**PRESS RELEASE**

## **63 moons technologies Is Honoured As “Asia’s Most Trusted Company”**

**Mumbai, December 20, 2022: 63 moons technologies ltd**, India’s globally recognised fintech leader & creator of next-gen digital marketplaces, added another feather to its cap when the **International Brand Consulting Corporation, USA**, honoured it with **“Asia's Most Trusted Companies”** Award in Bangkok on Monday, for being the **“Best Technology Solution Provider of Asia.”**

Mr. S Rajendran, MD & CEO, 63 moons technologies, received the award at a glittering ceremony held at Hotel Grand Hyatt Erawan, Bangkok, at the hands of Bangkok Police Commissioner Lt. Gen. of The Royal Thai Army, Mr. Suwat Jangyodsuk & Mr. Hemant Kaushik, CEO, IBC Corp, USA.

Mr Rajendran has expressed his gratitude to Mr. Venkat Chary, Chairman, 63 moons technologies and Mr Jignesh Shah, the guiding light and mentor of the Company, for their relentless support and guidance in the Group’s new incarnation in 3.0.

“We are delighted to see that our organisation has received global recognition at the international forum. We were among the Top 50 carefully chosen brands by the jury. This is an important milestone in the organisation building process,” Mr Rajendran said.

**63 moons technologies, that has been honoured as “Asia’s Most Trusted Company” is ironically, declared not “fit & proper” to hold any shares in commodity exchanges in India by the erstwhile commodity markets regulator, the Forward Market Commission (FMC).**

**The conspiracy to oust 63 moons technologies from the exchange space was designed by the then Finance Minister, P Chidambaram and K P Krishnan, then Joint Secretary, Capital Markets and it was executed by Ramesh Abhishek, then**

**Chairman, FMC. The award conferred on 63 moons technologies is seen as another answer to the perpetrators of crime - P Chidambaram, K P Krishnan and Ramesh Abhishek.**
