Satyameva Jayate Nanrutram Satyena Pantha Vitato Devayanah|
Yenakramantyrsayo Hyaptakama Yatra Tat Satyasya Paramam Nidhanam||

Satyamev Jayate or *Truth alone triumphs*, is the ancient wisdom that forms the core belief of Indian nationhood as depicted by the inscription of our national emblem.

This sacred *shloka*, which is part of a mantra from the ancient Indian scripture *Mundaka Upanishad*, literally means, "It is Truth that triumphs and not falsehood; by Truth is laid out the path of the gods by which the sages who have won over their desires, ascend where Truth has its supreme abode."

The national emblem is inspired by great Indian Emperor Ashoka's Lion Capital which he erected in 250 BC at Sarnath, near present-day Varanasi, the place where Ashoka's inspiration—*Gautam Buddha - imparted divine wisdom of Dharma or righteousness* to his chosen five disciples.

Emperor Ashoka's Lion Capital graced the top of the *Ashok Stambh* at Sarnath, and was carved out of a single block of yellow sand stone. It featured four Asiatic Lions sitting back to back, mounted on an abacus with sculptures of an elephant, a galloping horse, a bull, and a lion, separated by four chariot-wheels, which came to be known as the 24-spoke *Ashok Chakra* or the *Dharma Chakra*. The same *Ashok Chakra* occupies a place of pride on the Indian tricolour.

In Indian philosophy, *Mrugendra* or the lion stands for courage, *Gaj* or the elephant for intellect, *Ashwa* or the horse for speed and unbridled freedom and *Nandi* or the bull for truth and righteousness. This symbolism alone demonstrates Emperor Ashoka's vision of a welfare state that celebrated the spirit of truth and righteousness in the larger public interest.

On January 26, 1950, the day India became a sovereign democratic republic and its Constitution came into effect, it adopted a graphical representation of Emperor Ashoka's Lion Capital as its National Emblem and *Satyamev Jayate* as its national motto, inscribing it on every official seal, gazette and currency of the country.

The culmination of the unprecedented onslaught on us over the past few years has once again affirmed our unflinching faith in what became the doctrine of the Democratic Republic of India - *Satyamev Jayate!*

Letter From **CHAIRMAN'S DESK**

THE VICTORY OF TRUTH SATYAMEV JAYATE!

"First, they ignore you, then they ridicule you, then they fight you, and then you win."

Thus, spoke the *Father of the Nation, Mahatma Gandhi*, who swore by the power of truth, and fought non-violently all his life for the victory of truth and justice.

Your Company's belief, and experience, too, has been no different from this deeply moving ever-relevant reality.

More than two decades ago, Mr. Jignesh Shah, a young innovator / entrepreneur founded your Company and with his innovative zeal and entrepreneurial aggression, turned it into one of the finest examples of *Make in India*, creating 9 robust exchanges across the globe in a variety of asset classes including commodities, currency, equity, energy and bonds in as many years.

However, your Company's rapid growth in the markets was looked upon as a threat by certain monopolistic forces who envied us. These forces joined hands with certain vested interests to form an unholy nexus that created an artificial payment default crisis at one of our subsidiaries—the National Spot Exchange Limited (NSEL) in 2013.

By now, the perpetrators of this crisis stand exposed in the public domain and all of you know who these forces are and how they, with the revengeful motto,

desired not just to halt our progress but to also force us out of the Exchange businesses completely.

Despite the entire money trail of the default amount having been traced to the 24 defaulting entities by the investigating agencies, and not a paisa was found with NSEL, FTIL and its founder, Mr. Jignesh Shah, the facts were ignored, we were ridiculed and attacked with vengeance, but, finally, we won!

Truth and justice won a hard-fought battle when, in a historic judgment, the Hon'ble Supreme Court set aside the forced merger of your Company with NSEL. In doing so, the apex court has taken away, once and for all, the proverbial Damocles' Sword of such arbitrarily forced mergers on India Inc., since no conglomerate would dare do new business via a subsidiary for the fear of facing amalgamation in so-called 'public interest' if the subsidiary were to face any trouble.

It is indeed a welcome move that while pronouncing the judgment in our case, the Supreme Court laid down the precise definition and the elaborate criterion for what constitutes 'public interest' and it is worthwhile to mention that here.

The SC ruled:

"In the context of compulsory amalgamation of two or more companies, the expression 'public interest' would mean the welfare of the public or the interest of society as a

VENKAT CHARY

Chairman,
Independent Non-Executive Director

whole, as contrasted with the "selfish" interest of a group of private individuals..."

All of you are aware that the vested interests of a group of private individuals comprising HNI traders have not only been misleading but also coercing investigative agencies, the media and the government, to take unfair and unwarranted actions against your Company, so that their attention is deflected from the right path of recovering the default amount from the defaulters to whom it has been traced.

Furthermore, it merits mention here that the apex court deemed it most appropriate to hold the interests of our shareholders, that is you, paramount in the present case.

In this context, the SC ruled:

"Even otherwise, this is a case where there is complete non-application of mind by the authority assessing compensation to the rights and interests which the shareholders and creditors of FTIL have and which are referred to in Section 396(3) of the Act. This being the case, it is clear that Section 396(3) has not been followed either in letter or in spirit."

Thus, in the end, the legitimate fight that your Company put through over the last six years has been worth the effort. We have succeeded in protecting shareholders' value and the larger democratic interest of Corporate India.

As far as business technologies are concerned, we have proved our mettle time and again. The mainstay of your company continues to be its strong balance sheet, impeccable infrastructure, dynamic human capital and an even stronger resolve to create value for its shareholders.

Your Company remains virtually a zero-debt company unlike many others. It has created over 1 million jobs through its allied ecosystem ventures directly and indirectly, without using any tax incentive, loan or favour from the government. At the same time it has been paying taxes to the exchequer and distributing dividends among shareholders every year without a break.

As we look into the future, 63 moons, with technology embedded in its DNA, is poised to create sustainable new digital ecology for full-scale commercialization of tech-innovation for the dynamic India of tomorrow!

Message From **MANAGING DIRECTOR & CEO**

Dear Shareholders,

At the outset, let me congratulate you all on the historic victory of truth which has finally prevailed!

The recent landmark judgment of the Hon'ble Supreme Court setting aside the forced merger order of your Company with one of its subsidiaries, the National Spot Exchange Limited (NSEL), is indeed a shot in the arm not only for us but for the entire Corporate India. The apex court judgment goes a long way in holding high the concepts of corporate veil and limited liability which are the hallmark of the Companies Act of India and the sacrosanct spirit according to which companies are governed the world over.

It goes without saying that had such a draconian merger order been implemented, it would have pushed India into the dark ages of proprietorship making every corporate, whether from India or outside, wary of doing business in India through subsidiaries. That would have certainly harmed the entrepreneurial spirit and overall business confidence in India.

No wonder, the SC ruling has strongly invigorated your Company's resolve to continue fighting for truth to protect the interests of its stakeholders including shareholders, creditors and clients alike.

Here, I must bring to your notice that the Hon'ble Supreme Court has categorically termed the merger order "ultra vires" of Section 396 of the Companies Act, thereby implying that the forced merger order of a subsidiary into its parent company, per se, was itself erroneous.

It's a great pleasure to share that your Company has been growing at an immensely satisfying pace despite the challenges over the last six years. Our firm belief in truth and the country's judiciary from the very beginning, stands vindicated by this judgment. It has kindled our hope that we will cross all the legal hurdles in our path since truth is on our side. It has also invigorated our resolve to chart out the growth trajectory with our trademark innovative zeal and entrepreneurial aggression.

BUSINESS REVIEW

As all of you are aware, despite the challenges over the past few years, your Company has steadfastly moved ahead and maintained its momentum on tech innovations and business solutions to democratize the dividends accruing therefrom.

In a bid to enhance value creation from its current business verticals, your Company has undertaken

S. RAJENDRAN

Managing Director & CEO

a number of initiatives. Among them is **Parivartan**, an initiative that envisaged implementation of agile process across development, audit and implementation throughout the brokerage trading solution (BTS) landscape to enhance quality and delivery standards of its offerings. As such, your Company has introduced a number of enhancements in its BTS offerings, too.

ODIN, your Company's No. 1 IP-centric solution of BTS continues to support over 5 lakh terminals, 25 lakh licenses facilitating over 10 lakh transactions a day and has created employment opportunities for over 25 lakh people, thereby impacting lives of over 1 crore Indians. It has enabled several market players and institutions to partake in the advancements of the financial markets in the past and it continues to equip and lead them all into the great future that lies ahead.

During the year under review, your Company incorporated several advancements in ODIN, prominent of them are highlighted here.

ODIN Tech Trader was launched to enable traders to explore (create strategies), evaluate (back test and optimize strategies) and execute-tech-based trading strategies from within ODIN Trading Terminal. This

feature has been incorporated in both algo and non-algo modes.

ODIN VAS (Value Added Services), a marketplace for Financial Value-Added Services, was introduced on ODIN front-end trading platforms.

ODIN Aero, a rich internet application that enables end-to-end fin-analytics and trading capabilities, was launched with world-class UI (User Interface) and UX (User Experience).

ODIN Institutional segment was enhanced with SWAP Algo, One-Touch Algos for placement of Algo orders via FIX, VWAP+ Algo with Vol-Curve and a redesigned Index Basket to update the trading solution.

A newly designed and developed Mutual Fund segment was added in ODIN front-end trading platforms.

During the year, ODIN, as a comprehensive brokerage trading solution, was enabled to support **Commodity segment** as BSE and NSE launched commodity segments on their respective trading platforms.

Among other solutions those catering to the needs of financial market ecosystem have also been

enhanced to offer more specialised services. Some of these include:

Match™, an 'Enterprise Application Integration (EAI)' tool that facilitates Middle and Back Office operations, and supports multi-asset, multi-exchange, multi-branch operations and accounting has now been enabled to operate for Indian International Exchange (INX) in the International Financial Service Centre (IFSC) in GIFT (Gujarat International Finance-Tec) City in Gandhinagar, Gujarat. **Match™** is now equipped as a Back Office solution to support GIFT City exchanges as also other commodity exchanges. As such, **Match™** solution also supports physical delivery in F&O segment as per changes introduced by the Regulator. This apart, collateral management and delivery dashboard of the solutions were also enhanced.

Protector™, a Middle Office Solution that works as real-time risk monitor, was enhanced to have VSA (Virtual Server Agent) functionality that manages Fund Managers accounts and NSCCL Clearing Management System (NCMS) on NSE. **e-Protector™** was enhanced to become multi-browser compatible solution.

STP-Gate™, a robust, secure messaging gateway solution and straight-through-settlement processing platform that provides online trading member interface between fund houses, custodians and brokers, was enabled to support Fund Accounting Management for PMS Clients and STP for Debt segment was updated to cope with the current regulatory environment.

Risk Solutions division of your Company, as you know, offers a product portfolio that mainly targets the financial sector on the regulatory as well as the regulated segments. With the regulatory landscape undergoing significant changes to address the issues that have emerged in the wake of the recent financial crisis in the banking and Non-banking Financing Companies (NBFCs). The new regulations for liquidity management and stress testing have opened new opportunities for the products of Risk Solutions. The division, thus, expects business environment to improve in the ensuing years.

DataCollector, a flagship product of Risk Solutions division, is exploring the possibilities for extending the capabilities to the non-BFSI public sector apex agencies.

During the year, your Company's Risk Solutions division has launched an application 'surveymoons', which is a cloud-ready survey or form-building engine that is equipped to compete and take advantage of the rise in the digitalization of the economy.

Exchange Technology, another business vertical of your Company continues to support commodity derivatives on MCX as also equity, currency derivatives and debt segment on the Metropolitan Stock Exchange of India (MSEI). Through this vertical, your Company continues to be the provider of mission critical technology solution to these exchanges.

During the year, the exchange technology team has successfully implemented the second phase of its low-latency solution at MCX. The team worked ceaselessly to develop and deliver working solution of Inter-Operability in less than a month's time to meet MSEI's expectations.

Your Company has taken great efforts to match the expectations of its patrons of its product portfolio and it is glad to share that the bouquet of these solutions has been well-appreciated and well received in their respective segments of financial markets. Your Company's endeavour remains to make these offerings more dynamic to meet the requirements of the current and future financial markets.

BUSINESS OUTLOOK: THE YEAR AHEAD

Your Company sees a bright future ahead in a society like ours that is ever-evolving and absorbing myriad advancements in the realm of technology. With technologically updated solutions for the financial markets, your Company looks forward to better business prospects. Your Company would like to appreciate the efforts of the Government of India in bringing a series of initiatives in the field of inclusive growth through technology. A firm, stable and progressive government like the present one is undoubtedly better equipped to usher in pragmatic economic reforms for upscaling economic growth. As per the vision of Hon'ble Prime Minister Shri. Narendra Modi, the Hon'ble Finance Minister, Smt. Nirmala Sitharaman has already defined India's ambition to be \$5 trillion economy by 2024 stating that it is "challenging but achievable." With this aim, the government has plans to unveil

‘Digital India 2.0’ and has identified five strategic pillars to make India a truly digitally literate society.

Your Company will work even harder on its tech-innovations to continue being a partner in India’s growth story and looks forward to opportunities for business growth as it sees big-time opportunities in creating a digitally literate demography.

This success of **Digital India** launched by the government during its first term has already been well established. Our liberal telecom policy, the availability of affordable feature-rich smartphones, and healthy competition among our service providers has also given an unprecedented fillip to internet literacy in the country.

According to Internet Trends Report 2019 by American venture capitalist and former Wall Street securities analyst, Mary Meeker, who works on Internet and New Technologies, global internet users have touched 3.8 billion which is more than half of the world’s population. Of these, China ranks first at 21% of internet user base, followed by India at 12%, and the United States at 8%.

The India region (comprising India along with Nepal and Bhutan) had the highest average usage per smartphone reaching 9.8 gigabytes per month at the end of 2018 and the launch of 5G will only boost this. Smartphone users in India are already projected to double to 829 million by 2022 from 404.1 million in 2017! The total number of digitally connected devices—of which Smartphones shall account for 38%—shall reach 2.2 billion in 2022 from 1.6 billion in 2017.

As India takes a phenomenal leap into the digital world with the government aggressively executing its vision of **Digital India 2.0** for a deeper penetration of digital technology in the industry and markets, your Company sees a very bright future for growth of its existing business verticals.

I welcome you all in this highly exciting journey of the new-age technologies.

BUSINESS OVERVIEW: FISCAL YEAR 2018-19

Your Company, despite being saddled with legal matters relating to payment crisis at one of its subsidiaries, has shown vibrancy in its performance during the year 2018-19. Besides, the Company is at a point, where it feels recharged with new belief and vigour, as one of the major obstacles in the above-said legal matters has been vanquished. The Hon'ble Supreme Court has set aside ruling on the merger order by the Hon'ble Bombay High Court stating that, National Spot Exchange Limited (NSEL) be merged with your Company, 63 moons technologies limited. Consequently, your Company's stand remains justified.

Overall vibrancy witnessed in the businesses of your Company can be attributed to refinements and enhancements added to the technologically innovative solutions across the range via 'Parivartan' – an initiative of 63 moons technologies limited. This initiative has proved fruitful in retaining the leadership position in the market.

As a part of the Parivartan initiative the business verticals of your Company were fortified with the latest updates,

Brokerage Trading Solutions (BTS) Business

Your Company's core business vertical comprises of brokerage trading and allied solutions that targets brokers' and traders' communities of the securities markets. **ODIN** – flagship suite of solutions for brokerage - continues to retain its leadership position in the market. During the year under review, your Company has enabled the suite of solutions to serve several segments of financial markets via this product, and the

advancements incorporated in these offerings continues to equip the patron of these offerings and ensures to lead them into the great future.

Prominent of the enhancements incorporated in ODIN were,

ODIN Tech Trader enables traders to explore (create strategies), evaluate (back test and optimize strategies) and execute tech-based trading strategies from within ODIN Trading Terminal. ODIN has been incorporated in both, algo and non-algo modes.

Now with one step forward on the path of successful resolution of the payment crisis, we feel invigorated to march ahead with new ideas and conquer newer areas!

Legal matters

In the wake of the crisis at NSEL, your Company has been made party to several litigations over the last six years. The Ministry of Corporate Affairs, Govt. of India ("MCA") issued a final order dated February 12, 2016 ("Final Merger Order") for amalgamation of your Company with NSEL under section 396 of Companies Act, 1956. The Hon'ble Supreme Court was pleased to set aside the Bombay High Court order dated December 4, 2017 dismissing our writ petition, challenging the final merger order of the MCA. The Hon'ble Supreme Court was pleased to hold that the final merger order passed by the MCA was ultra vires the provisions of Section 396 of the Companies Act. While striking down the enforced merger of NSEL with your Company, the Hon'ble Supreme Court in its Order dated April 30, 2019, (Page 99, clause 58) noted and took on record the Affidavit cum Undertaking dated April 11, 2019, submitted by your Company stating that your Company will continue to infuse funds into NSEL, so that the recovery of dues from defaulters does not,

in any manner, get stymied and accordingly in terms of the said Affidavit, your Company is bound to continue funding to NSEL.

In a civil suit filed by L.J. Tanna Private Limited & Ors., the Hon'ble Bombay High Court passed an ad interim order dated September 30, 2015 inter alia restraining your Company from distributing any dividend or depositing the same in the dividend distribution account in accordance with the provisions of the Companies Act, 1956, pending the final hearing and disposal of the Notice of Motion. The matter is pending before the Hon'ble Bombay High Court. In compliance to the order, the Company has not distributed the final dividend to the shareholders pursuant to the directions of the Hon'ble Bombay High Court. Contempt petition was also filed in the civil suit filed by L.J. Tanna, alleging the violation of the orders of Bombay High Court. Show cause notice has been issued against NSEL and the Company. Reply has been filed by the Company in the show cause notice. The matters are pending for hearing.

The Ministry of Corporate affairs (MCA) had filed the Petition inter alia under the provisions of Sections 388B, 397, 398 and 401 of the Companies Act, 1956 for removal and supersession of the Board, before the erstwhile Company Law Board ("CLB") being Company Petition No. 1 of 2015 ("Company Petition"). The NCLT vide its order dated June 4, 2018 rejected the prayer of the Union of India for removal and supersession of the Board of the Company. However, hon'ble tribunal was pleased to order that the Government may nominate not more than 3 directors to the Board of your Company. Your Company has preferred appeal against the said order of the NCLT before the NCLAT. The NCLAT was pleased to stay the order of the NCLT. The Appeal is pending for hearing.

Your Company continues to defend itself in various other litigations filed against it.

The Government of Maharashtra vide its Notification dated September 21, 2016 has attached certain properties of your Company. The Government of Maharashtra again, in the month of April / May 2018, vide its various Notifications attached the various bank accounts, properties, investments and ODIN software, its Intellectual Property rights and its receivables. The said notifications have been challenged before the Hon'ble Bombay High Court (Writ Petition 508 of 2017 and 1181 of 2018). The Hon'ble High Court was pleased to stay the notifications vide its interim order dated October 24, 2018. The Final hearing in the matter has been concluded and the matter is now reserved for orders. EOW has filed charge sheet against your Company before the MPID court, the Company defends the same before the MPID court.

Modulus, USA has filed a case against the Company for alleged infringement of its trademark. The Notice of Motion filed in the said suit was disposed off by a consent order dated October 7, 2016. The Company has filed its written statement.

The Directorate of Enforcement has attached properties to the tune of ₹ 1,350 crores (approx.) vide provisional attachment orders dated September 14, 2016, September 30, 2016 and January 31, 2017 issued under the Prevention of Money Laundering Act, 2002 ("PMLA"). The adjudication proceedings before the Adjudicating Authority under PMLA have been completed in respect of the provisional attachment orders dated September 14, 2016, September 30, 2016 where in the attachments have been confirmed.

The Company has filed an appeal before the Appellate Tribunal established under the PMLA and the same are pending for hearing.

The Directorate of Enforcement has initiated a complaint under the Prevention of Money Laundering Act (PMLA) against your company before the PMLA Spl. Court. The Company defends the same before the PMLA court.

The Company has filed suit for damages against Mr. Ramesh Abhishek, Mr. K. P. Krishnan and Mr. P. Chidambaram before the Hon'ble Bombay High Court for their malafide act against the Company in NSEL payment default. The Hon'ble Bombay High Court issued summons to the aforesaid defendants.

After investigation in the matter of NSEL, EOW, Mumbai has presently filed 4 charge-sheets in the matter. The Company has been named in the charge sheet in December, 2018 copy of which was received by the Company in April, 2019.

Except as stated above, no material changes and commitments have occurred after the close of the financial year till the date of this Report, which significantly affects the financial position of the Company.

There is no direct allegation against the Company in the FIR. Therefore, the Company has filed a petition before the Hon'ble Court for quashing of the said FIR against itself.

The CBI - EOW, has registered complaint against the Company along with certain officials of FMC, SEBI and other for giving illegal benefits to Multi Commodity Exchange of India Limited (MCX) and allowing MCX trading as private commodity exchange. The investigation in the matter is in progress.

- b) The Company has filed a Writ Petition before the Bombay High Court challenging inter alia, the provisions of the MPID Act are violative of the Constitution and the notification dated September 21, 2016, attaching the assets of the Company under the provisions of the MPID. The matter is reserved for order.

The State Government under the MPID Act has attached several Bonds, bank accounts, investments, Fixed Deposits and ODIN software and its receivables of the Company vide gazette notifications dated April 04, 2018; April 07,

2018; April 11, 2018; April 17, 2018; April 19, 2018; May 15, 2018; September 19, 2018 and corrigendum dated September 27, 2018, the Competent Authority has filed Misc. Applications before the MPID Court to make absolute the attached properties mentioned in aforesaid gazette notifications. The Company has filed a writ petition before the Hon'ble Bombay High Court challenging the legality and validity of the aforesaid notifications. The Hon'ble Bombay High Court while admitting writ petition has granted stay to notifications. The writ petition is reserved for order.

