Receivable) of ₹ 45.96 lacs debtors other than SNP and Harley Carmbel Pvt. Ltd. (Harley) which is ₹ 2008.79 lacs. With regard to the SNP, IBMA has initiated legal action. For Harley, IBMA has initiated arbitration process towards recovery and the matter is currently sub-judice. Further, IBMA Management is hopeful of recovering the amount due from SNP and Harley, hence, in the current year no provision in respect of amount due from them is made.

- III. Basis for qualified opinion by the independent auditors of Financial Technologies Group Investment Pvt. Ltd. (FTGIPL) vide their audit report on the consolidated financial statements (CFS) of FTGIPL, are given as under, stating that as stated in the notes of consolidated financial statements of FTGIPL:

FTGIPL's subsidiary, Bourse Africa Limited (BAL), holds a Securities Exchange License issued by the Financial Services Commission (FSC) to operate as an Exchange. Further to issues affecting the company, a company incorporated in India, since the financial year 2014/2015, the FSC had requested the latter to dispose of its stake in BAL. As at the date of this report, the disposal has not yet taken place. However, the company being an Indian entity, the completion of the stake sale could be subject to certain regulatory/ judicial approvals in India. In the meantime BAL had entered into negotiation with a potential buyer to acquire the holding company's stake in BAL. However, due to some procedural reasons at the level of the acquirer, the transaction is still not yet completed as at the date of this report. The FSC is kept informed on the progress of the

negotiation and to that effect BAL has requested the FSC to maintain its license valid until the positive completion of the transaction.

Because of the significance of the license for BAL, we believe that any failure to maintain the validity of the license will deeply affect the very reason for existence of BAL in its capacity to act as a Multi-Asset Class Exchange and this ultimately will affect investment's carrying value of USD 8 million.

Management Response:

FTGIPL had entered into negotiation with a potential buyer to acquire it's stake in BAL and appropriate adjustment will be carried out on completion.

Such relationship was not informed by Mr. Anjani Sinha to the company. No money has been received from SNP despite of substantial amounts due and outstanding. SNP denied having any liability to pay to the subsidiary and the matter is under dispute. It has been informed by management that such transactions were carried out on the instruction issued by erstwhile director of the Company Mr. Anjani Sinha who was managing the affairs of the Company."
- d) "As stated in note no. 48 of Notes to Accounts the company has made provision for bad and doubtful debts, in case of receivables for sale and services entered by the company to the extent of Rs.45.96 lakhs. In our opinion the Company should have provided 100% of all its bad and doubtful debts and other receivables. In our view including the above other receivables and debtors as stated in paragraph 4(b) and 4(c) above, the unrealized outstanding debtors and receivables should also have been provided fully in the books of accounts. Accordingly, had the Company provided for the entire amount as provision for Bad and Doubtful Debts (including other receivables) the amount of provision should have been higher by Rs.2,008.79 lakhs.

The matters stated above could also have a consequential impact on the measurement and disclosure of information provided under, but not limited to statement of profit and loss, provision for tax, cash flow statement and earnings per share for the year ended 31 March, 2017 in these Financial Statements."

5. We reproduce hereunder the 'Basis for Qualified Opinion' issued by the independent auditor(s) of a subsidiary viz. FT Group Investments Private Limited ('FTGIPL') vide their audit report on the consolidated financial statement of FTGIPL, to the extent the same are found significant as per the guidance issued by the Institute of Chartered Accountants of India, from time to time and which also forms the basis for qualified opinion in our audit report on the accompanying Statement of the Group:

"Fair value of investment: The Company's subsidiary, Bourse Africa Limited (BAL) holds a Securities Exchange Licence issued by the Financial Services Commission (FSC) to operate as an Exchange.

Further to issues affecting the holding company, a company incorporated in India, since the financial year 2014 - 2015, the FSC had requested the latter to dispose of its stake in BAL. As at date of this report, the disposal has not yet taken place. However, the holding company being an Indian entity, the completion of the stake sale could be subject to certain regulatory/ judicial approvals in India.

In the meantime BAL had entered into negotiation with a potential buyer to acquire the holding company's stake in BAL. However, due to some procedural reasons at the level of the acquirer, the transaction is still not yet completed as at the date of this report.

The FSC is kept informed on the progress of the negotiation and to that effect BAL has requested the FSC to maintain its licence valid until the positive completion of the transaction.

Because of the significance of the licence for BAL, we believe that any failure to maintain the validity of the licence will deeply affect the very reason for existence of BAL in its capacity to act as a Multi-Asset Class Exchange and this ultimately will affect investment's carrying value of USD 8 million.

Qualified Opinion

6. *Except for the possible effects of the matter specified under 'Basis for Qualified Opinion' and based on our audit conducted as stated above, in our opinion and to the best of our information and according to the explanations given to us, the Statement:*
- a) is presented in accordance with the requirements of the Regulation 33 of SEBI Regulations, 2015; and
 - b) gives true and fair view in conformity with Ind AS and other accounting principles generally accepted in India of financial performance including the other comprehensive income and other financial Information of the Group for the year ended 31 March 2017.

Emphasis of Matter

7. We draw attention to Note 8 to the Statement, which describes the passing of the final order of amalgamation of National Spot Exchange Limited with the Company, by Ministry of Corporate Affairs, Government of India. The Company has filed a Writ Petition before the Honourable Bombay High Court challenging the said order and the Honourable Bombay High Court has stayed the notification of the said order and the matter is currently sub-judice.
8. We draw attention to Note 9 to the Statement. Government of India has filed the Company Petition before the Principal Bench of the Company Law Board, under the Companies Act, 1956, now pending with the National Company Law Tribunal ("NCLT") under the Act, seeking inter alia removal and supersession of the Board of Directors of the Company, which has been protested by the Company and the matter is pending before NCLT for consideration and the matter is currently sub-judice.
9. We draw attention to Note 20 to the Statement, regarding utilisation of unexpired MAT credit entitlement by the Company. The Company has a total MAT credit entitlement of Rs.12,403 Lakhs as at 31 March 2017. Based on the projections made by the Company's management regarding income-tax liability of the Company, Management is of the view that the Company will be able to utilise the unexpired MAT credit entitlement in eligible projected years.