- c) Enforcement Directorate ('ED') has attached certain assets of the Company under the provisions of the Prevention of Money Laundering Act, 2002. The three Provisional Attachments Orders have been confirmed by the Adjudicating Authority. The Company has filed Appeals challenging the confirmation orders passed by the Adjudicating Authority, before the Hon'ble Appellate Tribunal. The Hon'ble Appellate Tribunal has granted status quo on orders passed by the Adjudicating Authority confirming three attachments. Matter is pending for hearing. The ED has filed a prosecution complaint before the Spl. PMLA Court against the Company and the same is pending for trial.
- d) The Serious Frauds Investigation Office ('SFIO') published a Public Notice during December 2016 in a newspaper wherein it has been mentioned that the Central Government had directed the SFIO to investigate into the affairs of the Company. B. Audit Report on Consolidated Financial Statements

The Management explanation for qualifications made by the Statutory Auditors in their Independent Auditors Reports dated May 27, 2019 on the Consolidated Financial Statements for the year ended March 31, 2019 are as under:

1. With respect to item no. 1 which pertains to the Company refer paragraph (A) above.
2. With respect to item no. 2 which are pertaining to the qualifications made by the Statutory Auditors of a subsidiary viz National Spot Exchange Limited (NSEL) in their Independent Auditors Report on NSEL's Consolidated Financial Statements for the year ended March 31, 2019 which has been reproduced by the Statutory Auditors of the Company (63moons) in their Independent Auditors Report (Auditors Report) dated May 27, 2019 on the Consolidated Financial Statements for the year ended March 31, 2019,

the explanation given by the management of NSEL and its subsidiary "Indian Bullion Market Association Limited" (IBMA) are as under: ("Company" in the qualifications below refer to NSEL or IBMA, as the case may be)

i) With respect to qualification 2(a) in Auditors Report, explanation of NSEL's Management is as under:

Investigating agencies are investigating genuineness of the warehouse receipts issued by the Exchange as well as the frauds perpetrated by the erstwhile senior officials of the Exchange. The Government by Gazette Notification SO 2529(E) dated September 19, 2014 has withdrawn the Gazette Notification SO 906(E) dated June 05, 2007 (by which the Company was granted exemption under Section 27 of the FCR Act, 1952 for trading of forward contracts of one day duration) with immediate effect and consequently the notification SO 228(E) dated February 06, 2012 and notification SO 2406(E) dated August 06, 2013 ceased to be in force w.e.f. September 19, 2014, as informed to the Company by the FMC vide letter dated November 05, 2014. As the reply to the said SCN has been given and actions, if any, required due to SCN has been taken, including withdrawal of the exemption itself, the Company do not foresee any further consequences on the SCN. FMC / Ministry of Consumer Affairs has not adjudicated the SCN issued to NSEL for violation of the conditions of the exemption notification dated June 05, 2007, which was the subject matter of the SCN. All contracts traded on the Exchange platform were proper and in consonance with applicable laws, exemption notifications and there were no violations in this regard. The Company had obtained a legal opinion on the legality of the contracts traded by the members on the exchange platform. The Company is taking all steps to defend its position, however since all matters are sub-judice, the Company is unable to quantify the impact, if any, of such legal proceedings on the financial statements of the Company.

In case of provision for impairment of Financial assets relating to amounts to be recovered from defaulting members, NSEL has secured decrees / Arbitration Award worth ₹ 3,365 crores and has initiated execution proceedings against the Defaulting members to recover Decretal amounts. Further, the High Court Committee has crystalized the liability

to the tune of ₹ 868.25 crores of defaulting members. The said reports will be converted into the decree once the same are accepted by the High Court.

ii) With respect to qualification 2(b) in Auditors Report, explanation of NSEL's Management is as under:

The Majority in value of the trade and other receivables, loans and advances etc. are under litigation / subject to court orders. Company has already made provision for the majority of the value or disclosed the reason for non-provisioning. Company is making full efforts for recovery of the amount.

DIVIDEND

Your Directors have recommended a dividend of ₹ 2/- per share i.e. 100% on the face value of ₹ 2/- per share for the FY 2018-19. The distribution of said dividend shall be subject to the approval of shareholders at the forthcoming Annual General Meeting and appropriate judicial orders.

As the Shareholders are aware, the following dividends are pending for distribution due to the Hon'ble Bombay High Court order:

- a. The final dividend of ₹ 5/- per share for the FY 2014-15, approved by the shareholders at the Annual General Meeting held on September 30, 2015, could not be paid as the Hon'ble Bombay High Court vide its order dated September 30, 2015 in Notice of Motion no. 1490 of 2015 in Suit no. 121 of 2014 – L.J. Tanna Shares & Securities Pvt. Ltd. and Ors., Vs. Financial Technologies (India) Limited inter-alia directed that pending hearing and final disposal of Notice of Motion "FTIL shall not distribute any dividend amongst its shareholders and shall also not deposit any amount in compliance with Section 123 sub-clause (iv) of the Companies Act, 1956", (to be read as Companies Act, 2013).
- b. Payment of ₹ 2/- per share for FY 2016-17 approved by the shareholders at the 29th AGM held on September 27, 2017 is pending subject to appropriate judicial orders.
- c. Payment of ₹ 2/- per share for FY 2017-18 approved by the shareholders at the 30th AGM held on September 27, 2018, is pending subject to appropriate judicial orders.

Prior to the above mentioned High Court order, your Company has paid consecutive dividends for the past 38 quarters which is in accordance with the sustainable dividend payout policy of the Company and linked to its long term growth objectives.

HUMAN RESOURCES

63 moons believes in providing a great workplace where employees have freedom to ideate towards its core philosophy of entrepreneurship and innovation and at the same time enjoy their work. The Company remains committed to its employees and values each one's contribution in the collective growth. As of 31 March 2019, the company had employee strength of 837. Out of which Women make up 21% of the workforce.

The Company strongly believes and promotes transparent communication policy. In order to ensure this, the HR Dept. has an open door policy where employees can walk-in anytime and meet HR officials during office hours for any assistance. The Company has also enabled confidential email facility to address specific issues of the employees which are otherwise difficult to highlight. The HR dept. is conditioned to be always alert and available for any help sought by the employees.

All our systems and processes are fully automated to ensure that required information is available anytime. On the policies and processes, 63 moons is most compliant and employee friendly.

A number of employee beneficial programs (Insurance, health care etc.) have been initiated and also employee engagement initiatives conducted which makes 63 moons as one of the best companies to work. 63 moons believes in equality of all religions and hence celebrates all major festivals like Ganesh Chaturthi, Navratri, Diwali, Christmas, Holi and Eid with similar zeal. Apart from these festive celebrations, 63 moons also rejoice with yearly recurring functions for employees viz., Annual Day, (staff) Children's Day, Women's Day, International Yoga Day, Independence Day etc. In all such events, employees enthusiastically participate and showcase their, otherwise hidden,

talents. These initiatives not only act as catalyst for fun but also goes a step ahead towards ensuring all round inclusivity to conduct employee connect events for social causes like TATA Mumbai Marathon, Pinkathon (female marathon race) etc.

Company is equally concerned about holistic wellbeing of all employees. To ensure that they are always in the best of their mental and physical health, sessions on various forms of Yoga, TABATA – a high intensity interval training method, as well as Physio Talks (by renowned Sports and Fitness expert) were organized. It also promotes employees to actively participate in Indoor sports competition (JOSHLite) which was organized where employees wholeheartedly participated in different indoor / outdoor games.

We have round the year free health check-up camps for the employees (including sub-staff) where, through Doctor-on-Site, services of specialists like Physician, Gynecologist, Nutritionist, Psychiatrist, Dietician, Dentist, Medical Counselor can be availed. At periodic intervals, we also conduct camps on vital screening, eye check-up, hair and skin analysis etc. These initiatives have not only helped us to strengthen our connect with employees but have also brought in a sense of general wellbeing and happiness at our workplace.

63 moons continues to trust the ability and quality of its Human Resources and has already started working on the next phase of the Company's growth. The Company treats its employees as integral partners of the organisation's growth story.

As the organisation charts new horizons and revises its business strategy for growth in changing circumstances, the employees are adequately equipped with training and such other programmed so that they meet the challenges positively and with an attitude to achieve higher goals in their professional lives.

While the Company continues to hire talent from outside, it also ensures that there is a required investment done to scale up the internal talent by providing behavioral trainings along with domain expertise.

The trainings are on varied scales, like training on Excel, New ME - Break - Free Workshop on Self Awareness & Work-Life Balance, Sales training for Sales team, Velocity Reading Program which helped employee to learn the reading techniques along with the Outbound trainings programs.

As compared to the industry peers, the Company's attrition number is lower, while the focus is on retention of Top and Niche talent. Structured interventions like our grievance redressal process of Prevention of Sexual Harassment (POSH), Information Security Awareness (ISA) and Innovative Thinking for our employees help us to proactively identify and mitigate risks on human resources and any other organization processes.

Winning Awards and accolades at workplace are never possible without employees support and contribution; hence, 63 Moons would like to thank & congratulate each member for the honour as "Maharashtra Best Employer Brand Awards" at the "13th Employer Branding Awards", as well as "National Best Employer Brand Awards 2018" hosted by the World HRD Congress at Taj Lands End, Mumbai. With great pride, we share this award for our organization-wide best practices in Talent Management, Employee Engagement, Retention Strategies, promoting gender diversified workforce, attracting millennials.

ACKNOWLEDGEMENT

Your Directors place on record their gratitude to the Central Government, State Government, clients, vendors, financial institutions, bankers and business associates for their continued support and the trust reposed in the Company.

Your Directors also wish to place on record their appreciation for the continued support of investors, business associates and the contribution made by the employees at all levels.

[Pursuant to Clause (m) of sub-section 3 of Section 134 of the Companies Act, 2013 read with Rule 8 of the Companies (Accounts) Rules, 2014]

(A) Conservation of energy

(i) The steps taken or impact on conservation of energy:

- LED lights are fitted at all the floors at Corporate Office to reduce lighting energy consumption for last Five years leading to considerable energy savings in lighting system.
- 73280 KWH of energy was saved in lighting due to LED fittings in last one year, (April 18 – March 19) resulting in net savings of ₹ 7.15 lakhs per annum.
- Two passenger lifts are being switched off on all Saturdays / Sundays leading to optimum utilisation of lifts and resultant conservation of energy.
- Air conditioning run time has been reduced by rescheduling the start / stop timing of air conditioning system from BMS system.
- Lights and Air conditioning in all cabins in the building are on sensor mode leading to savings in energy consumption.

(ii) The steps taken by the company for utilizing alternate sources of energy besides what is stated in (i):

Water Conservation Initiatives:

- The water supply to urinals and WCs are being controlled to minimal by using urinal sensors and controlled flush valves in WCs. Displayed water savings awareness posters in the Wash rooms and pantry to save water.
- The water treatment plant is being run to the minimum hours to save electrical energy.
- Water harvesting system has been operational through which the rain water is being used in water treatment plant.

Other Initiatives:

- Due to fitment of DGU glasses on façade and window glasses of the building, lot of heat load is reduced, resulting in savings in energy consumption of air-conditioning system.
- The lighting energy is being saved by installation of transparency type centre canopy on terrace top.
- Planned Preventive Maintenance of all electrical equipment's / systems are being done to save considerable electrical energy.
- Waste Segregation: Dry and wet garbage segregated as per BMC norms on daily basis.

(iii) The capital investment on energy conservation equipment's:

There was no new investment made on energy conservation during reporting period.

(B) Technology absorption

(i) Virtualisation & Cloud:

Microsoft Azure was selected as suitable for the modern business like 63moons, the flexible Azure cloud platform allows 63moons to build, deploy, and manage applications by leveraging the power of Microsoft's global network of datacentres. The flexibility helps us with both Platform as a Service (PaaS) and Infrastructure as a Service (IaaS) capabilities. We are easily integrated with existing IT environments which allows 63moons to leverage the power and scalability of a hybrid cloud ICT infrastructure. Now virtual machines can be deployed in minutes providing additional processing power and storage. Azure also allows us to host websites on a secure cloud server that is managed by Microsoft and backed by their uptime guarantee, providing companies and their customers with reliable web hosting services.

(ii) The efforts made towards technology absorption:

Network – Firewall Upgrade

The complexity of modern cyberattacks and advanced hacking methodologies are driving 63moons to look to next-generation firewalls for better security. New web-based malware and intrusion attempts bypass perimeter protections to exploit applications. Users are susceptible to malicious emails or phishing schemes, as these threats are concealed within the content itself, and are delivered over the network undetected.

Benefits:

Next-generation firewalls include integrated intrusion detection systems (IDS) and intrusion protection systems (IPS) that detect attacks based on traffic behavioural analysis, threat signatures or anomalous activity. This functionality helps us to perform deeper inspection and improve packet-content filtering of network traffic up to the application layer. Advance threat protection with the help of built-in malware protection and antivirus. Next generation firewall help us to improve user experience over network applications.

Initially traditional firewall just followed web protocols and weren't enough intelligent to distinguish different type of web traffic. Their inability to inspect data and identify legitimate business applications and attacks force them to either accept or reject all the traffic.

1. Advance threat protection
2. Improved network speed
3. Application awareness

(iii) The benefits derived like product improvement, cost reduction, product development or import substitution:
Office 365 Cloud Benefits:

1. Each user has 1 TB online storage
2. Each user has 100 GB online mailbox with unlimited archival space compare to 100 MB exchange mailbox.
3. Reduced on prem hardware infra, management, backup and datacentre cost by 60%.
4. More mobility – More productivity
5. Allows ICT to shift focus on other projects

(iv) Jira -Software development tools and performance testing hardware:

Keeping up with the times and to establish the link between requirement, issues, development, documentation and testing the following tools were implemented.

1. Service desk: Fully featured service desk with self-service, automation and SLA's.
2. Confluence: Create, collaborate, and keep all your work in one place. Unlike document and file-sharing tools, Confluence is open and accessible, helping the teams, and company do their best work together.
3. Bitbucket: More than just Git code management. Bitbucket gives teams one place to plan projects, collaborate on code, test, and deploy.
4. SourceTree: Simplifies interaction with Git repositories so focus stays on coding. Extremely helpful tool in Visualizing and managing repositories through SourceTree's simple Git GUI.
5. To increase the productivity of the performance testing team, additional hardware was essential. With the implementation of this new hardware, The productivity of the team increased by 40% and turnaround times by 70%.

(v) In case of imported technology (imported during the last three years reckoned from the beginning of the financial year)

No Technology imported.

(vi) The expenditure incurred on Research and Development:

MANAGEMENT DISCUSSION & ANALYSIS

MANAGEMENT DISCUSSION & ANALYSIS

OVERVIEW

Though your Company has been strangled in a maze of legal battles, its fighting spirit has remained unscathed. For over six years now, it has been fighting battles for the victory of truth and justice on one hand and, for the rights of its stakeholders, on the other. Your Company, indeed, feels vindicated by the recent ruling of the Hon'ble Supreme Court that set aside the forced merger order to amalgamate your Company with one of its subsidiaries, the National Spot Exchange Limited (NSEL).

In the light of this historic judgment, your Company's belief in the judiciary has been reinforced and it feels invigorated to fight for rule of law in the other legal hurdles as well, strongly believing that that truth shall ultimately prevail!

The economic scenario of the year bygone sets the tone for better future prospects especially when the country has a firm and stable government at the Centre in to carry forward reforms, initiatives and programmes that are key to catapult the country into a \$ 5 trillion economy by 2024.

GLOBAL ECONOMIC REVIEW

The financial year 2018-19 was filled with mixed outcomes owing to numerous events that impacted the economic activities worldwide. Amidst challenges, the global economy grew at 3.6% in 2018 as against 3.8% growth recorded during 2017, as per Economic Survey 2018-19.

Among the advanced economies, the US economy grew at 2.9% in 2018 (as compared to 2.2% in 2017) just a tad lower than the expected and desired rate of growth of 3% by the US President, as stated in a report of National Public Radio Inc. This rate of growth, as a Washington Post report says, has been realised on the back of the finest pace of activities in the economy owing to monetary stimulus package of the government and the tax cuts to the tune of \$1.5 trillion.

The European Union (EU), too, has been witnessing soft domestic demand and a lull in manufacturing activity. According to the International Monetary Fund, the

economic performance of UK's economy, dragged a little due to uncertainties surrounding the Brexit issue owing to which it posted lower growth of 1.4% in 2018 as against growth of 1.8% in 2017. The Brexit issue is likely to prolong further consequently shadowing the pace of economic activities in coming times.

Both, the Organisation for Economic Cooperation & Development (OECD) and the IMF unequivocally state that the Chinese economy, the largest among the emerging markets and developing economies (EMDEs), witnessed growth of 6.6% in 2018 which was a shade lower compared to 6.8% recorded in 2017 because of subdued domestic as well as external demand that led to lower industrial activity. Further, the economy looks at grim scenario in current times due to rising international trade tensions taking heavy toll on the economic activities.

Of late, the heightened tensions in international trade due to economic sanctions, raising of high tariffs and trade barriers along with restrictions on technological transfers with China by the US government portends uncertain future. As such these de-globalisation moves have already had ill impact on the subject economies, and spill-over effect of the same on the world trade thereby burgeoning the pressure on the financial markets world-over.

In the light of the above factors, many central banks across the world have changed their monetary policy stance to accommodate the expansionary moves of the governments. The US Federal Reserve is reportedly exploring options for policy rate cuts between 25 basis points (bps) to 50 bps. The European Central Bank (ECB), following the footsteps of the US Fed, announced postponement of hikes in interest rates in March 2019, till the end of 2019. These sudden changes in the direction of monetary policies of the US Fed and ECB makes the economic outlook a little more uncertain as well as uncanny in nature in the near term.

Going forward, apart from the looming threat of trade tensions, exacerbated by the continued crude oil production cuts by OPEC, Russia and disruptions in crude oil supplies from Venezuela and Iran due to US sanctions, the crude oil prices are likely to rise further, which is likely to impact the overall economic activities globally.

INDIAN ECONOMIC REVIEW

Turning to the domestic economy, the Economic Survey of 2018-19 reveals that despite a moderation in GDP growth at 6.8% for 2018-19 as against 7.2% growth of 2017-18, the Indian economy continues to hold the tag of the fastest growing economy in the world with fair macroeconomic stability. The monetary authorities are satisfied managing the consumer price inflation within the reasonable range. Nevertheless, downward revision of estimated GDP growth to 6.8% from earlier projected 7.0% growth suggests slowdown creeping in. It is widely believed that the slowdown seen during Q4 of 2018-19 was due to deceleration seen in private final consumption, which is attributed to low farm incomes in rural areas as well as the financial stress arising from non-banking financial company (NBFC) sector crisis affecting home and vehicle finances.

Keeping in mind, the quiet entry of sluggishness into the economy, the RBI's Monetary Policy Committee has decided to change the stance of monetary policy from calibrated tightening to neutral, and thereby implementing 25 basis points cut in the policy repo rate thrice since February 2019 and subsequently, in April 2019 and in June 2019 taking the policy rate to 5.75%.

However, the latest SBI EcoWrap report does say that the Indian economy has improved outlook based on the annual investment as seen particularly in the new investment projects wherein the share of private sector has increased to 66% in 2018-19 from 44% recorded in 2014-15.

Also, global confidence on the Indian economy has apparently improved during the year under review if one goes by the indicators such as gross Foreign Direct Investment (FDI) inflows in services sector that rose by 36.5% year-on-year to rise to \$9.15 billion in 2018-19 as compared to FDI of \$6.7 billion India attracted during 2017-18. This healthy increase in FDI could be attributed to government's several measures like fixing timelines for approvals and streamlining procedures that led to improvement in Ease of Doing Business ranking. The World Bank's Report on Ease of Doing Business Ranking, 2019, showed India's ranking improving to 23 points to 77th rank in 2018.

Government's various initiatives have been witnessing healthy outcomes, among others the reforms in tax administration machinery has led to increase in effective taxpayer base that grew by 13.5% during assessment year 2018-19, which is the highest rate in the last six years. The increase in taxpayer base also portends that the brisk economic activities are adding more money in the hands of the common man.

Meanwhile, the government has continued, through its budgetary measures, to emphasize on flagship projects to pump-prime the economy with a vision to turn it

into a \$5 trillion by 2024. The government has already embarked upon mega ventures such as the one where the Cabinet Committee on Economic Affairs (CCEA) has approved launching of Pradhan Mantri Gram Sadak Yojana – III at an estimated cost of ₹ 80,250 crore for consolidating routes of 125,000 km road thereby linking major rural areas through connecting habitations to Gramin Agricultural Markets, Higher Secondary Schools and Hospitals. These and such other moves will ensure gainful employment opportunities across the length and breadth of the country thereby propelling growth.

Besides, the budgetary measures proposed to borrow sovereign bonds internationally has met with mixed reactions. On one hand, it is viewed that this move would relieve the burden of mobilising funds in the domestic debt market which looks to be in tatters due to the ongoing financial crisis in the NBFC segment and, also keep the funds available for private sector investment. On the other hand, there is a word of caution for the government as the currency risk would be significant, infusing fresh rupee into the system by the RBI as well as uncontrollable cost of hedging and borrowing for revenue gap may result in passing in foreign currency burden to future generations.

ECONOMIC OUTLOOK

The Indian economy presents a mixed picture as certain pockets hold key to healthy growth while in others the growth impulses are seen to be weakening significantly owing to moderation in private consumption and investments. Some economists have projected cloudy economic landscape in near to short term period owing to further flaring up on trade tensions on the global horizon, disruptions in crude oil supplies leading to flaring price spiral and the stress experienced in the financial markets due to crisis in the NBFC segment.

The Government of India has already unveiled ambitious initiatives such as Digital India 2.0 connecting India by freeing up additional spectrum for Wi-Fi operations which will bolster growth of digital services. This, along with a plan to roll out one million interoperable Wi-Fi hotspots by 2020 in the areas of low tele-network coverage, will finally put India at par with global standards in terms of public internet access. These initiatives will prop up opportunities for companies providing services in digital arena and by this means would spur the digital revolution for inclusive growth.

Alongside the government's ambitious plans, your Company, with a dynamic technology and human capital at its disposal, is all set to contribute to fulfilling the vision of Digital India by way of its innovative tech products and solutions as part of our path-breaking journey towards creating value for each of our stakeholders.

NEW VISION-MANAGEMENT DISCUSSION & ANALYSIS

Your Company commands leadership position in providing next-gen technology solutions and platforms for financial markets for enabling seamless transactions across multi-assets class markets and hence looks forward to better times ahead in visualizing the dream of **Digital India 2.0**.

It goes without saying that your Company, with its rich talent pool and technological innovations, is adequately equipped to partner with various government initiatives like Start Up India, Skill India and of course, Make in India. Incidentally, your Company has been a spectacular and standing testimony of all these nation-building initiatives ever since its inception.

Your Company has immense faith in these ambitious governmental initiatives and hopes that they will streamline procedures, expedite new ventures and start-ups, generate large-scale employment, and usher in an era of unparalleled growth and prosperity for the country.

Independent Auditors' certificate on compliance with the Corporate Governance requirements under SEBI [Listing Obligation and Disclosure Requirements] Regulation, 2015

To the members of 63 moons technologies limited

1. We have examined the compliance of conditions of corporate governance by **63 moons technologies limited** ("the Company"), for the year ended on 31 March 2019, as stipulated in regulation 17 to 27, clause (b) to (i) of regulation 46(2) and paragraphs C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended from time to time ("SEBI Listing Regulations").

Management's responsibility for compliance with the conditions of SEBI Listing Regulations.

2. The compliance of conditions of Corporate Governance is the responsibility of management. This responsibility includes the design, implementation and maintenance of internal control to ensure compliance with the conditions of corporate governance stipulated in the SEBI Listing Regulations, including preparation and maintenance of all relevant supporting records and documents.

Auditors' responsibility

3. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of corporate governance. It is neither audit nor an expression of opinion on the financial statements of the Company.
4. We have examined the books of accounts and other relevant records and documents maintained by the Company for the purpose of providing reasonable assurance on the compliance with corporate governance requirements by the Company for the year ended 31 March 2019.
5. We have carried out an examination of the relevant records of the Company in accordance with the Guidance Note on Reports or Certificates for Special Purposes (Revised 2016) (the 'Guidance Note') issued by the Institute of Chartered Accountants of India ("the ICAI"), the Standards on Auditing specified under Section 143(10) of the Companies Act, 2013, in so far as applicable for the purpose of this certificate. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
6. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

7. In our opinion and to the best of our information and according to explanations given to us, we certify that the Company has complied with the conditions of corporate governance as specified in regulation 17 to 27, clause (b) to (i) of regulation 46(2) and paragraphs C, D and E of Schedule V of the SEBI Listing Regulations, as applicable during the year ended 31 March 2019.
8. We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Restriction on use

9. The certificate is addressed and provided to the members of the Company solely for the purpose to enable the Company to comply with the requirements of aforesaid SEBI Listing Regulations and it should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this certificate is shown or into whose hands it may come without our prior consent in writing.

STANDALONE FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT

To the members of 63 moons technologies limited

REPORT ON THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

QUALIFIED OPINION

We have audited the accompanying standalone financial statements of **63 moons technologies limited** (hereinafter referred as "the Company"), which comprise the balance sheet as at 31 March 2019, the statement of profit and loss (including other comprehensive income), the statement of cash flows and the statement of changes in equity for the year then ended and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, *except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report*, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (hereinafter referred as "the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended (hereinafter referred as "Ind AS") and other accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at 31 March 2019, and its profit / loss (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

BASIS FOR QUALIFIED OPINION

Note no. 58, 59, 60 and 61 form basis for our qualified opinion. As stated by the Management of the Company in Note 58 to the standalone financial statements, Civil Suits have been filed against the Company in relation to event occurred on NSEL's trading platform. These matters are pending at various stages of adjudication. As stated in the said note, the Management of the Company does not foresee that the parties who have filed Civil Suits would be able to sustain any claim against the Company. In addition, as stated by the management in note 58, 59, 60 and 61 to the standalone financial statements, there are First Information Reports / complaints / letters / orders / notices registered / received against various parties including the Company from / with the Economic Offences Wing of the Mumbai Police (EOW), Central Bureau of Investigation (CBI), Home Department - Government of Maharashtra under MPID Act, the Directorate of Enforcement and the Serious Fraud Investigation Office (SFIO), closure report etc. Above matters are pending at various stages of adjudication / investigation.

In this regard, the management and those charged with Governance have represented to us that other than as stated in the said notes to the standalone financial statements, there are no claims, litigations, potential settlements involving the Company directly or indirectly which require adjustments to / disclosures in the standalone financial statements and that the ability of the Company to carry out its day-to-day operations / activities is not seriously affected due to any such letters / orders / notices as aforesaid.

In the light of the above representations regarding the ongoing investigations and matters, the outcome of which is not known and is uncertain at this stage, we are unable to comment on the consequential impact in respect of the same on the standalone financial statements for the year ended 31 March 2019.

We conducted our audit in accordance with the Standards on Auditing (hereinafter referred as "SAs") specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's responsibilities for the audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

EMPHASIS OF MATTERS

- A. We draw attention to Note 57 to the standalone financial statements. Government of India has filed the Company Petition before the Principal Bench of the Company Law Board, under the Companies Act, 1956, seeking inter alia removal and supersession of the Board of Directors of the Company. The matter is pending before National Company Law Appellate Tribunal ("NCLAT") and is currently sub-judice.
- B. We draw attention to Note 49 to the standalone financial statements, regarding utilisation of unexpired MAT credit entitlement by the Company. The Company has a total MAT credit entitlement of ₹ 8,950.29 lakhs as at 31 March 2019. Based on the projections made by the Company's Management regarding income-tax liability of the Company, Management is of the view that the Company will be able to utilise the unexpired MAT credit entitlement in eligible projected years.

Our opinion is not qualified in respect these matters of emphasis.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements taken as a whole, in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined the key audit matters as described below:

- A. Determination of fair value of carrying amounts of investments
- B. Accounting treatment for contracts with customer
- C. Contingent liabilities

INDEPENDENT AUDITOR'S REPORT

To the members of 63 moons technologies limited

A. Determination of fair value of carrying amounts of investments

Description of key audit matter

The company has investments net of provision of ₹ 1,19,421.29 lakhs as at 31 March 2019 consisting of Investments in the equity instruments of subsidiaries, third party bonds, mutual funds, other equity instruments etc. and are valued as per Ind AS 109, "Financial instruments". By their nature, these are subjected to various factors related to respective investee entities including but not limited to, economic factors, business dynamics, financial performance etc and impact a fair valuation of these investments. Accordingly, this necessitates a close monitoring by the management of these situations and judgement, based on appropriate evaluation criteria to arrive at a fair value of carrying amounts of these assets as at balance sheet date. Against this background, this matter was of significance in the context of our audit.

Description of Auditor response

We have carried out a comparison between carrying value of investment as at balance sheet date and net-worth as reflected by latest audited financials of investee companies. Wherever carrying amount of investment is more than the net-worth of investee company we have discussed and enquired with the management the process followed by them to identify permanent diminution, if any, in the value of investment and necessary accounting treatment adopted in the books. In addition, management has provided us with the future business plans and how in their business judgement such gap between investment and net-worth of the investee is either compensated with improving business conditions or valuations of such entities. In case of business valuations carried out by third party professionals and provided to us by the management of some of the investee companies, we have verified reasonableness of the assumptions, source data considered etc. while arriving at valuation. Going forward our regular audit procedures are designed to keep a follow up on outcomes of these management assertions.

B. Accounting treatment for contracts with customer

Description of key audit matter

Revenue amounting to ₹ 14,719.07 lakhs reported in the company's financial statements pertains to customer specific contracts and the same are required to satisfy the recognition and measurement criteria as prescribed in IND AS 115, 'Revenue from Contracts with Customers'. Company's revenue is bifurcated into two main parts (a) revenue from software products (IPR based licenses) and (b) revenue from software services. Certain contracts necessarily involve estimations and certain assumptions to be made by the management in determining the quantum of revenue to be recognised in specific period. This inherently creates certain uncertainties and results in complexities in accounting treatment wherein incorrect assumptions and estimates can lead to revenue being recognised in incorrect accounting periods thereby impacting the results. Considering these factors, in the context of our audit this matter was of significance and hence a key audit matter.

Description of Auditor's response

With a view to verify the reasonableness of the revenue accounting we carried out following procedures:

- a) Understanding the internal control environment for revenue recognition and to test check with a view to verify its operating effectiveness;
- b) Major contracts were read and analysed to verify correctness of accounting of revenue as calculated by the Company's Management;
- c) Discussed with the management process of identification of variable consideration and verified the working on test basis;
- d) Verified the working of unbilled revenue and unearned revenue on test basis;
- e) Performed analytical procedures and obtained reasons for major variances;
- f) Ensured that revenue is recognized in accordance with accounting policy of the Company and Ind AS 115;

C. CONTINGENT LIABILITIES

Description of key audit matter

Contingent liabilities as at 31 March 2019 amounted to ₹ 23,001.67 lakhs, which mainly include pending income-tax matters and certain legal cases other than those forming basis for our qualified opinion. Contentious income tax matters relate to interpretational differences between the company and various tax authorities, certain matters subjected to internal circulars and guidelines within tax authorities irrespective of stated legal provisions sometimes requiring decision making only by higher tax authorities through appellate procedures resulting in delays in outcome. Given the current legal and operational embargo that the company is facing, it is subjected the multiple litigations by and on the company sub-judice at various courts and levels requiring the Company's Management to exercise significant judgement on these outcomes to determine the liabilities that are contingent in nature. Considering these factors, in the context of our audit, this matter was of significance and hence a key audit matter.

Description of Auditor's response

With a view to ensure that disclosures made by the company in Note no. 31 are determined appropriately and prudently, we obtained information of pending income-tax matters from the Company and have obtained / verified the documents including the communication with the departments provided by the Company. In addition, we have carried out comparison with respect to previous year and obtained / reviewed documentation for additional tax matters arisen during the year. Our tax team has carried out discussions with the Company's internal tax team on these cases mainly with respect to issues raised by various tax authorities in their communication to the company to substantiate company's assessment that there are no present obligations perceived.

INDEPENDENT AUDITOR'S REPORT

To the members of 63 moons technologies limited

With respect to legal cases disclosed to us, we have obtained updates on pending cases from the management and discussed it with the Company's internal legal department, wherever necessary. We carried out a comparison between the latest status and immediate previous status. While comparing, we have tried to ascertain the appropriateness, without being judgemental, of the management judgement exercised in updating to the latest status and have tried to evaluate an impact on such ascertainment of whether the company liabilities to which it is contingently liable are appropriately ascertained with prudence principle.

INFORMATION OTHER THAN THE STANDALONE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON (HEREINAFTER REFERRED AS "OTHER INFORMATION")

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Directors' Report including any annexures thereto, Corporate Governance Report and Management Discussion and Analysis, but does not include the standalone financial statements and our auditor's report thereon.

These reports are expected to be made available to us after the date of this auditor's report. Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. When we read these reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and describe actions applicable as per applicable laws and regulations.

RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Company's Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- A. Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- B. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls
- C. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- D. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

INDEPENDENT AUDITOR'S REPORT

To the members of 63 moons technologies limited

- E. Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of section 143(11) of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143 (3) of the Act and based on our audit, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The balance sheet, the statement of profit and loss (including other comprehensive income), statement of changes in equity and the statement of cash flows dealt with by this report are in agreement with the books of account;
 - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014;
 - e) On the basis of the written representations received from the directors as on 31 March 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2019 from being appointed as a director in terms of section 164(2) of the Act;
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting;
 - g) With respect to the other matters to be included in the auditor's report in accordance with the requirements of section 197(16) of the Act, as amended, we report that in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act; and
 - h) With respect to the other matters to be included in the auditor's report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations as at 31 March 2019 on its standalone financial statements, *to the extent it is ascertainable* [Refer Note 31 to the standalone Ind AS financial statements and 'Basis for Qualified Opinion'].
 - ii. The Company does not have any outstanding long-term contracts including derivative contracts as on 31 March, 2019.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 2(f) under the heading, "Report on other legal and regulatory requirements" of our report on even date:

REPORT ON THE INTERNAL FINANCIAL CONTROLS

[UNDER CLAUSE (i) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")]

OPINION

We have audited the internal financial controls over financial reporting of **63 moons technologies limited** (hereinafter referred as "the Company") as of 31 March 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion and to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2019, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (hereinafter referred as "the guidance note") issued by the Institute of Chartered Accountants of India (hereinafter referred as "ICAI").

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's Management and Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the guidance note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the guidance note and the SAs issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those SAs and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 2(f) under the heading, "Report on other legal and regulatory requirements" of our report on even date:

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES

forming part of the Financial Statements for the year ended March 31, 2019

1 COMPANY OVERVIEW

63 moons technologies limited (the 'Company') is a public limited company incorporated and domiciled in India. The Company's registered office is at Shakti Tower – 1, 7th floor, Premises – E, 766, Anna Salai, Thousand Lights, Chennai – 600 002, Tamilnadu, India and Corporate office at FT Tower, CTS No. 256 & 257, Suren Road, Chakala, Andheri (East), Mumbai – 400 093, Maharashtra, India.

The principal activity of the company is that of Computer Programming, Consultancy and related services. The Company, is among the global leaders in offering technology IP (Intellectual Property) and domain expertise to create and trade on next-generation financial markets, that are transparent, efficient and liquid, across all asset classes including equities, commodities, currencies and bonds among others. The Company is pioneer in end to end Straight Through Processing (STP) solution that support high density transactions. It has developed proprietary technology platform benchmarked against global standard which give it a decisive edge in driving mass disruptive innovation at the speed and cost of execution unmatched in the financial market industry.

2 BASIS OF PREPARATION

2.1 Statement of compliance and Basis of Preparation

These financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ("the 2013 Act") read with the Companies (Indian Accounting Standards) Rules, 2015, subsequent amendments there to and the relevant provisions of the 2013 Act.

The financial statements have been prepared on accrual basis using the historical cost measurement except for the following material items that have been measured at fair value as required by relevant Ind AS:

- Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments)
- Share based payment transactions
- Defined benefit and other long-term employee benefits

The accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

These Ind-AS compliant financial statements were approved by the Board of Directors on dated May 27, 2019.

2.2 Functional and Presentation Currency

These Separate financial statements are presented in Indian Rupees, which is the Company's functional currency. All amounts have been rounded off to the nearest lakhs, unless otherwise indicated.

2.3 Use of judgements and estimates

The preparation of the financial statements in conformity with Ind AS requires management to make certain estimates, judgements and assumptions. These affect the application of accounting policies, the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the reporting date of the financial statements and reported amounts of income and expenses during the period. Accounting estimates could change from period to period and the actual results could differ from those estimates. These are reviewed by the management on an on-going basis and appropriate changes in estimates are made prospectively as management becomes aware of changes in circumstances surrounding the estimates. The management believes that the estimates used in preparation of these financial statements are just, prudent and reasonable.

The areas involving critical estimates & judgements are:

Note Reference	Critical Estimates & Judgements
Note 3.14, 11 and 19	Estimation of income taxes, Recognition and utilisation of deferred tax assets and MAT credit entitlement and utilisation.
Note 3.17, 31	Measurement of contingencies key assumptions about the likelihood and magnitude of an outflow of resources.
Note 3.8, 3.9, 3.10 and 29	Assessment of carrying value / fair value of financial instruments.
Note 3.12 and 39	Measurement of defined benefit obligations: key actuarial assumptions.
Note 3.5, 3.6, 3.7, 5, 6 and 7	Estimation of useful life of tangible and intangible assets.

NOTES

3 SIGNIFICANT ACCOUNTING POLICIES

The Company has consistently applied the following accounting policies to all periods presented in these financial statements.

3.1 Revenue

With effect from April 01, 2018, the Company has applied Ind AS 115 Revenue from Contracts with Customers which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised. The Company has, as permitted by Ind AS 115, opted not to restate contracts with customers that were completed before the date of transition (April 01, 2018). A completed contract is a contract for which the entity has transferred all of the goods or services identified in accordance with Ind AS 18, the previous revenue standard. Ind AS 115 is applied retrospectively only to contracts that are not completed as at 1 April 2018. The effect of application of Ind AS 115 is not material.

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration expected to receive in exchange for those products or services. Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, service level credits, performance bonuses, price concessions and incentives, if any, as specified in the contract with the customer. Revenue also excludes taxes collected from customers.

The revenue from the sale of software products (IPR based licenses) is recognised on delivery / granting of right to use. In respect of service contracts, where the performance obligations are satisfied over time and where there is no uncertainty as to measurement or collectability of consideration, is recognized over time. Revenue from fixed price service contracts is recognised based on acts performed as specified in the contracts over the contract period where performance of several acts is required over that period. In the case of time and material contracts, revenue is recognised on the basis of hours completed and material used. Revenue from annual maintenance contracts, lease of licenses, IT infrastructure sharing income and Shared Business Support Services is recognised proportionately over the period in which the services are rendered / licenses is leased. Revenue from sale of goods is recognised on transfer of control over to the goods to the customer. Sales are recorded net of returns (if any), trade discounts, rebates, and goods and service tax. Projected losses, if any, are provided in entirety as per Ind AS based on management's current estimates of cost to completion arrived at on the basis of technical assessment of time and effort required and estimates of future expenditure.

Revenues in excess of invoicing are classified as contract assets (which are referred to as unbilled revenue). Contract assets are classified as unbilled receivables (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms. Invoicing in excess of revenues are classified as contract liabilities (which are referred to as unearned revenues)

3.2 Interest Income

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

3.3 Dividends

Dividends are recognised in profit or loss only when the right to receive payment is established.

3.4 Investment Property Rental Income

Rental income from investment property is recognised as revenue on a straight-line basis over the term of the lease and presented as other income. Lease incentives granted are recognised as an integral part of the total rental income, over the term of the lease.

3.5 Property, Plant and Equipment

i. Recognition and Measurement

Property, Plant and Equipment (PPE) are carried at cost less accumulated depreciation and accumulated impairment losses, if any.

The cost of PPE comprises its purchase price including import duties and non-refundable purchase taxes after deducting trade discounts and rebates and any costs directly attributable to bring in the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. Subsequent expenditure relating to PPE is capitalised only when it is probable that future economic benefits with these will flow to the company and cost of the item can be measured reliably. Repairs & maintenance costs are recognised in Statement of Profit and Loss as and when incurred.

PPE which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress"

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset form part of the cost of the asset. If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the assets) is recognised in Statement of Profit & Loss.

NOTES

forming part of the Financial Statements for the year ended March 31, 2019

As per Ind AS 101, First Time Adoption of Ind AS, the Company continues to adopt the provisions of para 46 / 46A of Accounting Standard-11, "The Effects of Changes in Foreign Exchange Rates". Accordingly, exchange differences arising on restatement / settlement of long-term foreign currency borrowings as of April 01, 2015 (Date of Transition to Ind AS) relating to acquisition of depreciable assets are adjusted to the cost of the respective assets and depreciated over the remaining useful life of such assets and exchange differences not relating to depreciable assets are amortised over remaining tenure of the borrowings.

ii. Subsequent Expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

iii. Depreciation

Depreciation is calculated to write off the cost of items of property, plant and equipment less their estimated residual values using the straight-line method over their estimated useful lives. Leased assets and leasehold improvements are depreciated over the shorter of the lease term and their useful lives.

Depreciation methods, useful lives and residual values are reviewed annually and the effects of any changes in estimates are accounted for on a prospective basis.

Freehold Land is not depreciated. For others, depreciation has been provided on the basis of estimated useful life as follows.

Assets	Useful Life
Office Equipment	2 to 5 Years
Electrical Installations	10 Years
Computer Hardware	3 to 6 Years
Furniture and Fixtures	5 to 10 Years
Vehicles	8 Years
Building	58 Years
Leasehold improvements	Over lease period

Assets costing upto ₹ 5,000/- are fully depreciated in the year of acquisition.

iv. Reclassification to Investment Property

When the use of a property changes from owner-occupied to investment property, the property is reclassified accordingly.

3.6 Intangible Assets

Intangible assets are stated at cost less accumulated amortization and impairment, if any. The cost of intangible assets comprises its purchase price including import duties and non-refundable purchase taxes after deducting trade discounts and rebates and any costs directly attributable to bring in use. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. Research costs are expensed as incurred. Amortization methods and useful lives are reviewed annually and the effects of any changes in estimates are accounted for on a prospective basis.

The Company amortises intangible assets using the straight-line method over the estimated useful life as follows:

- Patents, copyright and other rights – 8 years
- Computer software – 4 to 6 years

3.7 Investment Property

Investment property is measured at cost less impairment, if any. Any gain or loss on disposal of investment property (calculated as the difference between the net proceeds from disposal and the carrying amount of the item) is recognised in Statement of Profit and Loss. Subsequent to initial recognition, investment property is measured at cost less accumulated depreciation and accumulated impairment losses, if any. Depreciation is calculated using the straight-line method over their estimated useful lives. Fair value is calculated using discounted cash flow method and other relevant factors, if any. Useful life of the investment property is considered as 58 year or lease period.

3.8 Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. The classification of financial instruments depends on the objective of the business model for which it is held. Management determines the classification of its financial instruments at recognition.

NOTES

forming part of the Financial Statements for the year ended March 31, 2019

Classification	Initial Recognition	Subsequent Recognition
Non-derivative financial instruments		
a) Financial Assets at amortised cost: If it is held within business model where purpose is to hold asset for contractual cash flows that are solely payments of principal and interest on principal outstanding	At fair value including directly attributable transaction costs	Subsequently carried at amortised cost using effective interest rate method less any impairment loss.
b) Financial assets at fair value through other comprehensive income: if it is held within business model where purpose is to hold asset for contractual cash flows that are solely payments of principal and interest on principal outstanding and also selling financial assets	At fair value including directly attributable transaction costs.	All changes in value excluding interest are recognised in OCI. Interest is recognised on effective interest rate method in Statement of Profit & Loss.
c) Financial assets at fair value through statement of profit and loss: if financial asset is not classified in any of the above categories	At fair value excluding directly attributable transaction costs. Transaction costs are recognised in Statement of Profit and Loss	Fair valued at each subsequent reporting date.
d) Trade Receivable and Loans:	At fair value.	Subsequently held at amortised cost, using the effective interest rate method, net of any expected credit loss.
e) Investment in Subsidiaries	At cost	At cost net of expected credit loss
f) Other Equity Investments	At fair value	And changes through Statement of Profit and Loss.
g) Financial Liabilities	At fair value including directly attributable transaction costs	At amortised cost: using effective interest method except certain items.
Derivative financial instruments		
Financial assets or financial liabilities	At fair value	At fair value through statement of profit and loss: if financial assets or financial liabilities are not designated as hedges.
Share capital		
	Ordinary shares classified as equity.	Incremental costs directly attributable to the issuance of new ordinary shares and share options are recognized as a deduction from equity, net of any tax effects.

Financial assets are reclassified subsequent to their recognition if and in the period the Company changes its business model for managing financial assets.

Derecognition of financial instruments:

A financial asset is derecognised by the Company only when:

- Contractual right to receive cash flows from the assets expires; or
- the Company has transferred the rights to receive cash flows from the financial asset; or
- if the Company has not retained control of the financial asset; or
- the Company has transferred substantially all risks and rewards of ownership of the financial asset.

Any gain or loss on derecognition is recognised in statement of profit and loss including cumulative gain or loss in case of financial assets subsequently valued at fair value through other comprehensive income. In case of financial assets subsequently fair valued through profit or loss, gain or loss is presented on a net basis.