Our opinion is not qualified in respect of these matters of emphasis.

10. We reproduce hereunder the 'Emphasis of Matter' paragraphs issued by the independent auditors of a subsidiary viz. NSEL vide their audit report on the consolidated Ind AS financial statements of NSEL, which also forms the 'Emphasis of Matter' paragraphs in our audit report on the accompanying Statement of the Group:
- a) "As stated in note no. 2.3 of the Financial Statements. The Board of Directors of the Company is of the view that in the short term its main challenge is to recover the money from defaulting members. As explained by the management, the Company is making all out efforts in recovering the amounts from defaulter members for settlement as well as its trade

and other receivables. The holding company has committed to provide financial and other resources to NSEL for administrative and day to day expenses including legal and salary expense. The Company has continuing support from its holding company and on the basis of such support, business plans of the future & other factors, the accounts for the year ended 31 March 2017 are prepared on going concern basis. We have relied on the above mentioned explanations and information given by the Management.”

- b) “As stated in Note No. 65 (e) (iii), the Ministry of Corporate Affairs (MCA), Government of India has issued on 21 October 2014, a draft order of Amalgamation of the Company with its holding company, 63 moons technologies limited (formerly Financial Technologies (India) Limited), u/s. 396 of the Companies Act, 1956 and a final order dated 12 February 2016. The holding company has contested the same before the Bombay High Court and is currently *sub-judice*.”
- c) “As stated in note no. 65 of the Ind AS Financial Statements, there are some writ petitions, public interest litigations, civil suits including in representative capacity filed by and against the Company. In the light of some of the litigations made against the Company by seller members, trading and clearing members as also defaulter members, holding the Company responsible as third party/central party counter guarantor, for ensuring payments towards pending settlements on Spot Exchange, which have arisen during financial year. In this regard, the management and those charged with the governance, have represented to us that there are no claims/ litigations/ potential settlements involving the Company directly or indirectly, which may require adjustments in the Financial Statements. In this regards the management believes that as per legal advice received from an expert, no such third party/ central party counter guarantee was ever provided by the Company, and hence there shall not be any liability arising there from against the Company.”
- d) “The Subsidiary Company viz. Indian Bullion Market Association Limited (IBMA) and Westernghats Agro Growers Company Limited (WAGCL) has recorded losses over the years and the net worth of the companies has been eroded and is negative as at 31 March 2017. There has been discontinuation of most of the activities carried out by the Company after 31 July 2013. There have been ongoing litigations and civil proceedings initiated against the Company. The Company had defaulted in payments of dues to various tax authorities/ affiliated member’s constituents etc., as at 31 March 2017 due to lower cash inflows from existing receivable and virtual stoppage of major sources of income after 31 July 2013. The management of the holding Company has agreed to provide all the required financial help to both subject to compliance of Court/ regulatory requirements. Necessary adjustment may have to be made to the value of assets and liabilities in case the going concern concept is vitiated. This indicates that existence of a material uncertainty of that may cast significant doubt about the company’s ability to continue as going concern. However the financial statement of the company has been prepared on going concern basis. Our opinion is not modified in respect of this materiality. The accompanying Financial Statements have been prepared based on cumulative impact of various mitigating factors to consider the Company as a going concern despite the accumulated losses.”

Our opinion is not qualified in respect of matters stated above.

Other matters

11. The comparative financial information of the Group for the year ended 31 March 2016 included in the Statement, is based on the previously issued statutory financial statements prepared in accordance with the Companies (Accounting Standards) Rules, 2006 which were audited by us and on which we expressed a modified opinion dated 30 May 2016. The adjustments to this financial statement for the differences in the accounting principles adopted by the Company on transition to the Ind AS have been audited by us. The aforesaid adjustments to the financial statements/ consolidated financial statements of indian subsidiaries have been audited by their respective auditors and our opinion to that extent is based on the corresponding reports of the auditors of such companies.
12. We did not audit the Ind AS financial statements of fourteen subsidiaries and consolidated Ind AS financial statements of two subsidiaries included in the consolidated Ind AS financial statements of the Group, whose Ind AS financial statements/ consolidated Ind AS financial statements reflect total assets of Rs.80,051 lakhs and net assets of Rs.(21,288) lakhs as at 31 March 2017; as well as the total revenue of Rs.8,106 lakhs and net cash flow amounting to Rs.(1,996) lakhs for the year then ended.
- These Ind AS financial statements/consolidated Ind AS financial statements have been audited by other auditors whose reports have been furnished to us, and our opinion on the accompanying Statement, to the extent they have been derived from such Ind AS financial statements/consolidated Ind AS financial statements is based solely on the report of such auditors.
13. Certain subsidiaries are located outside India and their financial statements/ consolidated financial statements have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been audited by other auditors under generally accepted auditing standards applicable in their respective countries. The Holding Company's management has converted the financial statements of these subsidiaries located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Company's management. Our opinion in so far as it relates to the balances and affairs of these subsidiaries located outside India is based on the report of other auditors and the conversion adjustments prepared by the management of the Holding Company and audited by us.

Our opinion is not qualified in respect of other matters.