A financial liability (or a part of a financial liability) is derecognized when the obligation specified in the contract is discharged or cancelled or expires. Any gain or loss on derecognition is recognised in statement of profit and loss.

NOTES

3.9 Measurement of Fair Value

Company's accounting policies and disclosures require the measurement of fair values, for both financial and non- financial assets and liabilities. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the Company has access at that date. The Company regularly reviews significant unobservable inputs and valuation adjustments. In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized.

3.10 Impairment

i. Financial Assets:

For the financial assets which are not fair valued through profit or loss, the Company tests loss allowances using the expected credit loss (ECL) model and recognises, if any.

Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognised as an impairment gain or loss in profit or loss.

ii. Non-financial Assets:

The carrying amounts of the Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then asset's / cash generating unit (CGU)'s recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is estimated. An impairment loss is recognised if the carrying amount of an asset / CGU exceeds its recoverable amount. Impairment losses are recognised in profit or loss. Impairment losses recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized

3.11 Foreign Currency Transactions

Transactions in foreign currencies are translated into the respective functional currencies of the Company at the exchange rates at the dates of the transactions or at rates that closely approximate the rate at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary items that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction and are not retranslated. Foreign currency differences are generally recognised in profit or loss. The Company is continuing the policy adopted as per the previous GAAP for accounting for exchange differences arising from translation of long term foreign currency monetary items and accordingly exchange differences relating to long term monetary items are dealt with in the following manner:

- i. Exchange differences arising during the year on settlement / restatement, in so far as they relate to the acquisition of a depreciable capital asset are added to / deducted from the cost of the asset and depreciated over the remaining useful life of such assets.
- ii. In other cases, such differences are accumulated in a "Foreign Currency Monetary Item Translation Difference Account" and amortised to the statement of profit and loss over maturity period / upto the date of settlement of such monetary item, whichever is earlier. The unamortised exchange difference is carried under Other Equity as "Foreign Currency Monetary Item Translation Difference Account (FCMITDA)"

3.12 Employee Benefits

i. Short-term Obligations

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees is recognised as an expense during the period when the employee renders those services.

NOTES

forming part of the Financial Statements for the year ended March 31, 2019

ii. Other Long-term Employee Benefit Obligations

Compensated Absences:

The Company has a policy on compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absences is determined by actuarial valuation performed by an independent actuary at each balance sheet date using projected unit credit method on the additional amount expected to be paid / availed as a result of the unused entitlement that has accumulated at the balance sheet date and recognised in Statement of Profit and Loss. Expense on non-accumulating compensated absences is recognized in the year in which the absences occur.

Defined Benefit Plan

The Company provides for gratuity, a defined benefit retirement plan ('the Gratuity Plan') covering eligible employees. The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated at each reporting date by actuaries using the projected unit credit method.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost. The amount of net interest expense calculated by applying the liability discount rate to the net defined liability or asset is charged or credited to 'Finance Cost' in Statement of Profit and Loss.

Defined Contribution Plans

The Company pays provident fund contributions to publicly administered provident funds as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due.

iii. Share-based Payment Arrangements

The Company recognizes compensation expense relating to share-based payments in net profit using fair-value in accordance with Ind AS 102, Share-based Payment. The estimated fair value of awards is charged to income on a straight-line basis over the requisite service period for each separately vesting portion of the award as if the award was in-substance, multiple awards with a corresponding increase to share options outstanding account.

3.13. Borrowing Costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use or sale. All other borrowing costs are charged to revenue.

3.14 Income Tax

Income tax expense comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to a business combination, or items recognised directly in equity or in OCI.

i. Current Tax

Current tax comprises the expected tax payable or recoverable on the taxable income or loss for the year and any adjustment to the tax payable or recoverable in respect of previous years. The amount of current tax payable or recoverable is the best estimate of the tax amount expected to be paid or received. It is measured using tax rates enacted or substantively enacted at the reporting date. Interest income in respect of income tax is shown under Other Income and interest expenses and penalties, if any, are included in Current Tax Expense. Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amount and there is an intention to settle the assets and liabilities on net basis.

Minimum Alternative Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the statement of profit and loss. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income tax during the specified period.

ii. Deferred Tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date

NOTES

forming part of the Financial Statements for the year ended March 31, 2019

Deferred Tax is not recognised for:

- temporary differences on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss;
- temporary differences related to investments in subsidiaries, Associates and joint arrangements to the extent that the Company is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future; and

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Future taxable profits are determined based on business plans of the Company and the reversal of temporary differences. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised. Unrecognised deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

3.15 Operating Cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

3.16 Provisions

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

3.17 Contingent Liabilities and Contingent Assets

A present obligation that arises from past events, where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Claims against the Company, where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities.

Contingent assets are not recognised in the financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognised.

3.18 Leases

Assets taken / given on lease under which all the risks and rewards of ownership are effectively retained by the lessor are classified as operating lease. Lease payments / income under operating leases are recognised as expenses / income on a straight line basis over the lease term in the Statement of Profit and Loss unless except where the lease payments are structured to increase in line with expected general inflation.

Leases under which the company assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of the minimum lease payments at the inception of the lease, whichever is lower.

3.19 Earning Per Share

Basic earnings per share is computed by dividing the profit / (loss) after tax attributable to equity shareholder of the company by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax attributable to equity shareholder of the company as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

4 IND AS ISSUED BUT NOT YET EFFECTIVE

Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2018 has notified the following new and amendments to Ind ASs which the Company has not applied as they are effective subsequent years as mentioned below:

Ind AS 116 – Leases (applicable for annual periods beginning on or after April 1, 2019)

Ind AS 116 – Leases

In January 2016, the IASB issued Ind AS 116 – Leases which sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract and replaces the previous standard on leasing, Ind AS 17 – Leases. Ind AS 116, which is not applicable to service contracts, but only applicable to leases or lease components of a contract, defines a lease as a contract that conveys to the customer (lessee) the right to use an asset for a period of time in exchange for consideration. Ind AS 116 eliminates the classification of leases for the lessee as either operating leases or finance leases as required by Ind AS 17 and instead, introduces a single lessee accounting model whereby a lessee is required to recognise assets and liabilities for all leases with a term that is greater than 12 months, unless the underlying asset is of low value, and to recognise depreciation of leased assets separately from interest on lease liabilities in the income statement. As Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17, a lessor will continue to classify its leases as operating leases or finance leases and to account for those two types of leases differently. Ind AS 116 is effective from April 1, 2019, with early adoption allowed only if Ind AS 115 - Revenue from Contracts with Customers is also adopted.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole. The fair value hierarchy is described as under:

- Level 1 hierarchy includes methods and input that use active quoted prices depending upon type of instrument. Management has used closing prices and values of closing NAV's as applicable in case of financial instruments covered under this level.
- Under level 2 the fair value of the financial instruments that are not traded in any active market are determined using appropriate valuation techniques with the use of observable market data without relying much on the estimates that are entity specific. The inputs under this level are always observable.
- In case of level 3 if one or more of the significant inputs are not derived on the basis of observable market data then fair value estimations derived with such inputs are included in level 3.
- The Company follows a policy to recognise transfers between the levels only at the end of reporting period and accordingly there are no transfers between levels during the year.

*FVTPL - Fair Value Through Profit and Loss

**FVTOCI - Fair Value Through Other Comprehensive Income

30 RISK MANAGEMENT

Credit Risk Management

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities.

Trade Receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. Credit risk is managed through credit approvals of customers to which the Company grants credit terms in the normal course of business and their past transactions. Impairment losses in respect of trade receivables is assessed at party level on each reporting date. The Company establishes an expected credit loss allowance for trade receivables based on historical trends. The ageing analysis of trade receivable (gross of provision) has been considered from the date invoice falls due. Following table depicts expected credit loss on agewise trade receivables.

(₹ in lakhs)

Period (in days)		As at 31.03.2019	As at 31.03.2018
Upto 180 days	Amount	2,067.97	2,014.22
	Expected credit loss	19.92	13.34

Less: reversal of provision	11.72	47.39
Balance at the end of the year	110.57	110.40

NOTES

forming part of the Financial Statements for the year ended March 31, 2019

Financial instruments & bank balances:

The Company limits its exposure to credit risk by generally investing in securities with a good credit rating. The credit rating is being reviewed by the Company periodically. Please refer Note 52 regarding the Company's investment in Non-Convertible Debentures of IL&FS Transportation Networks Ltd. Balances with banks are subject to low credit risks due to good credit ratings assigned to these banks.

Liquidity Risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. Typically the Company ensures that it has sufficient cash on demand to meet expected operational expenses, servicing of financial obligations.

The table below provides details regarding the contractual maturities of significant financial liabilities as at March 31, 2019 and March 31, 2018.

(₹ in lakhs)

Period (in days)	Borrowings	Trade Payable
As at 31.03.2019

Upto 180 days	-	551.56
181 – 365 days	10,114.36	-
More than 365 days	-	-

Foreign Currency risk

The Company's exchange risk arises primarily from its trade receivable. The advance in foreign currency are provided for. The exchange rate between the Indian rupee and US dollars has changed substantially in recent periods and may continue to fluctuate in the future. However since, outstanding amount is not material, foreign currency exposures have not been hedged by a derivative instrument or otherwise. The Company's foreign currency exposures as on year end are as under:

(₹ in lakhs)

Particulars	Currency	As at 31.03.2019		As at 31.03.2018	
		Foreign Currency	₹	Foreign Currency	₹
Payables in foreign currency					
Borrowings including interest	USD	-	-	155.75	10,130.73
Receivables in foreign currency					
Trade receivables	USD	1.75	121.05	1.05	68.30

For the year ended March 31, 2019 every 1% increase / decrease of the respective foreign currencies compared to functional currency of the Company would result in loss / gain of ₹ 0.79 lakhs.

For the year ended March 31, 2018 every 1% increase / decrease of the respective foreign currencies compared to functional currency of the Company would result in loss / gain of ₹ 98.08 lakhs

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates was related primarily to the Company's debt obligations with floating interest rates. To mitigate the interest rate risk, the Company had entered into interest rate swap contracts for covering partial borrowing to fixed rate of interest from floating rate. The Company's investment are primarily in long term fixed interest rate securities and hence do not carry substantial interest rate risk.

Capital Management

The primary objective of Company's capital management is to maximize shareholders value and safeguard its ability to continue as a going concern.

The Company monitors capital using gearing ratio, which is debt divided by total capital plus debt. Debt comprises of Long term and short term borrowings. Equity includes equity share capital and reserves that are managed as capital. The gearing at the end of the reporting period was as follows:

Following parameters have been considered for calculating the weighted average fair value of each option using the Black-Scholes Option Pricing Formula:

Particulars	ESOP 2009 & ESOP 2010	
	Options granted during FY 2011-12	Options granted during FY 2012-13
a. On the date of grant during FY 2011-12 and reissue during FY 2012-13		
Expected volatility	42.18% to 45.94%	38.57% to 39.27%
Option life	1.13 years to 3.13 years	1.13 years to 3.13 years
Dividend yield	0.68%	0.74%
Risk-free interest rate	8.13% to 8.18%	7.80% to 7.83%
The weighted average fair value of each option on the date of grant / reissue is ₹ 249.05 / ₹ 238.67 respectively for options granted in FY 2011-12 and FY 2012-13 respectively.		
b. On the date of Modification 1		
Expected volatility	99.32% to 123.68%	85.92% to 124.01%
Option life	1.30 years to 2.10 years	1.29 years to 3.08 years

VIII Sensitivity Analysis

(Amount in ₹)

Description	Year Ended 31.03.2019	Year Ended 31.03.2018
Projected Benefit Obligation on Current Assumptions	17,20,16,082	15,64,38,879
Delta Effect of +1% Change in Rate of Discounting	(1,61,15,572)	(1,96,84,995)
Delta Effect of -1% Change in Rate of Discounting	1,88,79,694	2,36,83,116
Delta Effect of +1% Change in Rate of Salary Increase	1,87,40,309	2,35,29,905
Delta Effect of -1% Change in Rate of Salary Increase	(1,62,91,729)	(1,99,13,987)
Delta Effect of +1% Change in Rate of Employee Turnover	1,76,591	5,36,340
Delta Effect of -1% Change in Rate of Employee Turnover	(2,24,651)	(6,43,018)

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated. Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet. There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

IX Maturity Analysis of Projected Benefit Obligation: From the Fund

Projected Benefits Payable in Future Years from the date of Reporting		
1st Following Year	1,08,12,994	54,17,562
2nd Following Year	90,62,708	37,02,367
3rd Following Year	1,02,27,914	40,12,737
4th Following Year	97,52,037	49,90,537
5th Following Year	1,00,42,625	46,01,086
Sum of Years 6 to 10	6,01,11,338	3,41,78,475
Sum of Years 11 and above	34,81,30,964	51,17,76,821

The expected rate of return on plan assets is based on expectation of the average long term rate of return expected to prevail over the estimated term of the obligation on the type of the investments assumed to be held by LIC, since the fund is managed by LIC.

The estimate of future salary increases, considered in actuarial valuation, takes into account the inflation, seniority, promotion, increments and other relevant factors, such as supply and demand in the employment market.

The Company expects to contribute ₹ 349.97 lakhs (Previous Year ₹ 349.48 lakhs) to the plan assets in the immediate next year.

Notes:

- Loans to employees as per the Company's policy are not considered.
- None of the loanees have made investments in the shares of the Company.
- Figures disclosed above are without reducing amount of expected credit loss on loans.

- During the previous year ended March 31, 2018, transaction relating to granting license of the application software PowerARMS™ DAM, Power ARMS™ TAM & REC, Back Office and SLDC software along with source code to Indian Energy Exchange (IEX) was completed and the Company had recognized revenue of ₹ 9,720.00 lakhs. During the current year balance of ₹ 1,080.00 lakhs which was kept in escrow account as per the term of agreement was released and included in revenue. The said license is perpetual, irrevocable, non-transferable and non-assignable.
- During the year, Bahrain Financial Exchange BSC (c) (BFX), which is a stepdown subsidiary through FT Group Investments Pvt. Ltd., a Mauritius based entity, along with its subsidiary, BFX Clearing and Depository Corporation B.S.C (c) (BCDC) were dissolved and final distributions were made to shareholders.
- During the previous year, the Securities Exchange License of step down subsidiaries Bourse Africa Limited (BAL), a wholly owned subsidiary of FT Group Investments Pvt. Ltd. (FTGIPL), Mauritius was terminated together with Clearing & Settlement Facility License of BAL's wholly owned subsidiary Bourse Africa Clear Limited (BACL). During the year, management of these companies has appointed liquidator to wind up the companies.
- During the year, in order to meet the working capital requirements of NSEL, the Company has subscribed to the right issues made by NSEL to the extent of ₹ 1,477.13 lakhs (Previous Year ₹ 3,081.66 lakhs). On conservative basis, the Company has made allowance for expected credit loss in value of long term investments in its subsidiaries including NSEL to the extent of ₹ 1,477.13 lakhs (Previous Year ₹ 6,311.66 lakhs). (Refer Note No. 28).
- During the quarter ended June 2018, NSEL discharged its liability towards invocation of Corporate Guarantee provided by the Company to a bank to the extent of Principal amount of ₹ 3,143.25 lakhs, out of partial recovery of dues from NAFED for which corporate guarantee was provided. Since the amount was earlier / previous year written off in the Company's books, it was written back in quarter ended June 2018. Subsequently some parties filed Notice of Motion and Contempt Petition before the Hon'ble Bombay High Court, wherein the Plaintiffs have wrongly alleged that NSEL and 63 moons are in contempt of court by having willfully and deliberately breached the Orders of the Court. By way of abundant caution and without prejudice to its rights, remedies and defenses in the said Notice of Motion and Contempt Petition or otherwise, the Company has, after due deliberations and consideration, returned the said Amount to NSEL in January 2019. Hence the earlier reversal carried out in the Quarter ended June 2018 has been reversed during the quarter ended December 2018.
- The Company has executed a Share Purchase Agreement (SPA) with NTT Data Corporation, Japan, for sale of 28,69,14,688 equity shares in Atom Technologies Limited, a subsidiary of the Company, for an aggregate consideration of USD 9.24 million. The completion and closure of the said transaction is subject to fulfilment of certain customary closing conditions and the Company obtaining necessary Orders / approvals from the relevant Courts and National Company Law Appellate Tribunal in respect of the said transaction.

NOTES

forming part of the Financial Statements for the year ended March 31, 2019

- 48 In an earlier year, in view of one of its wholly owned subsidiaries' inability to service loan from the Company due to non-recoverability of certain outstanding loans, the Company had waived partial loan due from the subsidiary. Since the subsidiary has recovered an amount of ₹ 450.00 lakhs, the waiver of loan has been reversed to that extent which is grouped under other income.
- 49 The Company has a total MAT credit entitlement of ₹ 8,950.29 lakhs as at March 31, 2019. During the year the Company has utilized MAT credit of ₹ 165.33 lakhs. The management of the Company is confident that the Company will be able to utilize balance MAT entitlement in future unexpired years.
- 50 As per Section 135 of the Companies Act 2013, during the year the Company was required to spend ₹ 45.30 lakhs (Previous year ₹ 56.72 lakhs) towards a Corporate Social Responsibility (CSR) which, as in earlier years, was transferred to a separate bank account earmarked for this purpose. During the year, an amount ₹ 151.60 lakhs (Previous year ₹ 387.95 lakhs) were utilized on the activity specified in Schedule VII of the Companies Act, 2013 from such earmarked amounts.
- 51 During the previous year ended March 31, 2018, certain perpetual bonds of various reputed banks in which the Company had invested were prematurely redeemed on their own by the respective banks on account of RBI placing the banks under Prompt Corrective Action (PCA) as regulatory event and without any instructions / action of the Company. The original call dates of each of the aforesaid Bonds were much later in time, with the earliest being January 12, 2020, however these banks opted for premature redemptions. Consequently, the Company had recognized impairment loss to the extent of ₹ 3,145.92 lakhs in respect of these bonds which has been shown under exceptional items in previous year.
- 52 The Company has investment in 11.50% Non-Convertible Debentures and 11.80% Non-Convertible Debentures issued by IL&FS Transportation Networks Ltd. (ITNL) (subsidiary of Infrastructure Leasing & Finance Ltd. – ILFS) amounting ₹ 10,000.00 lakhs each (face value) which shall mature in June & December 2024 respectively. The debentures are secured by way of charge on certain assets of ITNL. The ILFS group has been facing severe liquidity crisis. The National Law Tribunal has allowed the government to supersede the board of ILFS and appoint its nominees. The new board has initiated the efforts under supervision of NCLT to monetise the assets of ILFS group companies to reduce their debts, outcome of which is awaited. The Company is monitoring developments and has filed application with NCLAT for seeking impleadment in matter of ILFS as financial creditor. In view of above, the Company is unable to estimate any allowance for expected credit loss for these investments. Further, ITNL has defaulted on half yearly interest payment which was due in January 2019 and hence on conservative basis, the Company has estimated credit loss to the extent of 100% interest due till March 31, 2019 amounting to ₹ 1,618.27 lakhs and derecognised.
- 53 The writ petition filed by the Company challenging the legality and propriety of the Forward Markets Commission's ('FMC') order on the Company inter alia declaring "not a fit & proper person" is pending for hearing before the Hon'ble Bombay High Court. Solely based on FMC order, Security and Exchange Board of India (SEBI) and Central Electricity Regulatory Commission (CERC) declared not a fit and proper person to hold shares in recognized stock exchanges and power exchanges respectively. The Company has filed civil appeals before the Hon'ble Supreme Court challenging the SEBI order and CERC order. The Hon'ble Supreme Court disposed the civil appeal filed against SEBI order with direction to pursue FMC order before the Hon'ble Bombay High Court along with liberty to move again the Hon'ble Supreme Court in the event FMC order set aside. The civil appeal against CERC is pending for hearing.
- 54 The Company has challenged EOW letter dated February 28, 2015 before the Hon'ble Bombay High Court wherein the Hon'ble Bombay High Court by its order dated June 12, 2015 granted a stay to EOW letter dated February 28, 2015 on the condition that the Company shall deposit ₹ 8,400.00 lakhs from the sale proceeds of IEX within four weeks from completion of sale of IEX. Accordingly, the Company has deposited ₹ 8,400.00 lakhs with the Registrar, Criminal Appellate Side, High Court, Bombay. The matter is pending for hearing before the Hon'ble Bombay High Court.
- 55 The Hon'ble Bombay High Court passed an ad interim order inter alia restraining the Company from distributing any dividend or depositing the same in the dividend distribution account in accordance with the provisions of the Companies Act, 1956 (to be read as Companies Act, 2013) pending the final hearing and disposal of the Notice of Motion. This Notice of Motion was filed in one of the suits. In compliance to the said order, the Company has not distributed the final dividend for the financial year 2014-15 @ ₹ 5/- per share amounting to ₹ 2,303.93 lakhs, to the shareholders pursuant to the directions of the Hon'ble Bombay High Court and hence is not in default in compliance with the statutory provisions under the Companies Act, 2013. Further, the shareholders of the Company have approved final dividend for year 2016-17 and 2017-18 @ ₹ 2/- per share for each year, aggregating to ₹ 1,843.14 lakhs, subject to appropriate judicial order which is also pending for distribution to the shareholders due to aforesaid restrictions. All the Notice of Motions and the Contempt Petitions filed against the Company have been tagged together and pending for hearing.
- On May 27, 2019, the Board of Directors of the Company have proposed a final dividend of ₹ 2/- per share in respect of the year ended March 31, 2019 subject to the approval of shareholders at the Annual General Meeting and appropriate judicial order. If approved, it would result in a cash outflow of approximately ₹ 1,084.20 lakhs, inclusive of corporate dividend tax of ₹ 189.43 lakhs. The distribution of dividend is subject to appropriate Judicial order.

NOTES

forming part of the Financial Statements for the year ended March 31, 2019

- 56** On February 12, 2016, Ministry of Corporate Affairs ("MCA") passed a final order of amalgamation (Final Order) of National Spot Exchange Limited (NSEL) with the Company under Section 396 of the Companies Act, 1956. The Company had challenged the Final Order by way of a Writ Petition before the Hon'ble Bombay High Court, which was dismissed by the Hon'ble Bombay High Court by its order dated December 4, 2017. The Company filed a Special Leave Petition against the said order dated December 4, 2017 before the Hon'ble Supreme Court of India. The Hon'ble Supreme Court of India was pleased to allow the appeal and set aside the order dated December 4, 2017 and was pleased to hold that the amalgamation order dated February 12, 2016 is ultra vires Section 396 of the Companies Act, and violative of Article 14 of the Constitution of India.

To the members of 63 moons technologies limited

REPORT ON THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

QUALIFIED OPINION

We have audited the accompanying consolidated financial statements of **63 moons technologies limited** (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") which comprise the consolidated balance sheet as at 31 March 2019, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of cash flows and the consolidated statement of changes in equity for the year then ended, and notes to consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on financial statements (separate / consolidated) of subsidiaries as was audited by the other auditors, *except for the possible effects of the matter specified under Basis for Qualified Opinion section of our report*, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (hereinafter referred to as "the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended, of consolidated state of affairs (financial position) of the Group as at 31 March 2019, the consolidated profit / loss (financial performance including other comprehensive income), its consolidated cash flows and the consolidated changes in equity for the year then ended.

BASIS FOR QUALIFIED OPINION

1. Note No. 57, 58, 59 and 60 form basis for our qualified opinion. As stated by the Management of the Company in Note 57 to the consolidated financial statements, Civil Suits have been filed against the Company in relation to event occurred on NSEL's trading platform. These matters are pending at various stages of adjudication. As stated in the said note, the management of the Company does not foresee that the parties who have filed Civil Suits would be able to sustain any claim against the Company. In addition, as stated by the management in note 57, 58, 59 and 60 to the consolidated financial statements, there are First Information Reports / complaints / letters / orders / notices registered / received against various parties including the Company from / with the Economic Offences Wing of the Mumbai Police (EOW), Central Bureau of Investigation (CBI), Home Department - Government of Maharashtra under MPID Act and the Directorate of Enforcement and the Serious Fraud Investigation Office (SFIO), closure report etc. Above matters are pending at various stages of adjudication / investigation.

In this regard, the Management and those charged with Governance have represented to us that other than as stated in the said notes to the consolidated financial statements, there are no claims, litigations, potential settlements involving the Company directly or indirectly which require adjustments to / disclosures in the consolidated financial statements and that the ability of the Company to carry out its day-to-day operations / activities is not seriously affected due to any such order / notice as aforesaid.

In the light of the above representations regarding the ongoing investigations and matters, the outcome of which is not known and is uncertain at this stage, we are unable to comment on the consequential impact in respect of the same on the consolidated financial statements for the year ended 31 March 2019.

2. We reproduce hereunder the 'Basis for Qualified Opinion' issued by the independent auditor(s) of a subsidiary viz. National Spot Exchange Limited ("NSEL") vide their audit report on the consolidated Ind AS financial statement of NSEL, to the extent the same are found significant as per the Guidance issued by the Institute of Chartered Accountants of India, from time to time and which also forms the basis for qualified opinion in our audit report on the accompanying consolidated Ind AS financial Statements of the Group:

- a) "As stated in Note No. 63, 68 and 70 to the Consolidated Ind AS Financial Statement, the Company has been served with notices / letters / summons from various statutory authorities / regulators / government departments and some purported aggrieved parties, pertaining to the period prior to suspension of the exchange related operations from 31st July 2013. There are some writ petitions, public interest litigations, civil suits including in representative capacity filed by and against the Company. Such matters against the Company are sub-judice before different forums. The Group may be exposed to civil / criminal liabilities in case of any adverse outcome of these investigations / enquiries or legal cases or any other investigations as referred above enquires or suits which may arise at a later date.

In the light of the above, the outcome of which is not presently known and is uncertain at this stage, hence we are not able to comment on the current or consequential impact if any, in respect of the same on these Consolidated Ind-AS Financial Statements. Also, the matters stated above could also have a consequential impact on the measurement and disclosure of information provided, but not limited to, Balance Sheet, Statement of profit / (loss) account, cash flow, statement statement of change in equity (SOCIE) and earnings per share (EPS) for the year ended and as at 31 March, 2019 in these Consolidated Ind AS Financial Statements."[Refer Note 71 of the consolidated Ind AS financial statements of the Group]

- b) "The trade receivables, other receivables, loans and advances and deposits are subject to confirmation and reconciliation. The management, however, does not expect any material changes on account of such reconciliation / confirmation from parties. In many cases legal notices have been sent to the parties in earlier years; however, we are unable to form any opinion on the recoverability of the outstanding balances of such parties."

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us along with the consideration of audit report of other auditors referred to in *Other matters* below is sufficient and appropriate to provide a basis for our qualified opinion.

INDEPENDENT AUDITOR'S REPORT

To the members of 63 moons technologies limited

EMPHASIS OF MATTERS

1. We draw attention to Note 56 to the consolidated financial statement of the Group. Government of India has filed the Company Petition before the Principal Bench of the Company Law Board, under the Companies Act, 1956, seeking inter alia removal and supersession of the Board of Directors of the Holding Company. The matter is pending before National Company Appellate Tribunal ("NCLAT") and is currently *sub-judice*
2. We draw attention to Note 46 to the consolidated financial statement of the Group, regarding utilisation of unexpired MAT credit entitlement by the Company. The Company has a total MAT credit entitlement of ₹ 9,018.43 lakhs as at 31 March 2019. Based on the projections made by the Holding Company's Management regarding income-tax liability of the Holding Company, Management is of the view that the Holding Company will be able to utilise the unexpired MAT credit entitlement in eligible projected years.

Our opinion is not qualified in respect of these matters of emphasis.

KEY AUDIT MATTERS (KAM'S)

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements taken as a whole, in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined the key audit matters as described below:

KAM's from standalone financial statements which are also part of the consolidated financial statements:

- A. Determination of fair value of carrying amount of investments
- B. Accounting treatment for contracts with customers
- C. Contingent Liabilities

A. Determination of fair value of carrying amount of investments

Description of key audit matter:

The company has investments net of provision of ₹ 1,01,625.15 lakhs as at 31 March 2019 consisting of Investments in the equity instruments of subsidiaries, third party bonds, mutual funds, other equity instruments etc. and are valued as per Ind AS 109, "Financial instruments". By their nature, these are subjected to various factors related to respective investee entities including but not limited to, economic factors, business dynamics, financial performance etc and impact a fair valuation of these investments. Accordingly, this necessitates a close monitoring by the management of these situations and judgement, based on appropriate evaluation criteria to arrive at a fair value of carrying amounts of these assets as at balance sheet date. Against this background, this matter was of significance in the context of our audit.

Description of Auditor's response:

We have carried out a comparison between carrying value of investment as at balance sheet date and net-worth as reflected by latest audited financials of investee companies. Wherever carrying amount of investment is more than the net-worth of investee company we have discussed and enquired with the management the process followed by them to identify permanent diminution, if any, in the value of investment and necessary accounting treatment adopted in the books. In addition, management has provided us with the future business plans and how in their business judgement such gap between investment and net-worth of the investee is either compensated with improving business conditions or valuations of such entities. In case of business valuations carried out by third party professionals and provided to us by the management of some of the investee companies, we have verified reasonableness of the assumptions, source data considered etc. while arriving at valuation. Going forward our regular audit procedures are designed to keep a follow up on outcomes of these management assertions.

B. Accounting treatment for contracts with customers

Description of key audit matter:

Revenue amounting to ₹ 26,113.05 lakhs reported in the company's financial statements pertains to customer specific contracts and the same are required to satisfy the recognition and measurement criteria as prescribed in IND AS 115, 'Revenue from Contracts with Customers'. Company's revenue is bifurcated into two main parts (a) revenue from software products (IPR based licenses) and (b) revenue from software services. Certain contracts necessarily involve estimations and certain assumptions to be made by the management in determining the quantum of revenue to be recognised in specific period. This inherently creates certain uncertainties and results in complexities in accounting treatment wherein incorrect assumptions and estimates can lead to revenue being recognised in incorrect accounting periods thereby impacting the results. Considering these factors, in the context of our audit this matter was of significance and hence a key audit matter.

Description of Auditor's response:

With a view to verify the reasonableness of the revenue accounting we carried out following procedures:

- a) Understanding the internal control environment for revenue recognition and to test check with a view to verify its operating effectiveness;
- b) Major contracts were read and analysed to verify correctness of accounting of revenue as calculated by the Company's Management;
- c) Discussed with the management process of identification of variable consideration and verified the working on test basis;
- d) Verified the working of unbilled revenue and unearned revenue on test basis;
- e) Performed analytical procedures and obtained reasons for major variances;
- f) Ensured that revenue is recognized in accordance with accounting policy of the Company and Ind AS 115;

C. CONTINGENT LIABILITIES

Description of Key Audit Matter

Contingent liabilities as at 31 March 2019 amounted to ₹ 37,817.86 lakhs, which mainly include pending income-tax matters and certain legal cases other than those forming basis for our qualified opinion. Contentious income tax matters relate to interpretational differences between the company and various tax authorities, certain matters subjected to internal circulars and guidelines within tax authorities irrespective of stated legal provisions sometimes requiring decision making only by higher tax authorities through appellate procedures resulting in delays in outcome. Given the current legal and operational embargo that the company is facing, it is subjected the multiple litigations by and on the company sub-judice at various courts and levels requiring the Company's Management to exercise significant judgement on these outcomes to determine the liabilities that are contingent in nature. Considering these factors, in the context of our audit, this matter was of significance and hence a key audit matter.

Description of Auditor response

With a view to ensure that disclosures made by the company in Note No. 32 are determined appropriately and prudently, we obtained information of pending income-tax matters from the Company and have obtained / verified the documents including the communication with the departments provided by the Company. In addition, we have carried out comparison with respect to previous year and obtained / reviewed documentation for additional tax matters arisen during the year. Our tax team has carried out discussions with the Company's internal tax team on these cases mainly with respect to issues raised by various tax authorities in their communication to the company to substantiate company's assessment that there are no present obligations perceived.

With respect to legal cases disclosed to us, we have obtained updates on pending cases from the management and discussed it with the Company's internal legal department, wherever necessary. We carried out a comparison between the latest status and immediate previous status. While comparing, we have tried to ascertain the appropriateness, without being judgemental, of the management judgement exercised in updating to the latest status and have tried to evaluate an impact on such ascertainment of whether the company liabilities to which it is contingently liable are appropriately ascertained with prudence principle.

KAM's from other subsidiaries which are also part of the consolidated financial statements:

We reproduce hereunder the 'Key Audit Matters' issued by the independent auditor(s) of a subsidiary viz. National Spot Exchange Limited ('NSEL') vide their audit report on the consolidated Ind AS financial statement of NSEL, to the extent the same are found significant as per the Guidance issued by the Institute of Chartered Accountants of India, from time to time and which also forms the basis for key audit matters in our audit report on the accompanying consolidated Ind AS financial Statements of the Group:

- a) As stated in note no. 2.3 of the Consolidated Ind AS Financial Statements, the Board of Directors of the Company is of the view that in the short term, its main challenge is to recover the money from defaulting members. As explained by the management, the Company is making all out efforts in recovering the amounts from defaulter members for settlement as well as its trade and other receivables. Order issued by Hon'ble High Court for merger of the Company with Holding company has been set aside by Hon'ble Supreme court vide order dated 30th April, 2019. Holding Company has committed to continue the financial support to the Company by way of infusion of capital into the Company and on the basis of such support, these financial statements for the year ended 31 March, 2019 are prepared on going concern basis. We have relied on the above-mentioned explanations and information given by the management.

As stated in Note No. 63, 68 and 70 of the Consolidated Ind AS Financial Statements, In the light of some of the litigations made against the NSEL by seller members, trading and clearing members as also defaulter members, holding NSEL responsible as third party / central party counter guarantor, for ensuring payments towards pending settlements on Spot Exchange, which have arisen in that financial year. In this regard, the management and those charged with the governance, have represented to us that there are no claims / litigations / potential settlements involving the Company directly or indirectly, which may require adjustments in the Consolidated Ind AS Financial Statements. In this regards the management believes that as per legal advice received from an expert, no such third party / central party counter guarantee was ever provided by the Company, and hence there shall not be any liability arising there from against the Company.

Based on the additional procedures performed by us, we have not come across any instance requiring material adjustment to the consolidated financial statement having pervasive impact in the context of an audit opinion on these financial statements.

INFORMATION OTHER THAN THE CONSOLIDATED FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON (HEREINAFTER REFERRED AS "OTHER INFORMATION")

The Holding Company's Management and Board of Directors are responsible for the preparation of other information. The other information comprises the Director's Report including any annexures thereto, Corporate Governance Report and Management Discussion and Analysis included in the Holding Company's annual report, but does not include the consolidated financial statements and our auditor's report thereon.

These reports are expected to be made available to us after the date of this auditor's report. Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. When we read these reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and describe actions applicable as per applicable laws and regulations.

INDEPENDENT AUDITOR'S REPORT

To the members of 63 moons technologies limited

RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The Holding Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to preparation and presentation of these consolidated financial statements in term of the requirements of the Act, that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated cash flows and consolidated statement of changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Ind AS. The respective management and Board of Directors of the companies included in the consolidated financial statements are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of each Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements / consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the companies included in the Group are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of each Company.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- A. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- B. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- C. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- D. Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of consolidated financial statement and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- E. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- F. Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

INDEPENDENT AUDITOR'S REPORT

To the members of 63 moons technologies limited

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

OTHER MATTERS

We did not audit the Ind AS financial statements of twelve subsidiaries and consolidated Ind AS financial statements of three subsidiaries included in the consolidated Ind AS financial statements of the Group, whose Ind AS financial statements / consolidated Ind AS financial statements reflect total assets of ₹ 73,548 lakhs and net assets of ₹ (38,345) lakhs as at 31 March 2019; as well as the total revenue of ₹ 16,972 lakhs and net cash flow amounting to ₹ (2,567) lakhs for the year then ended.

These Ind AS financial statements / consolidated Ind AS financial statements have been audited by other auditors whose reports have been furnished to us, and our opinion on the consolidated Ind AS financial statements, to the extent they have been derived from such Ind AS financial statements / consolidated Ind AS financial statements is based solely on the report of such auditors.

Certain subsidiaries are located outside India and their financial statements / consolidated financial statements have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been audited by other auditors under generally accepted auditing standards applicable in their respective countries. The Holding Company's Management has converted the financial statements of these subsidiaries located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Company's Management. Our opinion in so far as it relates to the balances and affairs of these subsidiaries located outside India is based on the report of other auditors and the conversion adjustments prepared by the management of the Holding Company and audited by us.

We believe that the audit evidence obtained by us along with the consideration of audit reports of the other auditors referred to in the other matter paragraph, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Our opinion on the consolidated financial statements and our report on other legal and regulatory requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

As required by section 143(3) of the Act, based on our audit and on the consideration of report of other auditors on financial statements (separate / consolidated) of such companies as was audited by them and as mentioned in the 'Other Matters' paragraph, we report, to the extent applicable, that:

- A. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- B. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of other auditors.
- C. The consolidated balance sheet, the consolidated statement of profit and loss, the consolidated statement of cash flows and consolidated statement of changes in equity dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- D. In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014.
- E. On the basis of the written representations received from the directors of the Holding Company as on 31 March 2019 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of subsidiary companies which are incorporated in India, none of the directors of the Group companies which are companies incorporated in India, is disqualified as on 31 March 2019 from being appointed as a director in terms of section 164(2) of the Act;
- F. With respect to the adequacy of internal financial controls over financial reporting of the Group which are companies incorporated in India and the operating effectiveness of such controls, refer to our separate report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial control over financial reporting.
- G. With respect to the other matters to be included in the auditor's report in accordance with the requirements of section 197(16) of the Act, as amended: In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Group, which are companies incorporated in India, where applicable, to its directors during the year is in accordance with the provisions of section 197 of the Act.

INDEPENDENT AUDITOR'S REPORT

To the members of 63 moons technologies limited

- H. With respect to the other matters to be included in the auditor's report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. the consolidated financial statements disclose the impact of pending litigations as at 31 March 2019 on the consolidated financial position of the Group, *to the extent it is ascertainable* (Refer Note 32 to the consolidated financial statements and 'Basis for Qualified Opinion');
 - ii. the Group has made provision in the consolidated financial statements, as required under the applicable law or Ind AS, for material foreseeable losses, if any, on long term contracts including derivative contracts;
 - iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Group including its associates and joint-ventures, which are companies incorporated in India.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph(f) under the heading, "Report on Other legal and Regulatory Requirements" of our report on even date:

Report on the Internal Financial Controls

Under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

OPINION

We have audited the Internal Financial Controls over Financial Reporting of **63 moons technologies limited** (hereinafter referred as "the Holding Company") and its subsidiary companies incorporated in India (the Holding Company and its subsidiaries together referred to as "the Group"), as of 31 March 2019 in conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended on that date.

In our opinion and to the best of our information and according to the explanations given to us and based on consideration of reports of other auditors referred to in other matters paragraph below, the Group has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2019, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ('ICAI').

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The respective Company's Management and Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable, to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by other auditors of the subsidiary companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting.

OTHER MATTERS

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to twelve subsidiaries, which are companies incorporated in India, is solely based on corresponding reports of the auditors of such Companies.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that: (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph(f) under the heading, "Report on Other legal and Regulatory Requirements" of our report on even date:

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

1 COMPANY OVERVIEW

63 moons technologies limited (the 'Company') is a public limited company incorporated and domiciled in India. The Company's registered office is at Shakti Tower - 1, 7th floor, Premises - E, 766, Anna Salai, Thousand Lights, Chennai - 600002. Tamilnadu, India and corporate office FT Tower, CTS No, 256 & 257, Suren Road, Chakala, Andheri (East), Mumbai-400069.

The 63 moons group is among the global leaders in offering technology IP (Intellectual Property) and domain expertise to create and trade on next-generation financial markets, that are transparent, efficient and liquid, across all asset classes including equities, commodities, currencies and bonds among others. The group is pioneer in end to end Straight Through Processing (STP) solution that support high density transactions. It has developed proprietary technology platform benchmarked against global standard which give it a decisive edge in driving mass disruptive innovation at the speed and cost of execution unmatched in the financial market industry.

2 BASIS OF PREPARATION

2.1 Statement of compliance and Basis of Preparation

The consolidated financial statements of 63 moons technologies limited (formerly Financial Technologies (India) Limited) ('the Parent Company') and its subsidiary companies (Refer Note C below for list of entities included in consolidated financial statements) (the Parent Company, its subsidiaries constitute 'the Group') have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ("the 2013 Act") read with the Companies (Indian Accounting Standards) Rules, 2015, subsequent amendments thereto and the relevant provisions of the 2013 Act.

The financial statements of subsidiaries used in the consolidation are drawn upto the same reporting dates as that of the Parent Company, viz March 31, 2019.

The financial statements have been prepared on accrual basis using the historical cost measurement except for the following material items that have been measured at fair value as required by relevant Ind AS:

- Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments)
- Share based payment transactions
- Defined benefit and other long-term employee benefits

The accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

These Ind-AS compliant the consolidated financial statements were approved by the Board of Directors on May 27, 2019.

2.2 Functional and presentation currency

These Consolidated financial statements are presented in Indian Rupees, which is the Company's functional currency. All amounts have been rounded off to the nearest lakhs, unless otherwise indicated.

2.3 Use of judgements and estimates

The preparation of the Consolidated financial statements in conformity with Ind AS requires management to make certain estimates, judgements and assumptions. These affect the application of accounting policies, the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the reporting date of the Consolidated financial statements and reported amounts of income and expenses during the period. Accounting estimates could change from period to period and the actual results could differ from those estimates. These are reviewed by the management on an on-going basis and appropriate changes in estimates are made prospectively as management becomes aware of changes in circumstances surrounding the estimates. The management believes that the estimates used in preparation of the consolidated financial statements are just, prudent and reasonable.

The areas involving critical estimates & judgements are:

Note Reference	Critical Estimates & Judgements
Note 4.14, 12 and 31	Estimation of income taxes, Recognition and utilisation of deferred tax assets and MAT credit entitlement and utilisation.
Note 4.18, 32	Measurement of contingencies key assumptions about the likelihood and magnitude of an outflow of resources;
Note 4.8, 4.9, 4.10 and 41	Assessment of carrying value / fair value of financial instruments.
Note 4.12 and 37	Measurement of defined benefit obligations: key actuarial assumptions.
Note 4.5, 4.6, 4.7, 6, 7 and 8	Estimation of useful life of tangible and intangible assets.

3 PRINCIPLES OF CONSOLIDATION

The consolidated financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS-110) "Consolidated Financial Statements", and Indian Accounting Standards (Ind AS-28) "Investments in Associates and Joint Ventures" as notified under the Companies (Accounts) Rules, 2014 on the following basis:

Group consolidates entities which it owns or controls. The consolidated financial statements comprise the financial statements of the Company, its subsidiaries company as disclosed below. Control exists when the parent has power over the entity, is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns. Subsidiaries are consolidated from the date control commences until the date control ceases.

The financial statements of the Group companies are consolidated on a line-by-line basis and intra-group balances and transactions including unrealized gain / loss from such transactions are eliminated upon consolidation. These financial statements are prepared by applying uniform accounting policies in use at the Group. Non-controlling interests which represent part of the net profit or loss and net assets of subsidiaries that are not, directly or indirectly, owned or controlled by the company, are excluded.

Associates are entities over which the Group has significant influence but not control. Investments in associates are accounted for using the equity method of accounting. The investment is initially recognized at cost, and the carrying amount is increased or decreased to recognize the investor's share of the profit or loss of the investee after the acquisition date. The Group's investment in associates includes goodwill identified on acquisition.

4 SIGNIFICANT ACCOUNTING POLICIES

The Group has consistently applied the following accounting policies to all periods presented in these financial statements.

4.1 Revenue

With effect from April 01, 2018, the Group has applied Ind AS 115 Revenue from Contracts with Customers which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised. The Company has, as permitted by Ind AS 115, opted not to restate contracts with customers that were completed before the date of transition (April 01, 2018). A completed contract is a contract for which the entity has transferred all of the goods or services identified in accordance with Ind AS 18, the previous revenue standard. Ind AS 115 is applied retrospectively only to contracts that are not completed as at 1 April 2018. The effect of application of Ind AS 115 is not material.

NOTES

forming part of the financial statements for the year ended March 31, 2019

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration expected to receive in exchange for those products or services. Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, service level credits, performance bonuses, price concessions and incentives, if any, as specified in the contract with the customer. Revenue also excludes taxes collected from customers.

The revenue from the sale of software products (IPR based licenses) is recognised on delivery / granting of right to use. In respect of service contracts, where the performance obligations are satisfied over time and where there is no uncertainty as to measurement or collectability of consideration, is recognized over time. Revenue from fixed price service contracts is recognised based on acts performed as specified in the contracts over the contract period where performance of several acts is required over that period. In the case of time and material contracts, revenue is recognised on the basis of hours completed and material used. Revenue from annual maintenance contracts, lease of licenses, IT infrastructure sharing income and Shared Business Support Services is recognised proportionately over the period in which the services are rendered / licenses is leased. Revenue from sale of goods is recognised on transfer of control over to the goods to the customer. Sales are recorded net of returns (if any), trade discounts, rebates, and goods and service tax. Projected losses, if any, are provided in entirety as per Ind AS based on management's current estimates of cost to completion arrived at on the basis of technical assessment of time and effort required and estimates of future expenditure.

Revenues in excess of invoicing are classified as contract assets (which are referred to as unbilled revenue). Contract assets are classified as unbilled receivables (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms. Invoicing in excess of revenues are classified as contract liabilities (which are referred to as unearned revenues)

Income from Procurement service charges are levied on value of procurement and are recognised on accrual basis on completion of procurement and processing activity. Commitment fees are recognised upfront as per the terms of agreement with clients.

In case of exchange related business, Admission fees (non-refundable) to the exchange collected from new members for joining the exchange are recognised when the membership is approved. Advances against membership application are only recognised as income when the application has been approved. Annual subscription fees (non-refundable) are collected from members and accrued annually. Transaction fees are charged to members based on the volume of transactions entered into by the members through the exchange. These are accrued when orders placed by members on the network are matched and confirmed.

Service charges include income from various services viz. delivery fees, POS service charges, gateway service charges, demat, revenue from broking, commission, revenue sharing income, coaching and training fees, internet telecommunication charges, data fee and message services which are recognised as and when services are rendered and in the case of gateway service income, on completion of the transaction.

Revenue is stated net of returns, goods and service tax (GST), VAT and service tax wherever applicable.

Unbilled revenue represents value of services performed in accordance with the contract terms but not billed.

4.2 Interest income

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

4.3 Dividends

Dividends are recognised in profit or loss only when the right to receive payment is established.

4.4 Investment property rental income

Rental income from investment property is recognised as revenue on a straight-line basis over the term of the lease and presented as other income. Lease incentives granted are recognised as an integral part of the total rental income, over the term of the lease.

4.5 Property, plant and equipment

i. Recognition and measurement

Property, Plant and Equipment (PPE) are carried at cost less accumulated depreciation and any accumulated impairment losses, if any.

The cost of PPE comprises its purchase price including import duties and non-refundable purchase taxes after deducting trade discounts and rebates and any costs directly attributable to bring in the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. Subsequent expenditure relating to PPE is capitalised only when it is probable that future economic benefits with these flow to the company and cost of the item can be measured reliably. Repairs & maintenance costs are recognised in Statement of Profit and Loss as and when incurred.

NOTES

forming part of the financial statements for the year ended March 31, 2019

PPE which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in- progress"

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset form part of the cost of the asset. If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of an asset (calculated as the difference between the net disposal proceeds and the carrying amount of the assets) is recognised in Statement of Profit & Loss.

As per Ind AS 101, First Time Adoption of Ind AS, the Company continues to adopt the provisions of para 46 / 46A of Accounting Standard-11, "The Effects of Changes in Foreign Exchange Rates". Accordingly, exchange differences arising on restatement / settlement of long-term foreign currency borrowings as of 1.04.2015 (Date of Transition to Ind AS) relating to acquisition of depreciable assets are adjusted to the cost of the respective assets and depreciated over the remaining useful life of such assets and exchange differences not relating to depreciable assets are amortised over remaining tenure of the borrowings.

ii. Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

iii. Depreciation

Depreciation is calculated to write off the cost of items of property, plant and equipment less their estimated residual values using the straight-line method over their estimated useful lives. Leased assets and leasehold improvements are depreciated over the shorter of the lease term and their useful lives.

Depreciation methods, useful lives and residual values are reviewed annually and the effects of any changes in estimates are accounted for on a prospective basis.

Freehold Land is not depreciated. For others, depreciation has been provided on the basis of estimated useful life as follows.

Assets	Useful life
Office Equipment	2 to 5 Years
Electrical Installations	10 Years
Computer Hardware	3 to 6 Years
Furniture and Fixtures	5 to 10 Years
Vehicles	8 Years
Building	58 years
Leasehold improvements	Over lease period

Assets costing upto ₹ 5,000/- are fully depreciated in the year of acquisition.

vi. Reclassification to investment property

When the uses of a property changes from owner-occupied to investment property, the property is reclassified accordingly.

4.6 Intangible assets

Intangible assets are stated at cost less accumulated amortization and impairment, if any. The cost of intangible assets comprises its purchase price including import duties and non-refundable purchase taxes after deducting trade discounts and rebates and any costs directly attributable to bring in use. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. Research costs are expensed as incurred. Amortization methods and useful lives are reviewed annually and the effects of any changes in estimates are accounted for on a prospective basis.

The Group amortises intangible assets with using the straight-line method over the estimated useful life as follows:

- Patents, copyright and other rights - 8 years
- Computer software - 4 to 6 years

4.7 Investment property

Investment property is measured at cost less impairment, if any. Any gain or loss on disposal of investment property (calculated as the difference between the net proceeds from disposal and the carrying amount of the item) is recognised in statement of Profit or Loss. Subsequent to initial recognition, investment property is measured at cost less accumulated depreciation and accumulated impairment losses, if any. Depreciation is calculated using the straight-line method over their estimated useful lives. Fair value is calculated using discounted cash flow method and other relevant factors, if any. Useful life of the investment property is considered as 58 year or lease period.

NOTES

4.8 Financial instruments

Financial assets and financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instruments. The classification of financial instruments depends on the objective of the business model for which it is held. Management determines the classification of its financial instruments at recognition.

Classification	Initial recognition	Subsequent recognition
Non-derivative financial instruments		
a) Financial assets at amortised cost : if it is held within business model where purpose is to hold asset for contractual cash flows that are solely payments of principal and interest on principal outstanding	At fair value including directly attributable transaction costs	Subsequently carried at amortised cost using effective interest rate method less any impairment loss.
b) Financial assets at fair value through other comprehensive income : if it is held within business model where purpose is to hold asset for contractual cash flows that are solely payments of principal and interest on principal outstanding and also selling financial assets.	At fair value including directly attributable transaction costs	All changes in value excluding interest are recognised in OCI. Interest is recognised on effective interest rate method in Statement of Profit & Loss.
c) Financial assets at fair value through statement of profit and loss : if financial asset is not classified in any of the above categories	At fair value excluding directly attributable transaction costs. Transaction costs are recognised in Statement of Profit and Loss.	Fair valued at each subsequent reporting date.
d) Trade Receivable and Loans	At fair value.	Subsequently held at amortised cost, using the effective interest rate method, net of any expected credit loss.
e) Other Equity investments	At fair value	Any changes through Statement of Profit and Loss.
f) Financial liabilities	At fair value including directly attributable transaction costs	At amortised cost : using effective interest method except certain items.
Derivative financial instruments		
Financial assets or financial liabilities	At fair value	At fair value through statement of profit and loss : if financial assets or financial liabilities are not designated as hedges.
Share capital		
	Ordinary shares classified as equity.	Incremental costs directly attributable to the issuance of new ordinary shares and share options are recognized as a deduction from equity, net of any tax effects.

Financial assets are reclassified subsequent to their recognition if and in the period the Group changes its business model for managing financial assets.

Derecognition of financial instruments:

A financial asset is derecognised by the Group only when:

- Contractual right to receive cash flows from the assets expires; or
- On transferred the rights to receive cash flows from the financial asset; or
 - has not retained control of the financial asset; or
 - has transferred substantially all risks and rewards of ownership of the financial asset.

Any gain or loss on derecognition is recognised in statement of profit and loss including cumulative gain or loss in case of financial assets subsequently valued at fair value through other comprehensive income. In case of financial assets subsequently fair valued through profit or loss, gain or loss is presented on a net basis.

A financial liability (or a part of a financial liability) is derecognized when the obligation specified in the contract is discharged or cancelled or expires. Any gain or loss on derecognition is recognised in statement of profit and loss.

NOTES

4.9 Measurement of Fair Value

The Group's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the Group has access at that date. The Group regularly reviews significant unobservable inputs and valuation adjustments. In determining the fair value of its financial instruments, the Group uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. When measuring the fair value of an asset or a liability, the Group uses observable market data as far as possible. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liabilities and the level of fair value hierarchy.

4.10 Impairment

i. Financial assets:

For the financial assets which are not fair valued through profit or loss, the Group tests loss allowances using the expected credit loss (ECL) model and recognises, if any.

Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognised as an impairment gain or loss in profit or loss.

ii. Non-financial assets:

The carrying amounts of the Group's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then asset's / cash generating unit (CGU)'s recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is estimated. An impairment loss is recognised if the carrying amount of an asset / CGU exceeds its recoverable amount. Impairment losses are recognised in profit or loss. Impairment losses recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

4.11 Foreign Currency transactions

Transactions in foreign currencies are translated into the respective functional currencies of the Group at the exchange rates at the dates of the transactions or at rates that closely approximate the rate at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary items that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction and are not retranslated. Foreign currency differences are generally recognised in profit or loss. The Group is continuing the policy adopted as per the previous GAAP for accounting for exchange differences arising from translation of long term foreign currency monetary items and accordingly exchange differences relating to long term monetary items are dealt with in the following manner:

- i. Exchange differences arising during the year on settlement / restatement, in so far as they relate to the acquisition of a depreciable capital asset are added to / deducted from the cost of the asset and depreciated over the remaining useful life of such assets.
- ii. In other cases, such differences are accumulated in a "Foreign Currency Monetary Item Translation Difference Account" and amortised to the statement of profit and loss over maturity period / upto the date of settlement of such monetary item, whichever is earlier. The unamortised exchange difference is carried under Other Equity as "Foreign Currency Monetary Item Translation Difference Account (FCMITDA)".

Foreign operations

The translation of the financial statements of non-integral foreign operations (including branches) is accounted for as under:

- i. All revenues and expenses are translated at average rate.
- ii. All monetary and non-monetary assets and liabilities are translated at the rate prevailing on the balance sheet date.
- iii. Resulting exchange difference is accumulated in Foreign Currency Translation Reserve Account until the disposal of the net investment in the said non integral foreign operation.

NOTES

forming part of the financial statements for the year ended March 31, 2019

- iv. Foreign subsidiaries (non-integral foreign operations) financial statements are prepared in the currency of country in which they are domiciled except when another currency is considered appropriate based on revenue and cost stream.

4.12 Employee benefits

i. Short-term obligations

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees is recognised as an expense during the period when the employee renders those services.

ii. Other long-term employee benefit obligations

Compensated absences

The Group has a policy on compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absences is determined by actuarial valuation performed by an independent actuary at each balance sheet date using projected unit credit method on the additional amount expected to be paid / availed as a result of the unused entitlement that has accumulated at the balance sheet date and recognised in Statement of Profit and Loss. Expense on non-accumulating compensated absences is recognized in the year in which the absences occur.

Defined Benefit Plan

The Group provides for gratuity, a defined benefit retirement plan ('the Gratuity Plan') covering eligible employees. The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated at each reporting date by actuaries using the projected unit credit method.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost. The amount of net interest expense calculated by applying the liability discount rate to the net defined liability or asset is charged or credited to 'Finance Cost' in Statement of Profit and Loss.

Defined contribution plans

The Group pays provident fund contributions to publicly administered provident funds as per local regulations. The Group has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due.

iii. Share-based payment arrangements

The Group recognizes compensation expense relating to share-based payments in net profit using fair-value in accordance with Ind AS 102, Share-Based Payment. The estimated fair value of awards is charged to income on a straight-line basis over the requisite service period for each separately vesting portion of the award as if the award was in-substance, multiple awards with a corresponding increase to share options outstanding account.

4.13 Borrowing costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use or sale. All other borrowing costs are charged to revenue.

4.14 Income tax

Income tax expense comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to a business combination, or items recognised directly in equity or in OCI.

i. Current tax

Current tax comprises the expected tax payable or recoverable on the taxable income or loss for the year and any adjustment to the tax payable or recoverable in respect of previous years. The amount of current tax payable or recoverable is the best estimate of the tax amount expected to be paid or received. It is measured using tax rates enacted or substantively enacted at the reporting date. Interest income in respect of income tax is shown under Other Income and interest expenses and penalties, if any, are included in current tax expense. Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amount and there is an intention to settle the assets and liabilities on net basis.

Minimum Alternative Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Group will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised

NOTES

forming part of the financial statements for the year ended March 31, 2019

as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the statement of profit and loss. The Group reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Group will pay normal income tax during the specified period.

ii. Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date.

Deferred tax is not recognised for:

- temporary differences on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss;
- temporary differences related to investments in subsidiaries, Associates and joint arrangements to the extent that the Company is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future; and
- taxable temporary differences arising on the initial recognition of goodwill.

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Future taxable profits are determined based on business plans of the Group and the reversal of temporary differences. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised. Unrecognised deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Group expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

4.15 Inventories

Inventories are valued at lower of cost on First in First out (FIFO) basis or net realizable value. Cost comprises of cost of purchase and other costs incurred in bringing the inventories to their respective present location and condition. In case of defective and obsolete items, due allowance is estimated and provided for wherever necessary

4.16 Operating Cycle

Based on the nature of products / activities of the Group and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Group has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

4.17 Provisions

A provision is recognised when the Group has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

4.18 Contingent liabilities and contingent assets, if any, are disclosed in the notes to accounts. (Refer Note 32)

A present obligation that arises from past events, where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group. Claims against the Group, where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities.

Contingent assets are not recognised in the financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognised.

4.19 Leases

Assets taken / given on lease under which all the risks and rewards of ownership are effectively retained by the lessor are classified as operating lease. Lease payments / income under operating leases are recognised as expenses / income on a straight line basis over the lease term in the Statement of Profit and Loss unless except where the lease payments are structured to increase in line with expected general inflation.

Leases under which the Group assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of the minimum lease payments at the inception of the lease, whichever is lower.

NOTES

forming part of the financial statements for the year ended March 31, 2019

4.20 Earning Per Share

“Basic earnings per share” is computed by dividing the profit / (loss) after tax attributable to equity shareholder of the company by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax attributable to equity shareholder of the company as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

5 IND AS ISSUED BUT NOT YET EFFECTIVE

Ministry of Corporate Affairs (“MCA”) through Companies (Indian Accounting Standards) Amendment Rules, 2018 has notified the following new and amendments to Ind ASs which the Group has not applied as they are effective subsequent years as mentioned below:

Ind AS 116 – Leases (applicable for annual periods beginning on or after April 1, 2019)

In January 2016, the IASB issued Ind AS 116 - Leases which sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract and replaces the previous standard on leasing, Ind AS 17 - Leases. Ind AS 116, which is not applicable to service contracts, but only applicable to leases or lease components of a contract, defines a lease as a contract that conveys to the customer (lessee) the right to use an asset for a period of time in exchange for consideration. Ind AS 16 eliminates the classification of leases for the lessee as either operating leases or finance leases as required by Ind AS 17 and instead, introduces a single lessee accounting model whereby a lessee is required to recognise assets and liabilities for all leases with a term that is greater than 12 months, unless the underlying asset is of low value, and to recognise depreciation of leased assets separately from interest on lease liabilities in the income statement. As Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17, a lessor will continue to classify its leases as operating leases or finance leases and to account for those two types of leases differently. Ind AS 116 is effective from April 1, 2019, with early adoption allowed only if Ind AS 115 - Revenue from Contracts with Customers is also adopted.

39 SEGMENT REPORTING

The Group has identified Business segments as its primary segment and Geographical segments as its secondary segment taking into account the nature of services, differing risks and returns, the organizational structure and the internal reporting system of the Group. Inter-company transfers are accounted for at market / negotiated prices in case of transactions of special nature for which suitable alternative sources do not exist.

Revenues and direct expenses in relation to segments are categorized based on items that are individually identifiable to that segment or those which can be reasonably allocated to the segment. Depreciation and other expenses which relate to the group as a whole and which cannot be reasonably allocated to any segment have been disclosed as unallocated expenses.

a) Primary segment: Business segments

Notes:

- Due to diversified nature of business, significant portion of assets are interchangeably used between segments and the management believes that its segregation will not be meaningful.
- The reportable segments are described as follows:
 - STP Technologies / solutions segment represents straight through processing solutions and includes an integrated mix of various products, projects and services incidental thereto. Exchange Based segment represents trading platform for multi asset class like commodity, equity, equity derivatives and forex based derivatives etc.
 - The businesses, which are not reportable segments during the year, have been grouped under the "Others" segment. This mainly comprises of various services towards trading, procurement, process management, risk consultancy activities, Shared Business Support Services, IT Infrastructure Sharing, NBFC related activities, internet telecommunication services and Training, Certification and Franchise Fees.
- Previous year figures are given in brackets and are regrouped to confirm to current year's classification and segment loss is indicated by '-ve sign.

b) Secondary Segment: Geographical segments:

The Group has two geographical segments viz, within India and outside India. Significant portion of segment operational assets are in India. Revenue from geographical segments based on domicile of the customers is outlined below:

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole. The fair value hierarchy is described as under:

- Level 1 hierarchy includes methods and input that use active quoted prices depending upon type of instrument. Management has used closing prices and values of closing NAV's as applicable in case of financial instruments covered under this level.

NOTES

forming part of the financial statements for the year ended March 31, 2019

- Under level 2 the fair value of the financial instruments that are not traded in any active market are determined using appropriate valuation techniques with the use of observable market data without relying much on the estimates that are entity specific. The inputs under this level are always observable.
- In case of level 3 if one or more of the significant inputs are not derived on the basis of observable market data then fair value estimations derived with such inputs are included in level 3.
- The Company follows a policy to recognise transfers between the levels only at the end of reporting period and accordingly there are no transfers between levels during the year.

The information based on the above levels is tabulated here below:

42 RISK MANAGEMENT**Credit risk management**

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Group's receivables from customers and investment securities.

Trade receivables

The Group's exposure to credit risk is influenced mainly by the individual characteristics of each customer. Credit risk is managed through credit approvals of customers to which the Group grants credit terms in the normal course of business and their past transactions. Impairment losses in respect of trade receivables are assessed at party level on each reporting date. The Group establishes an expected credit loss allowance for trade receivables based on historical trends.

Financial instruments and bank balances:

The Group limits its exposure to credit risk by generally investing in securities with a good credit rating. The credit rating is being reviewed by the Group periodically. Please refer Note 49 regarding the Parent Company's investment in Non-Convertible Debentures of IL&FS Transportation Networks Ltd. Balances with banks are subject to low credit risks due to good credit ratings assigned to these banks.

NOTES

forming part of the financial statements for the year ended March 31, 2019

Liquidity risk

Liquidity risk is the risk that the Group will not be able to meet its financial obligations as they become due. The Group's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. Typically the Company ensures that it has sufficient cash on demand to meet expected operational expenses, servicing of financial obligations.

The table below provides details regarding the contractual maturities of significant financial liabilities as at March 31, 2019 and March 31, 2018:

FOREIGN CURRENCY RISK

The Group's exchange risk arises primarily from its foreign currency borrowings, and balances in overseas bank accounts (in U.S. dollars). The exchange rate between the Indian rupee and US dollars has changed substantially in recent periods and may continue to fluctuate in the future. The Group has entered into forward contract for partial amount of its borrowings as on 31.03.2019 to mitigate the foreign exchange exposure of borrowings due in short term.

As at 31 March, 2019, the net unhedged exposure to the Group on holding financial assets (trade receivable and capital advances) and liabilities (trade payables and capital creditors) other than in their functional currency amounted to rupees ₹ NIL payable (31st March, 2018: ₹ 10,114.36 lakhs).

For the year ended March 31, 2019 every 1% increase / decrease of the respective foreign currencies compared to functional currency of the Group would result in loss / gain of ₹ 15.79 lakhs

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's exposure to the risk of changes in market interest rates was related primarily to the Group's debt obligations with floating interest rates. To mitigate the interest rate risk, the Group had entered into interest rate swap contracts for covering partial borrowing to fixed rate of interest from floating rate. The Group's investment are primarily in long term fixed interest rate securities and hence do not carry substantial interest rate risk.

The Group's investment are primarily in long term fixed interest rate securities and hence do not carry substantial interest rate risk.

Price Risk

The Group is mainly exposed to the price risk due to its investment in debt mutual funds. The price risk arises due to uncertainties about the future market values of these investments.

The Group has laid policies and guidelines which it adheres to in order to minimise price risk arising from investments in debt mutual funds.

- 43 During the previous year ended March 31, 2018, transaction relating to granting license of the application software PowerARMS™ DAM, Power ARMS™ TAM & REC, Back Office and SLDC software along with source code to Indian Energy Exchange (IEX) was completed and the Parent Company had recognized revenue of ₹ 9,720.00 lakhs. During the current year balance of ₹ 1080.00 lakhs which was kept in escrow account as per the term of agreement was released and included in revenue. The said license is perpetual, irrevocable, non-transferable and non-assignable.
- 44 During the year, Bahrain Financial Exchange BSC (c) (BFX), which is a stepdown subsidiary through FT Group Investments Pvt. Ltd. a Mauritius based entity, along with its subsidiary, BFX Clearing and Depository Corporation B.S.C (c) (BCDC) were dissolved and final distributions were made to shareholders.

- 45 The parent Company has executed a Share Purchase Agreement (SPA) with NTT Data Corporation, Japan, for sale of its 55.35% stake in Atom Technologies Limited, a subsidiary of the Company, for an aggregate consideration of USD 9.24 million. The completion and closure of the said transaction is subject to fulfilment of certain customary closing conditions and the Company obtaining necessary Orders / approvals from the relevant Courts and National Company Law Appellate Tribunal in respect of the said transaction.
- 46 The Group has a total MAT credit entitlement of ₹ 9,018.43 lakhs as at March 31, 2019, during the year the Group has utilized MAT credit of ₹ 178.79 lakhs for the year ended March 31, 2019. The management of the Group is confident that the Group will be able to utilize unexpired MAT entitlement in future projected years.
- 47 As per Section 135 of the Companies Act 2013, during the year the parent Company was required to spend ₹ 45.30 lakhs (Previous year ₹ 56.72 lakhs) towards a Corporate Social Responsibility (CSR). During the year, an amount ₹ 151.60 lakhs (Previous Year ₹ 387.95 lakhs) were utilized on the activity specified in Schedule VII of the Companies Act, 2013. to a separate Balance earmarked funds were transferred bank account and ₹ the same shall be utilized on activities which are specified in Schedule VII of the Companies Act, 2013.
- 48 During the previous year ended March 31, 2018, certain perpetual bonds of various reputed banks in which the parent Company had invested were prematurely redeemed on their own by the respective banks on account of RBI placing the banks under Prompt Corrective Action (PCA) as regulatory event and without any instructions / action of the Company. The original call dates of each of the aforesaid Bonds were much later in time, with the earliest being January 12, 2020, however these banks opted for premature redemptions. Consequently, the Parent Company has recognized impairment loss to the extent of ₹ 3,145.92 lakhs in respect of these bonds which has been shown under exceptional items in previous year.
- 49 The Parent Company has investment in 11.50% Non-Convertible Debentures and 11.80% Non-Convertible Debentures issued by IL&FS Transportation Networks Ltd. (ITNL) (subsidiary of Infrastructure Leasing & Finance Ltd. – ILFS) amounting ₹ 10,000 lakhs each (face value) which shall mature in June & December 2024 respectively. The debentures are secured by way of charge on certain assets of ITNL. The ILFS group has been facing severe liquidity crisis. The National Law Tribunal has allowed the government to supersede the board of ILFS and appoint its nominees. The new board has initiated the efforts under supervision of NCLT to monetise the assets of ILFS group companies to reduce their debts, outcome of which is awaited. The Parent Company is monitoring developments and has filed application with NCLAT for seeking impleadment in matter of ILFS as financial creditor. In view of above, the Parent Company is unable to estimate any allowance for expected credit loss for these investments. Further, ITNL has defaulted on half yearly interest payment which was due in January 2019 and hence on conservative basis, the Parent Company has estimated credit loss to the extent of 100% interest due till March 31, 2019 amounting to ₹ 1,618.27 lakhs and derecognised.
- 50 During the previous year, the Securities Exchange License of step down subsidiaries Bourse Africa Limited (BAL), a wholly owned subsidiary of FT Group Investments Pvt. Ltd. (FTGIPL), Mauritius was terminated together with Clearing & Settlement Facility License of BAL's wholly owned subsidiary Bourse Africa Clear Limited. (BACL). During the year, management of these companies has appointed liquidator to wind up the companies

pending the final hearing and disposal of the Notice of Motion. This Notice of Motion was filed in one of the suits. In compliance to the said order, the Parent Company has not distributed the final dividend for the financial year 2014-15 @ ₹ 5/- per share amounting to ₹ 2,303.93 lakhs, to the shareholders pursuant to the directions of the Hon'ble Bombay High Court and hence is not in default in compliance with the statutory provisions under the Companies Act, 2013. Further, the shareholders of the Parent Company have approved final dividend for year 2016-17 and 2017-18 @ ₹ 2/- per share for each year, aggregating to ₹ 1,843.14 lakhs, subject to appropriate judicial order which is also pending for distribution to the shareholders due to aforesaid restrictions. All the Notice of Motions and the Contempt Petitions filed against the Parent Company have been tagged together and pending for hearing.

On May 27, 2019, the Board of Directors of the Parent Company have proposed a final dividend of ₹ 2 per share in respect of the year ended March 31, 2019 subject to the approval of shareholders at the Annual General Meeting. The proposal is subject to the approval of shareholders at the Annual General Meeting, and if approved, would result in a cash outflow of approximately ₹ 1,084.20 lakhs, inclusive of corporate dividend tax of ₹ 189.43 lakhs. The distribution of dividend is subject to appropriate Judicial order.

55 On February 12, 2016, Ministry of Corporate Affairs ("MCA") passed a final order of amalgamation (Final Order) of National Spot Exchange Limited (NSEL) with the Parent Company under Section 396(1) of the Companies Act, 1956. The Parent Company had challenged the Final Order by way of a Writ Petition before the Hon'ble Bombay High Court, which was dismissed by the Hon'ble Bombay High Court by its order dated December 4, 2017. The Parent Company filed a Special Leave Petition against the said order dated December 4, 2017 before the Hon'ble Supreme Court of India. The Hon'ble Supreme Court of India was pleased to allow the appeal and set aside the order dated December 4, 2017 and was pleased to hold that the amalgamation order dated February 12, 2016 is ultra vires Section 396 of the Companies Act, and violative of Article 14 of the Constitution of India.

56 The Union of India, through the Ministry of Corporate Affairs ("MCA"), has filed the Company Petition inter alia under Sections 397 and 398 read with Section 388B, 388C, 401, 402, 403, 406 and 408 of the Companies Act, 1956 (the "Act") before the Principal Bench of the Company Law Board at New Delhi (the "CLB"), inter-alia seeking removal and supersession of the Board of Directors of the Parent Company. Subsequently, the matter was transferred to NCLT, Chennai. The NCLT has as interim arrangement with consent formed a committee to consider sale of the assets of the Parent Company pursuant to regulatory directions / requirements, treasury management and funding requirements of the subsidiaries ('Committee').

The NCLT vide its order dated June 4, 2018, rejected the prayer of the Union of India for removal and supersession of the entire Board of the Parent Company and ordered MCA to nominate three directors on the board of the Parent Company. The Parent Company has preferred appeal before the NCLAT, Delhi, against the said NCLT order. The NCLAT was pleased to stay the NCLT order. As interim arrangement, while pending the appeal functioning of Committee is continued. The appeal is pending for hearing

57 a. During the previous years, civil suits have been filed against the Parent Company in relation to the counter party payment default occurred on the exchange platform of NSEL, wherein the Parent Company has been made a party. In these proceedings certain reliefs have been claimed against the Parent Company, inter-alia, on the ground that the Parent Company is the holding company of NSEL. These matters are pending before the Hon'ble Bombay High Court for adjudication. The Parent Company has denied all the claims and contentions in its reply. There is no privity of contract between the Parent Company and the Plaintiffs therein. The management is of the view that the parties who have filed the Civil Suits would not be able to sustain any claim against the Parent Company. The matters are pending for hearing before the Hon'ble Bombay High Court.

b. First Information Reports (FIRs) have been registered against various parties, including the Parent Company, with the Economic Offences Wing, Mumbai (EOW) and Central Bureau of Investigation (CBI) in connection with the counter party payment default on NSEL trading platform. After investigation, EOW, Mumbai has presently filed 4 charge-sheets in the matter. The Parent Company has been named in the charge sheet in December, 2018 copy of which was received by the Parent Company in April, 2019. - 61** Modulus Financial Engineering filed a copyright infringement suit against the Parent Company claiming that the Parent Company had breached the license granted by Modulus to the Parent Company in the use of its ODIN software. The Parent Company has denied all these claims in its reply and written statement. The Notice of Motion seeking interim relief against the Parent Company has been disposed of by a consent order. The suit is pending for final hearing and disposal.

Various updates and relevant notes relating to NSEL and its subsidiary companies: (Note No. 62 to 80)

62 SETTLEMENT GUARANTEE FUND

i. SGF-MC balance as at March 31 ,2019

NSEL has a separate Settlement Guarantee Fund, which is created out of Members' Contribution (SGF-MC) in respect of the activities carried out on the spot trading in various contracts on Exchange. The members are required to contribute to the fund in the form of security deposit and interest free margin money in the form of cash and non-cash, which forms part of the SGF-MC. The margin money was refundable, subject to adjustments, if any and exposure of members. The cash margin money forming part of SGF-MC was ₹ 3,746.09 lakhs (Previous year ₹ 3,746.09 lakhs) (included in Note 19 on other current financial liabilities under members liabilities). NSEL had also collected non cash portion of the SGF-MC comprising of collaterals such as bank guarantees, securities and fixed deposits receipts received from the members amounting to ₹ Nil (Previous year ₹ NIL).

The composition of SGF-MC as on March 31, 2019 was as under.

(₹ in lakhs)		
Initial Margin	As at 31.03.2019	As at 31.03.2018
Cash Margin	3,746.09	3,746.09
Non Cash Margin - FDR	-	-
Non Cash Margin - Bank Guarantee	-	-
TOTAL	3,746.09	3,746.09

It is a practice in India among the Stock and Commodity Exchanges that SGF-MC consists of aforesaid 2 components viz. cash and non-cash, collected from the members as security deposit and margin money. Cash Component shall form part of liabilities in Balance Sheet.

Non cash component is disclosed by way of "Notes to Accounts."

- ii.** The SGF-MC currently shows a net outstanding amount of ₹ 3,746.09 lakhs (Previous year ₹ 3,746.09 lakhs) which is pertaining to the existing non-defaulting clearing Members. While the exchange has taken many legal, regulatory and commercial measures against the defaulters, it is not clear how much money would be eventually recovered and by when, as the entire process is sub-judice. In case the Exchange fails to secure the balance money or there is undue delay in recovery then the exchange would as per the bye laws call for the balance amount as may be considered appropriate to be recovered from the all non-defaulting clearing members as per its bye law number 12.9.2 and 12.10 besides other applicable bye laws for settlement of claims. However, this decision would be taken post the legal adjudication of pending legal cases wherein this subject matter is being adjudicated or at an appropriate time when considered suitable by the Board of Directors of NSEL.

In NSEL, as on the date of the Balance Sheet, amounts to be recovered from defaulting members is ₹ 5,225.55 crores (Previous Year ₹ 5,225.55 crores) and amount to be paid to non-defaulting members is ₹ 4,905.60 crores (Previous Year ₹ 4,905.60 crores). Apart from this, an amount of ₹ 209.11 crores (Previous Year ₹ 209.11 crores) is payable to certain seller Members after completion of required documentation on part of seller Members. However major portion of the same is yet to be recovered from buying members and such unrecovered amount is included in amount recoverable from defaulting members. None of the amounts payable to members are liabilities of NSEL, as the Exchange is only a provider of platform to its members for trading.

64 While NSEL had completed the settlement to other ITC's and TCM's for settlement period up to 30th July, 2013, certain amount was due to IBMA pertaining to settlement obligation up to such period. Such funds were receivable for onward payment to IBMA constituent members and clients. In the absence of the release of the amounts in the aforesaid settlement the IBMA had released such payments, in favor of its constituents out of funds available at its disposal. The outstanding settlement obligation receivable as on the balance sheet date is presented on net basis after reducing amount payable to the constituent members and clients along with other credits in the trading member and client ledger. Accordingly an amount of ₹ 1,876.44 lakhs is shown under "Other assets" in the balance sheet.

- 65 a** In case of NSEL, out of the recoveries made from defaulting members, Competent Authority (CA) have disbursed some amounts to members during current year and earlier years. NSEL has not received details from CA of such recoveries and disbursement to members. In absence of details of such recoveries and disbursement with NSEL, NSEL has not updated its Exchange books.
- b** In case of IBMA, out of the recoveries made from defaulting members of Exchange, Competent Authority (CA) have disbursed some amounts to members and clients during current year and earlier years. IBMA has not received details from CA of such recoveries and disbursement to members and clients. In absence of details of such recoveries and disbursement with the IBMA, IBMA has not updated its records.

66 ARBITRATION AWARD IN CASE OF NAFED AGAINST PROCUREMENT TRANSACTIONS:

In case of NSEL, outstanding recoverable from National Agricultural Co-operative Marketing Federation of India Limited (NAFED) against procurement of cotton as on 31st March 2018 was ₹ 6,984.71 lakhs net of provision ₹ 6,529.44 lakhs and shown under "Other Current Assets" and ₹ 702.74 lakhs has been shown under Trade receivables. Apart from this, an amount of ₹ 426.65 lakhs was receivable by NAFED from parties against sale of cotton seeds. Said amount was to be adjusted against payment of Ginning and pressing charges payable by NSEL. Accordingly, net amount recoverable from NAFED was ₹ 6,805.53 lakhs.

During the Financial year 2017-18, NSEL had received arbitration award dated 1st May 2017 in the above matter.

Award states that NAFED has to pay an amount of ₹ 6,805.53 lakhs for season 2008-09 and 2012-13 along with interest from the date of occurrence to the date of award which works out to be ₹ 8,935.93 lakhs. Award also states cost of arbitration to be paid is ₹ 25.00 lakhs and further interest shall be paid @ 14% p.a. from the date of award till the date of actual payment.

The said Award dated 1st May, 2017 was challenged by NAFED before the Hon'ble Delhi High Court and Hon'ble Supreme Court of India and the Appeals were dismissed and both the Hon'ble Courts confirmed the award except the future interest was reduced to 12% p.a. from 14% p.a. and cost was reduced to ₹ 10.00 lakhs from ₹ 25.00 lakhs.

During the year in Execution Petition filed by NSEL against NAFED in the Hon'ble Delhi High Court, NSEL has received amount of ₹ 6,516.73 lakhs from NAFED and another amount ₹ 3,214.94 lakhs was deposited by NAFED as per order of the Hon'ble Delhi Court dated 28th May, 2018 & 11th Jul 2018 in the Delhi High Court Registry. The NAFED has filed Chamber Summons before the Hon'ble High Court of Bombay Seeking transfer an amounts ₹ 3,214.94 lakhs from the registry of Delhi High Court to NSEL Escrow account and further prayed that same to be distributed to the traders. The Chamber summons is pending before High Court of Bombay and next date of same is 17th June, 2019.

NSEL has accounted receipt of the amount of ₹ 6,516.72 lakhs and balance excess provision of ₹ 37.37 lakhs has been reversed during the year. An amount of ₹ 288.81 lakhs is shown under "Other Current Assets".

Interest on award and cost of arbitration will be accounted on receipt basis.

NSEL has not treated the amount deposited by NAFED directly with registry as receipts from NAFED and has kept its claim pending from NAFED.

67 IMPAIRMENT OF FINANCIAL ASSET

In case of NSEL, it had utilized its own funds to the extent of ₹ 24,372.92 lakhs in settlement to members. These amounts are appearing under "Other Financial Assets as "other receivable".

NSEL will get the amount out of recovery from defaulting members. NSEL has secured decrees / Arbitration Award worth ₹ 3,365.00 crores and has initiated execution proceedings against the Defaulting members to recover Decretal amounts and further expects to recover full money from defaulting members and do not expect any loss on that account. Accordingly, provision for impairment of Financial Asset related to above receivables is not made.

- 68** In case of NSEL the commodities lying in the designated delivery centers / warehouses relating to transactions carried out by members on exchange platform were not the property of NSEL and hence such inventory of commodities is not getting reflected in the books of accounts of NSEL. Similarly, such inventory was never purchased by NSEL and hence any liability thereto was neither liability of NSEL nor contingent liability of NSEL requiring any disclosure. This is an admitted fact in various proceedings pending before various forums. This is also the industry practice.
- 69** NSEL in FY 2013-14, appointed M/s. SGS and M/s. Group 4 securities to survey & secure stocks respectively at various warehouses. Wherever the agency could find the commodities, NSEL took said commodities in its possession for liquidating the same. NSEL is in process of liquidating the commodities by following auction process under supervision and direction from MPID Court through Competent Authority. NSEL is incurring warehousing rent and security charges to safeguard the commodities lying at such warehouses.
- 70** In NSEL, with regard to internal controls relating to storage of goods and issuance of warehouse receipts, prior to the suspension of the exchange related operations of the company, it is the case of NSEL that the concerned officials in management might have colluded with the defaulting members and apparently facilitated issuance of warehouse receipts purportedly without adequate underlying stocks, which is under investigation. It is a fact that there were cases where stocks were available and in some cases adequate stock was not available. The Members were satisfied with the same, without any demur as some of them in fact visited the concerned warehouses. The verification of reconciliation of the commodities claimed to have been made available by erstwhile management with the other corroborative documents, contemporaneously maintained at various levels is possible only after investigations are concluded. The relevant documents and other records have been seized by investigation agencies and the exact nature of malfeasance and mismatch if any, cannot be ascertained at this stage. Investigating agencies are investigating genuineness of the warehouse receipts issued by the Exchange and impact on financials if any can be ascertained after investigations are concluded and orders are obtained from the Court. Enforcement Directorate has applied provisions of Prevention of Money Laundering Act 2002 (PMLA) on defaulting members and NSEL.

71 LEGAL AND REGULATORY FRAMEWORK FOR SPOT EXCHANGE AND RELATED ISSUES IN NSEL

The operations of NSEL are currently suspended. NSEL had carried its 'exchange related activities' up to July 31, 2013 and launch of new contract was suspended from August 01, 2013 and e-Series contracts were traded till August 06, 2013, as the launching of new e-Series contracts was suspended from August 07, 2013 as per notification of Ministry of Consumer Affairs. The chronology of events took place post settlement default is as under:

a. Legal and Regulatory framework

NSEL had commenced its trading activities on October 15, 2008 pursuant to an exemption notification no. S.O. 906 (E) dated June 05, 2007 issued by the, Ministry of Consumer Affairs, Govt. of India (MCrA) ("the exemption Notification"). Subsequently, Forward Markets Commission (FMC) was nominated as the Designated Agency w.e.f. August 5, 2011 by the Ministry of Consumer Affairs vide letter S.No.(3)/f.No. 12/3/2003-IT(Pt).

NOTES

forming part of the financial statements for the year ended March 31, 2019

This was notified vide notification No.S.O.228(E) dated 06 February 2012.

NSEL received Show Cause Notice (SCN) dated April 27, 2012 from MCRA, alleging violation of certain conditions of the Exemption Notification by NSEL. The Company replied to the SCN vide its letter dated May 23, 2012. The Company followed-up with MCRA vide letters dated August 11, 2012 and July 8, 2013. The market was also informed about the SCN dated April 27, 2012 along with Companies response vide communication dated October 03, 2012.

Subsequently, MCRA vide its letter dated July 12, 2013 directed NSEL to submit an undertaking in the context of the said SCN stating that:

- i. No further / fresh contracts shall be launched until further instructions from the concerned authority.
- ii. All the existing contracts will be settled on the due dates.

Accordingly, NSEL submitted an undertaking on July 22, 2013, stating that:

- i. We undertake not to launch any further / fresh contracts in new commodities and/or at new places till further instruction from concerned authority.
- ii. We undertake that we shall settle all the contracts traded on the Exchange on their respective 'settlement due dates,' as per contract specification notified by the Exchange.

In view of the above, there was loss of trading interest among the participants due to uncertainties leading to trade in-equilibrium. There was possibility of payment and settlement defaults at NSEL exchange platform by some trading members, which came to the notice of Board on July 30, 2013. Therefore, NSEL issued a circular on July 31, 2013, informing its members inter-alia that with immediate effect all one day forward contracts would be suspended till further instructions; however the trading in e-series contracts, e-auction, e-procurement, MSP operations on behalf of Government agencies (NAFED and SFAC), etc. would continue.

The trading platform of the Exchange was suspended w.e.f. August 07, 2013 under directions from the MCRA vide notification No. F.No.12/3/2003-IT (Vol. II) dated August 06, 2013. The Government by gazette notification S.O. 2529(E) dated September 19, 2014 has withdrawn the gazette notification S.O. 906 (E) dated June 05, 2007 (exemption notification) with immediate effect. FMC vide letter dated November 05, 2014 has informed NSEL that the notification S.O. (E) 228 dated February 06, 2012 and notification S.O. 2406 (E) dated August 06, 2013 ceased to be in force w.e.f. September 19, 2014.

b. Irregularities identified in NSEL

In view of the alleged fraud perpetrated by the defaulting members in collusion with the erstwhile Managing Director & Chief Executive Officer of NSEL and other senior officials and due to sudden suspension /termination of the trading activities on the exchange platform, settlement payment default to the tune of ₹ 5,689.50 crores occurred.

NSEL has launched complaints against Mr. Anjani Sinha, ex-MD & CEO and other senior officials with Mumbai Police. Relevant documents and other records have been seized by investigating agencies and the exact nature of malfeasance and mismatch, if any, as to commodities cannot be ascertained at this stage. Without completion of investigation, impact if any, of the said irregularities on NSEL, cannot be ascertained. Since matter is under investigation by EOW, CBI and ED, neither the nature of irregularity involved in such misuse of powers, nor the amount involved can be presently ascertained as in all matters investigation is under progress or matter is sub-judice.

NSEL also suspended services of erstwhile MD & CEO and other senior officials of NSEL on August 20, 2013 and terminated services immediately thereafter, as remedial measures.

The availability of commodities sold and purchased by members on the companies exchange platform on March 31, 2013 was not under any doubt since there were no disputes on the availability of stock and all settlement obligations were smoothly completed including the delivery of commodities. The erstwhile NSEL's management had regularly provided details of warehouse receipts assigned to different trades. The Members were satisfied with the same, without any demur, as some of them in fact visited the concerned warehouses to verify the physical stock. NSEL's MD & CEO Mr. Anjani Sinha submitted to the Board of NSEL as well as FMC, the stock position as on July 31, 2013 which has reported adequacy of value of stock to cover the trades. Further then NSEL's MD & CEO Mr. Anjani Sinha and other senior official always maintained in various reports that the seller had deposited stocks in the designated warehouses. NSEL understand that the reconciliation of the commodities claimed to have been available by erstwhile NSEL's management team with the other corroborative documents contemporaneously maintained at various levels is possible only after investigations are concluded.

The relevant documents and other records have been seized by investigation agencies and the exact nature of malfeasance and mismatch, if any cannot be ascertained at this stage as mentioned above. Investigating agencies are investigating genuineness of the warehouse receipts issued by the Exchange and impact on financials, if any, can be ascertained after investigations are concluded and orders are obtained from the Court based on factual position and merits. Enforcement Directorate has applied provisions of the Prevention of Money Laundering Act 2002 (PMLA) on defaulting members and exchange and investigation is in progress.

c. Views on MCra on legality of trading done on exchange platform in NSEL:

All contracts traded on the exchange platform were proper and in consonance with the applicable laws, bye-laws and rules of the exchange and there were no violations in this regard. NSEL had obtained a legal opinion on the legality of the contracts. In this regard NSEL refers to the affidavit filed by MCra in writ petition no. 2340/2013, wherein the following points are mentioned:

View of MCra on Legality of NSEL contracts (Extracts from Affidavit of MCra in Writ Petition (Lodge) No. 2340 of 2013):

- i. Para 28, Page 31 "The NSEL instead of adhering to the conditions of exemption quoted practical difficulties and also contended that the exemption is not confined to any specific section of FCRA, rather it extends to all provisions of FCRA was taken into account. Also the fact which emanated from FMC's communication that the other exchange that is, NCDEX Spot Exchange, which was also granted exemption under section 27 of FCRA was violating the conditions of the exemption order."
- ii. Para 29, Page 31 "pending legal advice with respect to withdrawal of exemption granted under section 27 of the FCR Act, the answering respondent on July 12, 2013 directed NSEL to give an undertaking"
- iii. Para 31, Page 32 "FMC in its detailed response dated July 19, 2013 has stated..... exemption from operation of the provisions of the said Act... are silent whether the exemption is applicable to all or specific provisions of the Act"
- iv. Para-wise Reply 9, Page 54 "this direction was issued in public interest to ensure that all the existing obligation is honoured on due date and the exchange is stopped from entering any fresh contract as to ensure that till a proper decision in the matter is taken, the exchange should not be allowed to invite and promote fresh contracts."

It may be highlighted here that Government while issuing further notifications dated August 06, 2013 and September 19, 2014 did not adjudicate the SCN dated April 27, 2012 by declaring the contracts issued by NSEL illegal.

- v. Para-wise Reply 9, Page 57 "it was appropriately thought by the answering respondent that additional conditions be imposed to restore the market sanctity as well as to allay the fears in the minds of the people that NSEL is unregulated."

This proves the point that in the eye of the Ministry of Consumer Affairs, the NSEL was a regulated entity even in August, 2013. The above comments of Ministry of Consumer Affairs confirm that:

- i. There were differences in views between NSEL and FMC as to the extent of the exemption notification dated June 05, 2007.
- ii. FMC finally confirmed by its letter dated July 19, 2013 that the exemption is silent as to whether it is from all or specific provisions of FCRA
- iii. NCDEX Spot Exchange was also having contracts with deliveries beyond 11 days.
- iv. FMC/MCra were monitoring / regulating NSEL and other Spot Exchanges.
- v. As on July 12, 2013 when directions were issued by MCra directing NSEL to give an undertaking which lead to closure of exchange operations. MCra had not even taken legal opinion whether NSEL was in violation. In fact MCra's view was that after final decision taken, new contracts may be allowed (Pg. 54 of affidavit).

d. Availabilities of commodities

As far as availability of commodity is concerned, it was confirmed by earlier management of NSEL that there were systems and processes in place for deposit of commodities and generation of warehouse receipts and allocation for the same. NSEL believed that existence of commodities in warehouse on the following grounds:

- i. The depositing members' declarations offering the commodity as available in warehouse.
- ii. Invoices submitted by selling members.
- iii. The officials concerned in NSEL at the relevant time satisfying themselves, that there were commodities deposited,
- iv. Generation of warehouse receipt's by the concerned officials for assigning to trades.

It has come to the notice later when the matter was investigated by auditors/others namely SGS which was appointed by the NSEL Board that there were instances where the commodities were found missing and there were instances of commodities being available partly or fully. This is now part of the investigations by EOW and other investigation agencies.

The commodities lying in the designated delivery centers relating to transactions carried out by members on exchange platform were not the property of NSEL and hence such inventory of commodities is not getting reflected in the books of accounts of NSEL. Similarly, such inventory was never purchased by NSEL and hence any liability thereto was neither liability of NSEL nor contingent liability of NSEL requiring any disclosure in the accounts or notes to accounts of NSEL.

e. Notices / Inspections / Audits / Investigations in NSEL:

- i. NSEL has been served with notices / letters / summons from various statutory authorities / regulators / government departments and some purported aggrieved parties. NSEL is party to many proceedings filed by / or against NSEL which are pending before different forums. NSEL has always responded and co-operated with the agencies and various forums and replied promptly clarifying its stand all the times.
- ii. NSEL has surrendered all Agriculture Produce Market Committee (APMC) licenses in view of the fact that it is not operational.
- iii. An inspection of the Company under Section 209A of the Companies Act, 1956 was carried out. Pursuant to such inspection, the Company received certain notices of non-compliances with certain provision of the Companies Act, 1956 from the Ministry of Corporate Affairs. The Company replied to all such notices and had filed applications for compounding of all compoundable violations as per the provisions of the Companies Act, 1956. The proceedings are stalled as SFIO investigation under Section 212(1) of the Companies Act, 1956 is under progress therefore, the amount of penalty cannot be accurately ascertained at this stage. Further, prosecution has been initiated by the Registrar of Companies for non-compoundable offences and the matters are pending before Metropolitan Magistrate, Girgaon Court, Mumbai. The Company has taken suitable steps to avoid such non compliances.
- iv. Investigation u/s 212(1) of the Companies Act, 2013 by SFIO: Serious Fraud Investigation Office, Ministry of Corporate Affairs, Govt. of India, Regional Office, Mumbai ("SFIO") has been completed and SFIO office has filed its report to the office of MCA.
 Director, FIU-India had issued a Show Cause Notice alleging that NSEL is 'deemed intermediary' and therefore a 'reporting entity' under the Prevention of Money-Laundering Act (PMLA) and hence was required to comply with the provisions of the Act. NSEL had filed its reply however, Director-FIU passed an Order on November 04, 2015, imposing a total penalty of ₹ 1.66 crores on NSEL for not getting registered as a reporting entity and allegedly not furnishing reports and consequently not appointing Principal Officer as prescribed under the PMLA.
 NSEL filed an appeal No. FPA-PMLA-1168/DLI/2015 under the PMLA challenging the above Order. The Appellate Tribunal, PMLA at New Delhi vide its Order dated June 27, 2017 disposed of the Appeal by modifying the part of the order in relation to the maximum penalty and reduced the penalty from one lac for each failure to ₹ 15,000/- for each failure. NSEL as per interim order dated August 31, 2016 of Appellate Tribunal had deposited an amount of ₹ 25.00 lakhs with the Director, FIU-India. The Tribunal further ordered that after deducting the penalty as per the aforesaid order, remaining amount be refunded to NSEL.
 FIU-India has filed Criminal Appeal No. 885 of 2017 in the Hon'ble Delhi High Court challenging the Judgment and Order dated June 27, 2017 passed by the Appellate Tribunal, PMLA, New Delhi and the same is pending for hearing. NSEL also filed Criminal Appeal in the Hon'ble Bombay High Court challenging the judgement dated June 27, 2017 passed by the Appellate Tribunal, PMLA, New Delhi and the same is pending for hearing.
- v. NSEL received a Summons dated April 04, 2016 from the Superintendent (Anti-evasion) Service Tax-V, Mumbai calling upon NSEL to submit certain documents / records. The Officer of the Commissioner of Service Tax issued demand notice of ₹ 1,322.51 lakhs for contravening the provisions of the Finance Act, 1994 and have made liable for penalty u/s 78A of the Finance Act, 1994. NSEL has filed its reply and the matter is pending hearing.
- vi. The property attachment notice received by NSEL from ED: The Enforcement Directorate (ED) had passed two orders dated September 14, 2016 and September 30, 2016 under Sec 5(1) of the PMLA, 2002 pertaining to provisional attachment of properties of the Parent Company. In the absence of equivalent assets of NSEL, the assets worth ₹ 1,401.97 crores of its ultimate the Parent company is attached. The Adjudicating authority by its order dated March 09, 2017 & March 22, 2017 has confirmed the provisional attachment of properties of the Parent Company. NSEL has filed its appeal against the said Order and the matter is sub-judice.

f. Civil Suits / Complaints / Writs / Public Interest Litigations / Other matters

- i. Proceeding before NCLT, Chennai: Company Petition No. 1 of 2015 was filed by Union of India against FTIL (presently known as 63 Moons Technologies Limited - 63MTL) & Ors. for taking action under Section 397/398 of the Companies act 1956 against 63MTL, its Board of Directors and its subsidiary company to supersede the Board of Directors of 63MTL with Government Nominee Directors in public interest. The NCLT, Chennai Tribunal by their Judgment & order dated June 04, 2018 disposed off the Petition filed by UOI and held that the Directors of NSEL during the trading period are not fit & proper persons to hold the Office as Director or any other office connected with the conduct & management of 63MTL and NSEL and also not eligible for appointment as Director in any other company. The Tribunal also order that Government may nominate not more than 3 directors to the board of 63MTL to take care the interest of all stake holders and to protect the interest of the investments of 63MTL in its subsidiaries.
 UOI, 63MTL and Directors of 63MTL have filed separate appeals challenging the order dated June 04, 2018 before National Company Appellate Tribunal, New Delhi bearing Appeal Nos. 192, 186, 187, 188, 189 & 190 of 2018 respectively. In the said appeal Appellate Tribunal granted stay to order dated June 04, 2018 and the appeals are sub-judice.
- ii. NSEL had received draft order of amalgamation from Government of India, Ministry of Corporate Affairs dated October 21, 2014 for amalgamation of NSEL with its Parent Company, 63 Moons Technologies Limited (63MTL) under Section 396 of the Companies Act, 1956. 63MTL, shareholders of 63MTL and various other interested parties had challenged the said order by filing writ petitions before the High

Court of Bombay. The Hon'ble Division Bench of the High Court of Bombay by its order dated December 4, 2017 has dismissed the writ petitions of 63MTL and all the other parties. While dismissing the above writ petitions the Hon'ble Court extended the interim protection for 12 weeks from the date of order.

Subsequently, 63MTL and NSEL have challenged the above said order of the Hon'ble High Court of Bombay by filing Special Leave Petition (Civil) No. 4210/2018 and 4816/2018 respectively before the Hon'ble Supreme Court of India. The Hon'ble Supreme Court vide its order dated 30th April 2019 allowed the appeals and set aside the impugned judgement dated December 4, 2017 passed by the Hon'ble High Court of Bombay. While allowing the appeal the Hon'ble Supreme court held that the order dated 12th December 2016 is ultra vires of section 396 of the Companies Act 1956 and violative of Article 14 of the Constitution of India.

g. Steps taken by NSEL post settlement default

- i. NSEL is currently in the process of recovery and settlement of dues from the defaulting members.
- ii. As far as controls for financial accounting, reporting and preparation of financial statements, the existing controls have been reviewed by the current NSEL management and wherever necessary it has been strengthened. The current NSEL management, for the purpose of ensuring appropriate controls over the financial reporting process and the preparation of the financial statements, have implemented specific procedures.
- iii. As per NSEL assessment, necessary disclosures arising from the irregularities in controls have been made in the notes to accounts to the financial statements and other reports. Since matters relating to several of the irregularities are sub-judice and the various investigations are on-going, any further adjustments / disclosures, if required, be made in the financial statements of NSEL as and when the outcome of the above uncertainties is known and the consequential adjustments / disclosures are identified. The EOW is also investigating the role played by other brokers of trading clients in the crisis. EOW remand notes filed against few of these brokers have serious allegations of being involved in the illegalities such as mis-representation of risk free product, luring assured returns, funding the trading clients, mis-selling products, criminal breach of trust of money entrusted with Brokers, forgery of contract notes and cheating the registered clients etc.
- iv. Several agencies such as the Economic Offence Wing, Mumbai Police (EOW), Ministry of Corporate Affairs (MCA), Enforcement Directorate (ED), CBI, SFIO etc. are currently investigating / enquiring the extent of alleged irregularities and any breach of law. The matters are also sub-judice before various forums including the Hon'ble High Court of Bombay. NSEL may be exposed to liabilities in case of any adverse outcome of these investigations or any other investigations which may arise at a later date.
- v. In respect of FY 2013-14, as reported by members that there are large number of small clients of the Members who had to receive money from the respective defaulting members, NSEL had requested its Parent company to provide for interest bearing bridge loan of ₹ 17,939.81 lakhs without admission of the liability of the NSEL to pay the dues on behalf of defaulters. Accordingly, Parent Company, purely as a goodwill gesture, without admitting any liability and without prejudice, granted interest bearing bridge loan of ₹ 17,939.81 lakhs to the NSEL, repayable to Parent company from future income / accrual / recoveries. Out of such loan, the NSEL had paid, without prejudice, to small clients of the Members in full whose dues were less than or up to ₹ 2.00 lakhs and 50% of the amount to those, whose dues were between ₹ 2.00 lakhs and ₹ 10.00 lakhs. The same was executed under intimation to the FMC and under guidance from the FMC. NSEL has a right to recompense from the proceeds of recovery of the defaulted members. It is stated that such dues were the amounts payable by the buying members (pay-in) to selling members (pay-out) and that since buying members had defaulted in making payments to selling members and in the larger interest of the small clients of the selling members, the NSEL had made such payments to Members and in turn to small clients of such Members, under intimation to the FMC and under guidance from the FMC/Ministry of Consumer Affairs, Government of India.
- vi. NSEL has taken various steps to recover monies from the defaulting members / other debtors and following developments have taken place till March 2019.
 - a) NSEL has obtained decrees on admission against 5 defaulters and has secured an amount of ₹ 1,233.02 crores. NSEL after determination of liability by HCC also obtained Decree against 4 defaulters from the Hon'ble Bombay High Court and has secured an amount of ₹ 862.03 crores. NSEL has initiated the execution proceedings against the judgement debtors, which are pending before respective Courts having territorial jurisdiction NSEL has also obtained an order from the Hon'ble Bombay High Court regarding Conciliation Award for an amount of. 922.00 crores against two defaulters namely Mohan India Pvt. Ltd. and Tavishi Enterprises Pvt. Ltd..
 - b) Further, NSEL has obtained injunction orders against 16 defaulters securing an amount of ₹ 4,418.82 crores by filing third party notices and notice of motion against 12 defaulter members and recovery suits against 4 defaulter member.
 - c) The Hon'ble High Court of Bombay had under representative Suit No. 173 of 2014 vide order dated September 02, 2014, formed a committee constituting of three members headed by Mr. Justice V.C. Daga (Retd.) and 2 experts in finance and law, to act as Commissioner and Receiver under the supervision of the Hon'ble High Court to recover and monetize the assets of the Defaulters. NSEL is fully cooperating with HCC in the recovery proceedings. HCC has crystallised the liabilities of thirteen (13) defaulter members approximately amounting to ₹ 2056.85 crores.
 - d) NSEL has preferred notice of motions in recovery Suit 432 of 2015 filed against N.K. 78 NSEL has total MAT credit entitlement of ₹ 221.65 lakhs as at 31st March 2019. Management of NSEL is confident; NSEL will be able to utilize the balance MAT entitlement in future unexpired years.

79 In IBMA, a subsidiary of NSEL,

- a) As an ITCM the IBMA had received margin money from its constituent trading members and clients. The outstanding margin amount as on the balance sheet date was ₹ 244.28 lakhs (Previous year ₹ 244.28 lakhs) and is shown under the head "Other Current Liabilities".
- b) In case of IBMA, as on 31st July, 2013 ₹ 1,17,009.86 lakhs was the settlement payout receivable by IBMA from NSEL on account of trades executed by its affiliated members and clients that were part of the revised settlement plan. This figure has been arrived at on the basis of information received from NSEL. IBMA has relied on such information. Up to 16th May, 2015, NSEL has completed 65 weekly payouts and has released ₹ 11,036.90 lakhs towards the obligation of IBMA's affiliated members and clients. Payout after 20th November 2013 has been made by NSEL directly to constituent members and clients of IBMA. The amount receivable by affiliated members and clients were not fully received from NSEL as per the revised settlement plan. On the basis of the legal opinion received by IBMA, and as IBMA acted as the member broker, IBMA may not have any liability on net basis towards such unsettled obligation to its members and clients. In view thereof, no provision for the same is made in the books of accounts of the IBMA.
- c) An amount of ₹ 3,128.43 lakhs pertaining to VAT on unsettled trades on NSEL exchange platform is outstanding as on balance sheet date. This amount is receivable from the defaulting members on NSEL exchange platform and is in turn payable to the constituent members and clients of the company as part of outstanding settlement obligation.

- d) Sahara Q Shop Unique Products Range Ltd. was registered as a client with IBMA to trade on NSEL Exchange platform. As per the revised settlement plan IBMA had to receive obligation from NSEL on account of the trades executed by the client. However, SEBI vide letter dated March 11, 2014, had directed NSEL to retain payouts to Sahara group companies and hold the same in a deposit account with any public sector bank until further instructions. Accordingly, payouts up to the balance sheet date, amounting to ₹ 921.48 lakhs pertaining to the client have been deposited into fixed deposits by NSEL and equivalent amount is reduced from the exchange's obligation to IBMA.

On 10th May 2016, SEBI informed to NSEL vide their letter No SEBI/OW/13565/2016 dated 10th May, 2016 that based on Supreme Court Order requested to transfer the deposit lying in the name of Sahara company to SEBI in the SEBI Sahara Account. Accordingly money has been transferred on 29th June, 2016.

- e) IBMA had entered into an agreement with M/s SNP Design Pvt. Ltd. (hereinafter referred as "SNP") to carry out commodity derivative transactions for and on behalf of SNP for a period of one year on March 01, 2012 duly renewed on March 01, 2013. Trades were executed by the Company on behalf of SNP till July 31, 2013 and a sum of ₹ 7,747.18 lakhs is due and recoverable from SNP as per the terms and conditions of the agreement. SNP has disputed the entire amount payable to IBMA.

Board of Directors of IBMA had approved to initiate action to proceed on the matter legally. Accordingly, IBMA has filed a Civil Suit No. 745 of 2015 for recovery on 28th May, 2015 before the Hon'ble High Court of Bombay against (i) SNP Designs Pvt. Ltd. (ii) Mr. Anjani Sinha (iii) Mrs. Shalini Sinha (iv) Mr. Prajwal Kumar Badwe and (v) Mr. Shashank Raj for an amount of ₹ 10,022.29 lakhs. The aforesaid amount includes ₹ 7,747.18 lakhs i.e., the aggregate value of loss caused by SNP to IBMA for various trades executed by IBMA on behalf of SNP along with interest thereon amounting to ₹ 2,275.11 lakhs. As Service of Writ Summons and Notice of Motion could not be done on Defendant Nos. (i), (iv) and (v) as mentioned above. The Court therefore granted permission to serve the documents through publication in two newspapers, one in English and other in local language. Since these Defendants are from Delhi, IBMA published the Writ of Summons and Notice of Motion in Business Standard, English Edition and Business Standard, Hindi Edition on 22nd February, 2017. The matter is not listed after the said publication.

Additionally, Grant Thornton India LLP had observed vide their forensic report that Mrs. Shalini Sinha, Managing Director and a majority shareholder of SNP is wife of Mr. Anjani Sinha (erstwhile Director of IBMA). Pursuant to such findings by Grant Thornton India LLP and on the basis of information available on the website of Ministry of Corporate Affairs, IBMA has included such transactions carried out with SNP for disclosures required to be made under related party transactions. The related party nature of the transactions was not disclosed by Mr. Anjani Sinha to the board of directors though he was required to disclose the same, for correct disclosure under Indian Accounting Standard 24.

Further, as per records available with IBMA, the instructions to carry out the trades for and behalf of SNP were given by Mr. Anjani Sinha to the operations team and he was directly and exclusively dealing with SNP. In view of the said discrepancies and irregularities investigations are in progress. Mr. Anjani Sinha had been removed from the board of directors of IBMA on 23rd October 2013 and was arrested on account of a complaint against him in another matter pertaining to NSEL.

IBMA is represented by Mr. Abhijeet Marathe, Advocate & Solicitor. By last order dated 23rd January 2017 the court has directed the plaintiff to serve the copy of the Writ of Summons & Notice of Motion on Defendant No 1, 4, 5 by substituted service. Service affidavit has been filed proving the service by way of paper notice. Affidavit of evidence is to be filed by IBMA. No next date is shown on the website.

- f) IBMA had entered into a procurement agreement with Harley Carmel Pvt. Ltd. (hereinafter referred as "Harley") for buying spices and other commodities in the state of Kerala on 25th November 2011 read with the addendum to the agreement dated 01st December, 2011. As per the terms of agreement, IBMA bought commodities on behalf of Harley as per the terms of agreement however, Harley failed to make full payment of its obligations amounting to ₹ 293.58 lakhs. IBMA had sent legal notice to the party but the party denied owing any amount to IBMA.

r) Sales Tax and Income Tax liabilities / compliances:

I. Where IBMA has acted as an agent for members/clients:

IBMA had obtained sales tax registrations in seventeen states in India. IBMA had acted as an agent for few of selling and buying members on NSEL exchange platform in respective states as "dealer". Such transactions were carried out for principals (member / clients) by IBMA. Some of the state sales tax authorities are in advances stage or have completed assessments of such transactions. In some cases, input tax credits (ITC) on purchases have been denied on account of following reasons:

- Non- payment of Sales Tax (VAT / CST) by selling party.
- Non-filing of sales tax (VAT / CST) returns by selling party.
- Non-matching of sales tax amount with the Sales Tax returns filed by selling party.
- Lack of confirmation of sales tax payment by selling party etc.

As a fall out of above, demands have been raised against IBMA by several state government sales tax authorities. All such demands are contested at various forums. In all such cases, IBMA has taken steps to ensure that ITC on purchases are not denied and credits are promptly given to IBMA.

In cases where the selling dealer has collected tax, but not deposited to state treasury, IBMA has requested administration to recover from the selling dealer / not to hold IBMA responsible for the same. In cases where confirmation of proof of payment by selling party is concerned, IBMA is using its resources to seek the same and furnish before the authorities.

As per the legal advice received by IBMA, such liabilities, if any, which arises for acting as an agent, primarily pertains to the principal for whom IBMA had acted as an agent. The liability of IBMA quash such demands shall be to the sales tax registering authorities shall be total, if IBMA is held responsible to make such payments, ultimately. In all such cases, at present IBMA has treated such liabilities as contingent liabilities in its books of accounts, pending arriving at final liability on assessment and pending recovery of such amounts from principals.

II. Where IBMA has carried out own trading activities:

In case of denial of input tax credit (ITC) on all transactions where purchases were made by IBMA, on its account, such liabilities on sales tax account is considered as "contingent liabilities" till assessment is completed. In case of demands, which are disputed and where the liability of payment of tax is not on IBMA, the same is disclosed for as contingent liability.

The summary of such demands and their treatment in the books of accounts of the company are as under.

80 As per the assessment of the Management of NSEL, necessary disclosures arising from the irregularities as stated above have been made in the financial statements of NSEL & IBMA. Since matters relating to several of the irregularities are sub-judice and the various investigations are ongoing, any further adjustments / disclosures, if required, be made in the financial statements of the NSEL & IBMA as and when the outcome of the above uncertainties is known and the consequential adjustments / disclosures are identified. However following risks are still not fully covered.

- i. Risk of un-identified financial irregularities

In view of the specific scope of the forensic audits and the limitations in the forensic audits and investigations, there is an inherent risk that material errors, fraud and other illegal acts may exist that could remain undetected.

- ii. Risk of adverse outcome of investigation / enquiry by law enforcement agencies

Several agencies such as the Economic Offence Wing (EOW), Ministry of Corporate Affairs (MCA), Enforcement Directorate (ED), SFIO (Serious Fraud Investigation Office), CBI and the Income Tax Department etc. are currently investigating / enquiring the extent of alleged irregularities and any breach of law. The matters are also sub-judice before various forums including the Hon'ble Mumbai High Court. NSEL & IBMA may be exposed to liabilities in case of any adverse outcome of these investigations or any other investigations which may arise at a later date.

81 Previous year's figures have been regrouped / reclassified wherever necessary to correspond with the current year's classification / disclosure.
